A GUIDE TO ACADEMIC ATTIRE

The caps, gowns, and hoods worn at college and university functions date back to the Middle Ages. Monks and students of those days wore them to keep warm in the damp, drafty twelfth century castles and halls of learning. Today in this country, they are used only for formal academic ceremonies.

VARIOUS DEGREES

Each college degree has a distinctive hood and black gown. If more than one degree is held, the gown and hood of the highest degree are worn.

The gowns for the Bachelor's degree, earned after four years of undergraduate study have a square yoke with shirring across the shoulders and back. The Bachelor's gown is primarily distinguished by its full open sleeves, coming to a point.

The holder of the Master's degree, earned by a year or more of post graduate work, wears a gown with a yoke similar to the Bachelor's but the distinctive long narrow sleeves are closed at the end and trail below the arms. The arm comes through a slit part way down the sleeve.

Gowns for the Doctor's degree, earned for at least three years of advanced graduate study and research, carry broad velvet panels down the front and three velvet bars on the full round bell-shaped sleeves. This velvet trim may be either black or the color of the field of learning to which it pertains.

ACADEMIC COLORS

It is the hood that gives color and real meaning to the academic costume. A black shell, of varying sizes for the three degrees, is silk-lined with the colors of the institution conferring the degree. The hood is then bordered with velvet of the color signifying the field of learning to which the degree pertains.

The border colors for the various academic disciplines are:

Arts, Letters	White	Library Science	Lemon
Commerce	Drab	Medicine	Green
Economics	Copper	Music	Pink
Education	Light Blue	Nursing	Apricot
Engineering	Orange	Philosophy	Dark Blue
Fine Arts	Brown	Physical Ed.	Sage Green
Journalism	Crimson	Science	Golden Yellow
Law	Purple	Speech	Silver Gray
Theology	Scarlet		

It is the field of learning and not the department in which major work was done which governs the color of the velvet for the hood.

GRAY GOWNS

Christine Busk	Salinas, California
Danny Curtis	Ellensburg, Washington
Patricia Fast	Benton City, Washington
Marcie Mandigo	Lacey, Washington
Darlene Struble	Bickleton, Washington
Virginia Tucker	Ellensburg, Washington

Gray Gowns are students of Junior standing who have achieved academic excellence at Central Washington State College. The selection is based on grade point average and completion of 45 quarter credits at Central Washington State College.

TASSELS

Students who are displaying red tassels are graduating Cum Laude, those displaying silver tassels are graduating Magna Cum Laude, and those displaying gold tassels are graduating Summa Cum Laude. These awards are given to those students who have achieved high academic excellence: 3.25 Cum Laude, 3.50 Magna Cum Laude, and 3.75 Summa Cum Laude.
