WILDCATS READY FOR SUPERVARSITY

SAMUELSON HEADS A. S. B.

Argano, Robards, Musgrove
Wegner, Caldwell
Win

SELECT YELL LEADER

Clifford Samuelson, second year student, was elected president of the associated student body, at a special assembly called for that purpose, October 10. The other officers chosen were Tony Argano, vice president; Dorothy Robards, secretary; Claude Musgrove, student representative; Margaret Wegner, social commissioner; Keith MacDonald, yell king; and Kent Caldwell, sergeant-at-arms.

An unusual amount of interest and enthusiasm was evident by the large number of students present. Each student was given a ballot on which was printed names of nominees who had been selected by a nominating committee composed of Mabel Skinner, Pete Wick, Nell Stewart, George Elliot, and Lowell Hawley.

With this group of officers the student body as a whole is looking forward to a lively and profitable year.

To facilitate arrangements for Homecoming, one of the important events of the fall quarter, it was essential that all clubs organize and elect officers as soon as possible. Some had already done this, but for

(Continued on page four)

MIXER PLANNED BY DORMITORIES FOR FRESHMEN

Sophomores to Entertain Little Sisters Saturday, October 12

In honor of the freshman girls in their respective halls, the sophomores of Kamola and Sue Lombard are planning a mixer or get-acquainted party, to be held Saturday evening, October 12 from 10:15 till 12:00 o'clock. Every girl is urged to come; every sophomore is expected to be there with her little sister as her guest. The 'big sisters' are sponsoring this entertainment and it is hoped to be one of the outstanding social events of the year of each hall.

The committees in charge of the pajama party at Sue Lombard are; stunt and program with Margaret Johnson as chairman, assisted by Noweita Howard and Alice Crosby; refreshments, Norma Berglund, chairman; Pearl Sheperd, Vieno Pontinen, Virginia Carson, La Versa Koenig and Catherine Smyser.

The feature of the party is to be the initiation of the freshman girls, according to Jean McMurray, social commissioner. "Get - acquainted" stunts, stunts by the freshmen and dancing are to form the entertainment of the evening. Punch and wafers will be served as refreshments.

Mabel Skinner, social commissioner in Kamola, has selected as program committee, Beulah Gynn and Gladys Levin, chairmen; posters, Eren Dawson, chairman; refreshments, Jane Meredith and Gladys Grinstead, chairmen; clean-up, house officers.

An interesting program is being planned. The entire entertainment in Kamola will be put on by the sophomores as the "big sisters" wish all their guests to spend an enjoyable evening. Dancing will follow after the program. The refreshment committee are planning to serve dainty little cakes and punch.

PLANS DISCUSSED BY HISTORY CLUB

A business meeting of the History club was held Tuesday, October 8, at which plans regarding admission of new members were discussed. Gladys Betchart, president, announces that all those who are interested in becoming members should see one of the following members of the social committee: Gladys Swan, Audrey Cooper or Frank Clark.

The next meeting will be held October 15, in the history room.

Moroni Olsen, as Piderit in "Twelve Thousand" — Moroni Olsen, Players.

STUDENT TICKET SALE FOR MORONI OLSEN OPENS TUESDAY, OCTOBER 15

Business Office Will Call for A. S. B. Cards At Time of Purchase; No Exceptions Will Be Made

Tickets for the Moroni Olsen play go on sale at the business office at 9 a. m. Tuesday, October 15. Reductions in prices will be made for holders of A. S. B. cards. "Buy your seats early as there are only a limited number at reduced prices, and be sure to bring your A. S. B. ticket with you. Absolutely no reductions will be given if it is not presented," says Harry Weimer, accountant.

The First Circuit Repertory company opens its new season at the Ellensburg theatre Thursday evening, October 17, at 8 p. m. with an usually brilliant three act play, "Twelve Thousand" by Bruno Frank. It is essentially a German creation but brings

the American view-point into the story in such an inspiring, yet simple manner that the very simplicity of the style achieves an eloquence almost impossible to believe.

"Twelve Thousand" has the recommendation of such a famous dramatic critic as George Jeon Nathan, co-editor of the American Mercury, one of the leading literary magazines of the day.

It is hoped that a large part of the student body will attend the performance. The play should be especially interesting to those students who are majoring in dramatics, literature and history.

INCREASE SPEED IN REGISTRATION

Registration of students has been completed more quickly this year than in former years, according to Henry J. Whitney registrar and head of the extension department. Also fewer changes in schedule have been made than ever before.

