DEPARTMENT OF ATHLETICS

My name is Roy Elia. I currently serve as the Sports Information Director at Central Washington University. As an ambassador of the college, I would like to first thank you for the generous gifts that you awarded both the university and CWU cheerleaders earlier this year.

At the present time, the sports information office has three entities bidding for the right to produce our media guides for football, and both men's and women's basketball, and pocket schedules for the upcoming year. Based on the early process, the bids received have ranged between eight and 10 thousand dollars. I am writing to you today to see if Fred Meyer would be interested assisting our office by defraying the costs for the media guides and pocket schedules by sponsoring each produced piece distributed to the masses. We are producing 150 media guides for each sport listed above and 2,500 pocket schedules for the fall, winter and spring sports seasons.

I spoke to Jeff, the food manager at your Ellensburg store, and he gave me the spirit to write to you today. Jeff played football at Central in the late 80s and I got the sense that he had fond memories of his CWU experience. He noted that Fred Meyer would be interested in supporting Central Washington University whenever possible.

The opportunity to speak to you about this possibility in the near future would excite me greatly. Thank you very much for your time.

Sincerely

Roy Elia
Sports Information Director
