Boynton & Carolyn

This is the near end of my Christmas preparations & about time. I'd decided these could go until after Christmas with no great loss but will be glad to get them going too.

I wonder if your kids — Joyce & George, will be home for Christmas. Its a long way to come but how nice when they can. Dodges have Christmas Eve together but we'll be home Christmas day with probably only Dodges aunt extra. She is alone and Mother enjoys her so we'll try to get them together for the day.