The final count of registration will be completed after the check with the business office. Mr. Whitney has stated that pre-registration for the second quarter will begin early and the schedules for the winter and spring quarter will be made out at that time.

Sue Lombard Holds Meeting

Sue Lombard hall, held their first regular house-meeting Monday, October 7 at 10:00 P. M. in the drawing room. Miss Lauretta Cooke, president of the hall, presided at the meeting. Mrs. Edna Davis, house-mother for Sue Lombard and Miss Lila Hainor, director of the food service, spoke on etiquette in the dining room. Dean Muriel G. McFarland discussed the Freshman party that is to be held on October 12, at 10:15 P. M.

LAW CLUB MAKES PLANS FOR FALL

Notice will be posted and published in the near future in regard to the date of the first meeting of the Parliamentary Law Club.

Plans are being made to have a bigger and better organization this year. The type of work taken up in this club is something that every person will come in contact with a great deal throughout his life and this is an opportunity to get a background in the functioning of organizations and societies.

At least one big social event is being planned for the members of this quarter. N. E. Hinch, instructor of the English departments, the supervisor.

DRAMATIC TEACHER ATTENDS INSTITUTE

Miss Frances Frater, a new member of the English department and in charge of the work in drama, left Tuesday, October 8 for Wenatchee, to attend the Chelan County Teachers' Institute. Miss Frater will give one general address on "Child and the Theatre." She will also speak on dramatics to primary teachers.

TENTATIVE PLANS FOR HOMECOMING PROGRAM MADE

Game With Cheney Scheduled For Saturday; Rally Friday

Of great interest to the students of W. S. N. S. is one of the most important dates on this year's calendar, namely homecoming week which begins Friday November 1. The big rally and serpentine march in honor of the game to be played the following day with Cheney Normal will begin 6:30 Friday. The line of marchers finally arrive at the Ellensburg theatre where at 7 o'clock the Homecoming celebration will commence.

This program includes a variety of events. First, a special college film has been secured by the theatre management and will be shown on the screen for benefit of students and alumni. Of the greatest local interest, however, is the stunt contest which follows the film entertainment. This contest is put on entirely by student groups and organizations. Last year the Women's Athletic association and Men's club tied for first place and had the privilege of inscribing their names on the huge loving cup which is put up for this purpose. Any campus group or organization, school resi-

(Continued on page four)

Fall Officers Are Nominated By Men's Club

The men's club held their first meeting of the quarter in the men's dormitory, Tuesday evening. The purpose of the meeting was to nominate officers for the quarter. Those nominated were as follows: president, Harold Akam; vice president, Claude Musgrove, George Elliot, Earl Hickox; secretary and treasurer, Fred Knoel, Jerry Krekow, Harley Sutphin; sergeant at arms, Harold Naubert, Goodie Morrison; social committee, Nestor Lind, Alfred Long, Park Gagnon, Clifford Exley; house rules committee, Kerm Rodgers, Goodie Morrison, Alvin Warwick, Huntley McPhee, Kent Caldwell.

These officers will be voted upon Monday, October 14, at noon in the men's dormitory.

Following the nomination of officers, Dean B. A. Leonard addressed the men. Following this was a short talk by the new house mother, Mrs. Edna Davis.

"Scotty" MacDonald appointed a stunt committee to work with him during the year, to work and provide stunts for the games. The committee consisted of the following: Arne Randall, Oliver Heintzelman, Oscar Wallin, Leonard Fonda, Kenneth Cleary, Willis McCoy.

Kamolians Make Brave Attempt to Live Up to Dorm Regulations for Retiring

In accordance with sane living, all good rules of health, dormitory regulations, Miss Wilmarth's advice and mother's warning, two roommates in Kamola hall decided to make a secret, solemn, resolution to go to bed at least by ten o'clock every school night.

The first night after making this strange martyr-like resolution the roommates had their lights out at ten. No sooner were they in bed than an awful pounding on their door made them sit up with a start. They feebly called "come in!" and in bounded a bosom friend, snapping on the light and gave them the important information that a dashing freshman John Barrymore had actually smiled at her. She enlarged upon this information until 10:30. When she reluctantly left, the roommates again turned off their lights. No sooner had this been done and the roommates were again in bed when some freak came in and actually wanted to know if they had completed their lesson plans. In great anger the roommates rose

REAL GAME PROMISED FANS AS COAST BOYS ARE OUT FOR REVENGE

Hold Final Tryouts For School Plays

The nineteen students, picked from the previous try-outs for the all school plays, will meet in the Little Art Theatre at 10 o'clock on Saturday morning, October 12, at which time final try-outs will be held. A selection of a cast will be made from this group, according to Miss Frances Frater, dramatic instructor.

