CENTRAL WASHINGTON UNIVERSITY 102nd COMMENCEMENT

## A GUIDE TO ACADEMIC ATTIRE

The caps, gowns, and hoods worn at college and university functions date back to the Middle Ages. Monks and students of those days wore them to keep warm in the damp drafty twelfth century castles and halls of learning. Today in this country, they are used only for formal academic ceremonies.

### VARIOUS DEGREES

Each college degree has a distinctive hood and gown. If more than one degree is held, the gown and hood of the highest degree are worn.

The gowns for the Bachelor's degrees, earned after four years of undergraduate study, have square yoke with shirring across the shoulders and back. The Bachelor's gown is primarily distinguished by its full open sleeves, which come to a point.

The holder of the Master's degree, won by an additional year of post-graduate work, wears a gown with a yoke similar to the Bachelor's, but the distinctive long narrow sleeves are closed at the end and trail below the arms. The arm comes through a slit part way down the sleeve.

Gowns for the Doctor's degree, earned for at least three years of advanced graduate study and research, carry broad velvet panels down the front and three velvet bars on the full bell-shaped sleeves. This velvet trim may be either black or the color of the field of learning to which it pertains.

### ACADEMIC COLORS

It is the hood that gives color and real meaning to the academic costume. A black shell, of varying sizes for the three degrees, is silk-lined with the colors of the institution conferring the degree. The hood is then bordered with velvet of the color signifying the field of learning to which the degree pertains.

The border colors for the various academic disciplines are:

Arts, Letters.....	White	Medicine.....	Green
Commerce .....	Drab	Music.....	Pink
Economics .....	Copper	Nursing.....	Apricot
Education.....	Light Blue	Philosophy .....	Dark Blue
Engineering.....	Orange	Physical Education.....	Sage Green
Fine Arts .....	Brown	Science.....	Golden Yellow
Journalism .....	Crimson	Speech.....	Silver Gray
Law.....	Purple	Theology.....	Scarlet
Library Science.....	Lemon		

It is the field of learning and not the department in which major work was done which governs the color of the velvet for the hood.

### TASSELS

Students displaying colored tassels have fulfilled the requirements for receiving honors from Central Washington University. Students who are displaying red tassels are graduating *Cum Laude* or With Distinction. Those displaying silver tassels are graduating *Magna Cum Laude* or With High Distinction. Those displaying gold tassels are graduating *Summa Cum Laude* or With Highest Distinction. These awards are given to those students who have achieved high academic excellence.

### SILVER CORTEGE

Leading the procession of graduates into commencement is the Silver Cortege, a select group of students in junior standing who have achieved academic excellence at Central Washington University. Selection is based on grade point average. An additional criteria on campus is the completion of 75 quarter credits at Central Washington University. We commend these students for their high degree of achievement.

#### Main Campus Cortege Selection

Shad James.....Omak  
Kevin Johnson .....Yakima  
Doreen LeVander.....Buckley  
Erin McKernan .....Ellensburg  
Jimmy Richardson.....Marysville  
Diane Schuirman.....Sedro Woolley

#### Extended Degree Center Cortege Selection

Corey L. Hess.....Steilacoom  
Tracy L. Beach .....Lynnwood  
Linda M. Beattie.....Lynnwood  
Wayne A. Melton.....Lynnwood  
Melanie Kingham .....South Seattle  
Richard G. Moran.....South Seattle  
Margie M. Reichlin.....South Seattle  
Judy A. VanBuskirk.....South Seattle

### HONOR GUARD

Immediately following the procession is the Honor Guard. The Honor Guard is composed of students from the United States Air Force Reserve Officer Training Corps and the United States Army Reserve Officer Training Corps, which are programs designed to prepare eligible students to assume the responsibilities of commissioned officers in the United States military.

## **CENTRAL WASHINGTON UNIVERSITY**

People of Washington state have long believed in the value of higher education, and Central Washington University has proudly provided quality education to citizens of this state since 1891. Through the years, it has continued to develop, first as Washington Normal School, then Central Washington College of Education, Central Washington State College and now Central Washington University.

One hundred years ago CWU's educational goals focused on teacher education. Today, Central is much, much more than that. The university has kept a strong, positive and constructive posture as it continues to serve its students and carry out its mission as a responsive regional university. This is a tribute to a dedicated faculty involved in notable research and public service activities, students being prepared for a rapidly changing, high-technology society, academic programs being sustained and strengthened, and upgraded admission requirements.

The CWU campus is comprised of 350 acres, and is close to recreational opportunities. Central's four distinct seasons offer a variety of activities to those who enjoy the out-of-doors.

## **THE MACE**

Since the Middle Ages, the mace has served as a symbol of power and authority. Originally designed as a weapon of battle, it gradually assumed a more ceremonial role, and was typically carried by kings and church leaders as a sign of office. Today, many legislative bodies such as the U.S. House of Representatives and the British House of Commons have maces, as do most colleges and universities.

Central's mace was crafted by Wilhelm Bakke, Emeritus Professor of Industrial and Engineering Technology. It consists of a shaft of solid walnut, taken from a tree in the Kittitas Valley, surmounted by a four-sided headpiece plated in 24K gold. Three of the sides bear the letters "CWU," while the fourth bears the university seal. Two of the sides are backed by the university colors, crimson and black, and the others are backed by the color green, signifying the Evergreen State. The mace is on display in the meeting room of the board of trustees in Bouillon Hall, and is used only for official university functions.

## **EXTENDED DEGREE PROGRAMS**

Bachelor's degree programs are offered at extended degree centers in Lynnwood, South Seattle, Steilacoom, and Yakima. The Extended Degree Programs are designed primarily to serve students whose professional or family obligations prevent them from leaving their home communities. During spring quarter there were over 1,000 students enrolled at the extended degree centers. While all students are invited to participate in the on-campus ceremony, a West Side commencement exercise is held for students graduating from Lynnwood, South Seattle, and Steilacoom Centers.
