COMMENCEMENT  
CENTRAL WASHINGTON UNIVERSITY 89th

#### CENTRAL ALMA MATER

Unto thee our Alma Mater,  
Here we pledge devotion true.  
Years may pass and time may bring  
us many a task that's hard to do.  
Still we'll sing the old songs over,  
Still we'll call the old days back.  
Still we'll cheer the best of colors;  
Hail the Crimson and the black.

Still we'll sing the old songs over,  
Still we'll call the old days back.  
Still we'll cheer the best of colors,  
Hail the crimson and the black.

## A GUIDE TO ACADEMIC ATTIRE

---

The caps, gowns, and hoods worn at college and university functions date back to the Middle Ages. Monks and students of those days wore them to keep warm in the damp drafty twelfth century castles and halls of learning. Today in this country, they are used only for formal academic ceremonies.

### Various Degrees

Each college degree has a distinctive hood and black gown. If more than one degree is held, the gown and hood of the highest degree are worn.

The gowns for the Bachelor's degree, earned after four years of undergraduate study, have a square yoke with shirring across the shoulders and back. The Bachelor's gown is primarily distinguished by its full open sleeves, coming to a point.

The holder of the Master's degree, won by an additional year of post graduate work, wears a gown with a yoke similar to the Bachelor's but the distinctive long narrow sleeves are closed at the end and trail below the arms. The arm comes through a slit part way down the sleeve.

Gowns for the Doctor's degree, earned for at least three years of advanced graduate study and research, carry broad velvet panels down the front and three velvet bars on the full round bell-shaped sleeves. This velvet trim may be either black or the color of the field of learning to which it pertains.

### Academic Colors

It is the hood that gives color and real meaning to the academic costume. A black shell, of varying sizes for the three degrees, is silk-lined with the colors of the institution conferring the degree. The hood is then bordered with velvet of the color signifying the field of learning to which the degree pertains.

The border colors for the various academic disciplines are:

Arts, Letters .....	White	Library Science .....	Lemon
Commerce .....	Drab	Medicine .....	Green
Economics .....	Copper	Music .....	Pink
Education .....	Light Blue	Nursing .....	Apricot
Engineering .....	Orange	Philosophy .....	Dark Blue
Fine Arts .....	Brown	Physical Education .....	Sage Green
Journalism .....	Crimson	Science .....	Golden Yellow
Law .....	Purple	Speech .....	Silver Gray
		Theology .....	Scarlet

It is the field of learning and not the department in which major work was done which governs the color of the velvet for the hood.

---

## GRAY GOWNS

---

Thomas Arbuckle .....	Hamilton, Mt.
Laurie Camp .....	Connell, Wa.
Teri Cresap .....	Battle Ground, Wa.
Philip Howard .....	Federal Way, Wa.
Mario Parisio .....	Gig Harbor, Wa.
Susan Swartz .....	Vancouver, Wa.

Leading the procession of graduates into the auditorium are the Gray Gowns. Gray Gowns are students of Junior standing who have achieved academic excellence at Central Washington University. The selection is based on grade point average and completion of 45 quarter credits at Central Washington University.

### Tassels

Students displaying colored tassels have fulfilled the requirements for receiving honors from Central Washington University. Students who are displaying red tassels are graduating Cum Laude or With Distinction. Those displaying silver tassels are graduating Magna Cum Laude or With High Distinction. Those displaying gold tassels are graduating Summa Cum Laude or With Highest Distinction. These awards are given to those students who have achieved high academic excellence.

---

## HONOR GUARD

---

Shawn Barber .....	Ellensburg, Wa.
Stephen Capistran .....	El Toro, Ca.
Burke Collier .....	Tacoma, Wa.
Dar Hack .....	Des Moines, Wa.

Immediately following the procession is the Honor Guard. The Honor Guard is composed of students from the Air Force Reserve Officer Training Corps program at Central. The United States Air Force - Reserve Officer Training Corps two year Professional Officer course is designed to prepare eligible students to assume the responsibilities of commissioned officers in the United States Air Force.

## CENTRAL WASHINGTON UNIVERSITY 1891-1980

---

As a multipurpose institution, Central Washington University offers undergraduate degrees and graduate degrees at the Master's level in the arts and sciences and professional education for prospective elementary and secondary school teachers. Nondegree preprofessional studies for students interested in pursuing additional training in professional schools at other universities are also provided.

Above everything else, Central Washington University provides quality instruction, facilities and programs that aim toward the future.

Central's faculty has earned a reputation for academic quality and integrity. More than 90 percent of the faculty have appropriate terminal degrees. Central's faculty members are dedicated to teaching, public service and research, and they take the time to meet the needs of their students.

The high quality of Central goes beyond the ability of its faculty. The university also has outstanding facilities. For example, 50 percent include a new library complex, an award-winning psychology building, a new administrative and laboratory building, and several other major instructional complexes.

Central's excellent facilities do not stop with new buildings. In 1978 alone, the library added 20,000 holdings to its shelves. Campus technical facilities range from television studios to science laboratories and botanical greenhouses.

Most importantly Central Washington University is proud if its quality academic programs. Here all programs involve more than just basics. Each program provides a latitude for students to explore areas outside their specializations and still complete graduation requirements.

The Central Washington University campus, located in Ellensburg, is in the center of Washington state. The campus is comprised of 350 acres surrounded by outstanding cattle and farm land with fishing, skiing, camping, swimming, boating, and hiking facilities readily available.

---

### THE MACE

---

Since the Middle ages, the mace has served as a symbol of power and authority. Originally designed as a weapon of battle, it gradually assumed a more ceremonial role, and was typically carried by kings and church leaders as a sign of office. Today, many legislative bodies such as the U.S. House of Representatives and the British House of Commons have maces, as do most colleges and universities.

Central's mace was crafted by Wilhelm Bakkee, Emeritus Professor of Technology and Industrial Education. It consists of a shaft of solid walnut, taken from a tree in the Kittitas Valley, surmounted by a four-sided headpiece plated in 24K gold. Three of the sides bear the letters, C.W.U. while the fourth bears the university seal. Two of the sides are backed by the university colors, crimson and black, and the others are backed by the color green signifying the evergreen state. The mace is on display in the meeting room of the Board of Trustees in Bouillon Hall, and is used only for official university functions.