CHOOSE MEMBERS FOR GLEE CLUBS

Additional Tryouts Needed Before Selecting Quartets

Miss Miriam Terry, acting head of music department, requests that any girls able to play piano, report to her for a tryout. She needs accompanists for the women's ensemble and glee club.

The women's ensemble which meets Wednesday at four o'clock, includes Kay Beachem, Mildred Blessing, Gertrude Burroughs, Lena Byers, Jo Dion, Valeria Douglas, Ruth Edwards, Louise Faver, Marjorie Frazier, Mildred Hartman, Elsie Hedlund, Ruth Howard, Noweita Howard, Myrtle Hunt, Laversa Koenig, Mae Monroe, Berthel Muncey, Fae Olds, Eulilla Piliand, Nettie Radmader, Loraine Reed, Audrey Ritchey, Florence Schlein, Mabel Skinner, Goldie Smith, Catherine Stevens, Beatrice Storey, Edith Stratton, Lois Tickner, Elise Tiffany, Helen Vail, Azalea, Van Buskirk, Verma Van Buskirk, Margaret Von Hoene, Lois Wachtman, Ellen Wade, Ruby Warring, Marion Watkins and Margaret Williams.

The women's double quartet will be chosen from the above group after additional tryouts.

The men's glee club includes Bernard Anderson, Lewis Argano, Lawrence Blessing, Thomas Giles, Lawrence Harnden, Allen Houston, John Hunter, Eugene Lee, Wendall Long, Keith MacDonald, Ray McNeilly, Warren Platt, Arne Randall, Eugene Sargent, Fred Van de Grift and Glen Yager.

Mens quartet will be selected from glee club after additional tryouts. Anyone wishing another tryout, apply to Miss Terry.

After a week of intense practice the Normal football team is prepared for a real test when they meet the supervarsity aggregation from the University of Washington this afternoon on the Rodeo field at 2:30.

This promises to be a real game as word from the University indicates that the coast boys are in fine fettle for the battle and are out to avenge their defeat last fall at the hands of the Wildcats.

Line-up Altered

Sandy's lineup has been somewhat altered due to injuries and in an attempt to get the best results from the men. Tex Robinson will not be in action as was expected while Rodgers, who was slated to start at end, will also be out due to a wrenched knee and will probably be replaced by Shields. Valdason will fill the other wing position, Guggenbickler and Phillips are booked as tackles, Lindquist, who has been changed from center to guard, will fight it out with Knoell for one guard post while the corresponding position on the other side of center will be taken care of by Hickcox. Gagnon will play the pivot position. In the backfield Sterling will call the plays, Sutphin, who has been taken from guard, will start at one half, either McKay or Erickson at the other halfback position.

(Continued on page three)

BLACK REPORTS ON STATE BOARD

May Consider Changes In Life Diploma Rules

President George H. Black, returning from a meeting of the State Board of Education, at Olympia, gave a message of particular interest to second and third year students. Tuesday, October 8 at the regular weekly assembly. According to the present ruling anyone making application for a life diploma is required to have three years of actual teaching experience at least 16 months of which shall have been in a public or accredited private school during the two school years immediately preceding the granting of the life diplomas.

This, it will be seen, has as one purpose the securing of some service in the state of Washington and also by its provisions demands that teachers be actively engaged in teaching at the time of receiving a life diploma.

In addition to the above provision the first quarter of the third year course is required of all applicants, but those who have not taught prior to coming to Normal School cannot count the extra quarter until they have taught for one year.

A proposal has also been made though not officially adopted, as a result of which a minimum of three years of work would be required of all teachers in elementary schools after September 1, 1933. Similarly it is proposed, though not yet officially approved that after September 1,

(Continued on page two)

Tuesday Assembly To Hear Jordan

"The Human Equation in the United States Army During the War," will be discussed by John S. Jordan, instructor in psychology, at the regular assembly, Tuesday, October 15.

Francis Pyle, assistant in the music department will play several violin solos, and Miss Miriam Terry, acting head of the music department will lead the community singing.

Plans are being made for a permanent seating list, says Dean Muriel G. McFarland, and are expected to be completed before Tuesday. All students will be expected to attend assemblies this year.

