EDUCAID*

FIDELITY'S plan to finance your family education needs.

UP TO \$1,000 A YEAR OR MORE

Putting one or more students through school can be a burden—so we at Fidelity are doing something about it.

With a student enrolled at any college, university, vocational, or business school anywhere in the United States, your family can qualify for our exclusive Educaid financing. Interest charged is 10% per annum—with no add-ons, discounts, or hidden charges of any kind and with no penalties for prepayment. And to make Educaid workable for as many families as possible, the repayment schedule is set at just \$50.00 a month*—a sum that most parents and students, working together, can afford.

The typical Educaid plan (to your right) shows how your family can have the use of \$4,000 at \$1,000 a year for four years—yet owe less than \$2,500 at the end of the 4th school year. For more specific details about how Educaid can help your family meet the costs of education, ask at any of Fidelity's statewide branches.
