NINETY-SIXTH  
**COMMENCEMENT**

*June 13, 1987  
10:00 a.m., Nicholson Pavilion  
Central Washington University  
Ellensburg, Washington*

A decorative border with intricate floral and vine patterns surrounds the text. The border is composed of repeating motifs of leaves, flowers, and scrolling vines, creating a dense and ornate frame.

ALMA MATER. 🍷 🍷

**U**nto thee our  
Alma Mater,  
Here we pledge  
devotion true. Years  
may pass and time may  
bring us many a task  
that's hard to do. 🍷

Still we'll sing the old  
songs over, still we'll  
call the old days back.  
Still we'll cheer the best  
of colors; hail the 🍷  
crimson and the black.

Still we'll sing the old  
songs over, still we'll  
call the old days back.  
Still we'll cheer the best  
of colors; hail the 🍷  
crimson and the black.

## A GUIDE TO ACADEMIC ATTIRE

**T**he caps, gowns, and hoods worn at college and university functions date back to the Middle Ages. Monks and students of those days wore them to keep warm in the damp drafty twelfth century castles and halls of learning. Today in this country, they are used only for formal academic ceremonies.

### VARIOUS DEGREES

**E**ach college degree has a distinctive hood and black gown. If more than one degree is held, the gown and hood of the highest degree are worn.

The gowns for the Bachelor's degree, earned after four years of undergraduate study, have a square yoke with shirring across the shoulders and back. The Bachelor's gown is primarily distinguished by its full open sleeves, coming to a point.

The holder of the Master's degree, won by an additional year of post graduate work, wears a gown with a yoke similar to the Bachelor's but the distinctive long narrow sleeves are closed at the end and trail below the arms. The arm comes through a slit part way down the sleeve.

Gowns for the Doctor's degree, earned for at least three years of advanced graduate study and research, carry broad velvet panels down the front and three velvet bars on the full round bell-shaped sleeves. This velvet trim may be either black or the color of the field of learning to which it pertains.

### ACADEMIC COLORS

**I**t is the hood that gives color and real meaning to the academic costume. A black shell, of varying sizes for the three degrees, is silk-lined with the colors of the institution conferring the degree. The hood is then bordered with velvet of the color signifying the field of learning to which the degree pertains.

The border colors for the various academic disciplines are:

Arts, Letters . . . . .	White	Medicine . . . . .	Green
Commerce . . . . .	Drab	Music . . . . .	Pink
Economics . . . . .	Copper	Nursing . . . . .	Apricot
Education . . . . .	Light Blue	Philosophy . . . . .	Dark Blue
Engineering . . . . .	Orange	Physical Education	Sage Green
Fine Arts . . . . .	Brown	Science . . . . .	Golden Yellow
Journalism . . . . .	Crimson	Speech . . . . .	Silver Gray
Law . . . . .	Purple	Theology . . . . .	Scarlet
Library Science . . . . .	Lemon		

It is the field of learning and not the department in which major work was done which governs the color of the velvet for the hood.

## CRIMSON CORTEGE

**L** leading the procession of graduates into the auditorium is the Crimson Cortege, a select group of students in junior standing who have achieved academic excellence at Central Washington University. The selection is based on grade point average and completion of 45 quarter credits at Central Washington University.

David A. Glose . . . . . East Wenatchee, Washington  
Shelley W. Keen . . . . . Camas, Washington  
Lindsay G. Kountz . . . . . Redmond, Washington  
Chad Lauinger . . . . . White Swan, Washington  
Angela L. Mosbrucker . . . . . Goldendale, Washington  
Katherine L. Shiner . . . . . Ellensburg, Washington

## TASSELS

**S**tudents displaying colored tassels have fulfilled the requirements for receiving honors from Central Washington University. Students who are displaying red tassels are graduating Cum Laude or With Distinction. Those displaying silver tassels are graduating Magna Cum Laude or With High Distinction. Those displaying gold tassels are graduating Summa Cum Laude or With Highest Distinction. These awards are given to those students who have achieved high academic excellence.

## HONOR GUARD

**I**mmediately following the procession is the Honor Guard. The Honor Guard is composed of students from the Air Force Reserve Officer Training Corps and the Army Reserve Officer Training Corps. The United States Air Force Reserve Officer Training Corps and the United States Army Reserve Officer Training Corps are programs designed to prepare eligible students to assume the responsibilities of commissioned officers in the United States military.

## CENTRAL WASHINGTON UNIVERSITY

**P**

ople of Washington state have long believed in the value of higher education, and Central Washington University has proudly provided quality education to citizens of this state since 1891. Through the years, it has continued to develop, first as Washington Normal School, then Central Washington College of Education, Central Washington State College and now Central Washington University.

Nearly 100 years ago CWU's educational goals focused on teacher education. Today, Central is much, much more than that. The University has kept a strong, positive and constructive posture as it continues to serve its students and carry out its mission as a responsive regional University. This is a tribute to a dedicated faculty, involved student body and alumni, hard-working administration and staff and loyal friends of the University.

The University continues to contribute to the quality of life of its graduates and of the people of this region and Washington state. Faculty members are involved in notable research and public service activities, students are being prepared for a rapidly changing, high-technology society, academic programs have been sustained and strengthened and admission requirements have been upgraded.

Central's extended degree centers in Lynnwood, Ft. Steilacoom, Normandy Park and Tri-Cities continue to serve students whose professional or family obligations prevent them from leaving their home communities. All Centers have direct computer link and library courier service to the Ellensburg campus, and resident Central professors provide academic counseling and student support. CWU's Library holdings, including books, microform sheets and reels, government publications, maps, audio visual materials and periodical subscriptions, total more than 1.5 million.

The CWU campus is comprised of 350 acres, and is surrounded by outstanding cattle and farm land with fishing, skiing, camping, swimming, boating and hiking facilities readily available.

## THE MACE

**S**

ince the Middle Ages, the mace has served as a symbol of power and authority. Originally designed as a weapon of battle, it gradually assumed a more ceremonial role, and was typically carried by kings and church leaders as a sign of office. Today, many legislative bodies such as the U.S. House of Representatives and the British House of Commons have maces, as do most colleges and universities.

Central's mace was crafted by Wilhelm Bakke, Emeritus Professor of Technology and Industrial Education. It consists of a shaft of solid walnut, taken from a tree in the Kittitas Valley, surmounted by a four-sided head-piece plated in 24K gold. Three of the sides bear the letters, CWU, while the fourth bears the university seal. Two of the sides are backed by the university colors, crimson and black, and the others are backed by the color green signifying the evergreen state. The mace is on display in the meeting room of the Board of Trustees in Bouillon Hall, and is used only for official university functions.