MORONI OLSEN COMING

Moroni Olsen and his company of artists will present "Twelve Thousand" by Bruno Frank, at the Ellensburg theatre, October 17. Are you going to be there? This company is sponsored by the Associated Student Body and is brought to Ellensburg for your pleasure.

A limited number of tickets are reserved for holders of A. S. B. cards at special prices, less than one third of regular prices. It will be to your advantage to get your ticket early at the business office. **AND DON'T FORGET TO PRESENT YOUR A. S. B. CARD WHEN MAKING PURCHASE.** No student will be sold tickets at student rate unless he presents this card. No exceptions will be made to this rule as cards must be punched. So stop now, hunt up the card, and put it where you can find it in a hurry Tuesday morning.

Prices range from 25c to 50c—save your nickles and be at the business office at 9 a. m. Tuesday.

W. S. N. S. CITIZENSHIP

Are you cooperating? Are you striving to make the year successful? - Are you getting to class on time? Are you attending the student and general assemblies? In other words, what is your citizenship rating? These are a few of the questions that each and every member of W. S. N. S. should consider.

Students in order to go out into the world and make a success of life should have this desirable requisite of good citizenship. The student who takes an interest in his work and who desires to cooperate with his fellow associates and instructors, not only makes a name for himself but for the school. His success can be measured a great deal by the spirit in which he shows his cooperation. No one likes to be slow. No one likes to be a laggard. Still a number of students persist in avoiding as many student-body and general assemblies as possible, thus lowering the morale of our school.

Two weeks of school have passed and a lively spirit is already predominating among the greater part of the students at large. Lets snap out of it. ALL join in the chorus of cooperation, and give our assistance in a creditable manner. Just watch the results of our efforts. **COME ON! LET'S GO!!**

—Eugene Lee.

President's Home Undergoes Repairs

George H. Black, president of the Ellensburg Normal school, expects to move back to his residence on seventh street in about two weeks. He has been residing in one of the apartments in Kamola since the middle of August. Since that time his home has been receiving a complete remodeling.

Besides the work by plasterers and carpenters upon the house, a crew of normal school boys have changed the appearance of the lawns around the house to a considerable extent. The boys under the supervision of F. W. Straw, director of operation and maintenance, have transplanted one large fir tree from the back of the house to one side of it. The boys also transplanted some of the shrubbery that grows around the house.

SURVEY 1500 PUBLICATIONS

Columbus, Ohio—(IP) — Fifteen hundred technical publications in all languages, dealing with scores of fields of chemistry, have been surveyed and abstracted in the interests of scientific progress by the reporting system of the American Chemistry Society, it was announced by Professor E. J. Crane, of Ohio State University, editor of Chemical Abstracts, the society's publication.

In this way, Dr. Crane said, almost 250,000 results of modern study have been catalogued for reference since the work was begun in 1907 by Professor Noyes.

COACH TO GIVE LECTURES

New York City—(IP)— Coach Hedding (Hurry-up) Yost has opened a series of lectures in which he will describe for the benefit of the Public Schools Athletic League here the methods by which he brought the University of Michigan football team to prominence. The lectures are to be held all winter long at regular intervals.

SCHEDULE GAME WITH NAVY

Annapolis, Md.—(IP) — Southern Methodist College's football team is to come either here, to Baltimore, or Washington both next year and in 1931 for a game with the Navy, it has been announced by Commander Jonas H. Ingram, director of athletics at the Naval Academy.

Revive Freshman "Blue Laws" at U

University of Washington vigilance according to reports from the U. of W. Daily. These laws were discontinued two years ago. The verdict of the Knights of the Hook recently began the tradition enforcement move. These traditions include the following:

- 1—All freshmen must wear green hats.
- 2—They cannot talk to women on the campus.
- 3—They will be allowed to smoke only corn cob pipes.
- 4—They cannot loiter on Denny steps.
- 5—They must keep to campus paths and not walk on the grass.
- 6—They cannot wear "cords" on the campus.
- 7—They must sit in the balcony of Meany hall during assemblies.
- 8—They will be forced to use the back entrance to Meany hall.

BIG TEN PROSPECTS GOOD

Chicago, Ill.—(IP)—Prospects for the best year the Big Ten football conference ever has had were seen here when authorities of the conference learned that in every school of the league, coaches had seen the biggest early season turn-out in history.

Coach Bob Zuppke, of Illinois, was enthusiastic over his chances for a third straight conference title when he beheld 70 players on the first day.

Iowa's troubles with the Big Ten failed to dampen the spirit there, for 68 men were on the first day practice list.

SCIENCE MAKES

WAR IMPOSSIBLE

Minneapolis, Minn.—(IP)— Science has made war impossible, Francis P. Garvan of New York, told the American Chemical Society gathered here. "I believe," he said, "that modern chemistry plus aviation has made war impossible. In case of a modern war between great powers it would be foolish and useless for a battleship or cruiser to leave its dock or an army to take the field."

AMERICAN LEAVES \$1,000,000

Bad Nauheim, Germany.—An unidentified "grateful American woman patient" left more than a million dollars (4,500,000 marks) to this spa for research in heart diseases.

Black Reports

(Continued from page one)

1933, graduates of four year accredited colleges and universities will be required to spend an additional year to secure advanced certificates for high school teaching. It must be kept clearly in mind that these provisions have not yet been finally approved. Such action is expected to be taken at the next meeting of the Board which will be held in Seattle during the meeting of the Washington Education Association.

If the three year minimum requirement is adopted it will in time mean the raising of the standards for the granting of life diplomas. Up to 1933, however, two year diplomas will be granted as at present so that students who enter this autumn will not be immediately affected by this ruling.

Supervarsity Ready To Take On Wildcats

That the University of Washington supervarsity team expects to walk awaf with Ellensburg Normal Wildrats, is evidenced from the following taken from U. of W. Daily for Friday, Oct. 4.

The supervarsity grid team has been mobilizing itself slowly but steadily for the past week and should be in good form for its initial tilt with Ellensburg Normal next Friday at Ellensburg.

In view of the fact that the teachers were severely trounced in their curtain-raiser last Saturday by Gonzaga, the Huskies are conceded a fair chance of coping Saturday's combat although their real strength has, as yet, been untested.

A.S.B. NOMINATING COMMITTEE ELECTED

A nominating committee was elected at the first A. S. B. meeting in the assembly, Thursday morning, October 3. This committee will select the nominees for the Student Body officers for the school year. Members of the group include Nell Stewart, Lowell Hawley, George Elliot, Pete Wick, and Mabel Skinner.

Miss Frances Frater, dramatic instructor, told of the work of the Little Art Theatre Guild for the coming quarter. Nell Stewart led the assembly in some school songs, and Scotty MacDnald led in school yells.

Cornell Apples for Patent

Cornell University has applied for a patent for a new and inexpensive process of making milk sugar, a process discovered by Dr. Paul Shorp, professor of dairy chemistry of the University. The process is said to yield a milk sugar not formerly used on the market, which may be substituted for ordinary table sugar.

Plan Elaborate Ceremonies

Elaborate ceremonies are being planned for the opening on Oct. 15 of the William H. Welch Medical Library and the Wilmer Ophthalmological Institute of the Johns Hopkins Hospital and University. Medical men from nearly every country in the world have been invited to attend. Approximately 80,000 books are housed in the new library.

KITTITAS COUNTY HOLDS INSTITUTE

The Kittitas County teacher's institute was held in Ellensburg, Washington, on October 11, 1929, in the high school building.

The institute opened at 8:50 a. m. Invocation was given by Rev. K. E. Burke. M. L. Hawthorne, president of the Kittitas county educational association presided at the business meeting. The speakers were Arthur L. Marsh, executive secretary of the W. E. A.; Donald H. Thompson, supervisor of teacher training in Junior high school department; Dr. N. D. Showalter, superintendent of public instruction; W. J. Rice; Miss Jennie Moore, supervisor of rural training; Miss Caroline White, supervisor of intermediate and upper grade training; Jess Mills, principal of Junior high school and Miss Hazel Halverson, instructor in high school.

Men's Physical Ed Work Begins

The physical education classes start Monday, Oct. 14, under the supervision of Leo S. Nicholson, assistant athletic instructor. Calisthenics, basketball, volley ball, boxing and other games will be played by those who take part in the classes. New equipment is expected to be here before the classes begin Monday. Mr. Nicholson will also handle the intramural sports.

Finest Group of Girls Physically

Miss Alice Wilmarth, head of the department of physical education, is busily supervising the physical examination of all girls in the Normal school. Miss Wilmarth recently made a statement to the effect that this year brings the finest group of girls, physically, that she has ever examined during her career here. W. S. N. S. can well be proud of such a fine record for health is a valuable asset to teaching.

The recreation classes are in full swing with a wide variety of sports from which to choose, including one class in each of archery, baseball, clogging, folk dancing, hockey, natural dancing, soccer and speedball; four classes in lawn bowling and seven classes in tennis.

P. E. Instructor Speaks to W. A. A.

The Women's Athletic association, one of the strongest of women's associations on the campus, met Oct. 9, at 7 p. m. in Kamola hall. Miss Marie Alden, physical education instructor, spoke to the girls on the meaning of W. A. A. She stated that this organization not only exists for points alone but for companionship and good sportsmanship among the girls of the school. In regard to training rules she informed the members that they are going out of style in big eastern colleges. Living a sensible, happy healthy life the year around are the only training rules necessary.

Dues for the W. A. A. are fifty cents a quarter which must be paid within the next two weeks to Orlikka Ganty.

The W. A. A. owns a phonograph which any member may rent for 25 cents a week. Girls are requested to sign for it in Miss Alice Wilmarth's office.

Margaret Short was elected historian in the place of Zelma Vandecar who is not returning this year.

Points for hikes were explained to freshman girls as follows: 2 points for a 5 mile hike; 5 points for a mile hike and 10 points for a 20 mile hike taken with four people. Two additional points are given for organizing a 10 mile hike.

COLGATE TO TRAVEL FAR

Hamilton, N. Y.—(IP)—Colgate's football team is going to be well taken care of on its travels this year if Trainer Jack Rourke has anything to say about it.

The team will travel 5,200 miles during the season, going twice into the mid-west to play members of the Big Ten, and on all such trips, the team will take its own drinking water with it, to say nothing of having special training table menus provided on the dining cars.

Domestic Troubles

Two members of the family of the Rev. William A. (Billy) Sunday have encountered marital difficulties in the past few weeks. Mrs. Harriet Sunday, wife of George Sunday, has brought suit for separate maintenance. Mrs. Mae Sunday has filed suit for divorce from Billy Sunday, Jr.

Supervarsity Game

(Continued from page one)

tion and Exley will go in at fullback.

Huskies Confident

In view of the fact that the Normal was defeated in their opening game by Gonzaga, the Huskies are quite confident of an easy victory although their strength has, as yet, been untested, their scrimmages with the Varsity squad at the University has put them in fine shape for the game.

One of the outstanding prospects on their team is "White" Martin, who apparently has the fullback job all sewed up for himself. He does the passing and his tosses are deadly accurate and fairly powerful.

Another capable backfield man is Gene "Peanuts" Griffin, an all city prepster of three years ago, who is stationed at left half. Griffin lacks somewhat in beef but makes up for it with speed, and is incidentally the fastest man on the squad.

Griffin's running mate, Ross Van Woert, is also a good ball carrier and with Ed Ford, an aggressive signal barker, complete a formidable backfield.

The forward wall includes Johnson and Volkman, ends; Bertche and Douglass, tackles; Lottinbush, guards and Bonamy, center.

Edison Fifth Grade Begins Milk Service

The fifth grade of the Edison school has started the milk service this year, according to Miss Jennie Johanson. The fifth grade is in charge of this work and they deliver the milk throughout the various rooms.

Underweights are urged to drink the milk, and many have signed up for their half-pint of milk each day. In charge of Miss Johanson, they made a trip to the Enfield dairy to observe the cleanliness with which the milk is handled. Their chart will be on display in the intermediate hall of the training school.

STUDY STATE IN WORLD RESOURCES

The class in world resources, taught by B. L. DeWees, instructor in social science, is having a series of interesting lessons. Last Wednesday Mr. De Wees started the quarter's work by taking the students up to Craig's hill to study the contour of the country surrounding Ellensburg, as well as the soil formation.

At present the class is visiting all parts of the state, through the reports of the students who are describing the section from which they have come.

The class will later journey through the other states of our country and from there to foreign lands.

4,900 BOY SCOUTS GUESTS AT ILLINOIS

Champaign, Ill.—(IP)—Four thousand boy scouts are to be the guests of the University of Illinois Athletic Association when Kansas pens the Illinois home football season here Oct. 5. The custom of having boy scouts attend Illinois games in a body one day each season was inaugurated in 1925, and has been increasingly successful since then. In addition to the boys scouts this year, a large number of school children from near-by towns will attend the Kansas game.

FOOTBALL MEN PLAY TAG

Boston, Mass.—(IP)—A part of the regular early season practice of Boston University's football men is a regular game of tag each day. Every player handles the ball, exercises his leg muscles, and learns to think while running, and develops his wind in this way, Associate Coach Robinson declares.

KAMOLA GIRLS DISCUSS RULES

With the green room of Kamola crowded, the hall held its first meeting on Thursday, October 3, having nearly a 100% attendance. The purpose of the meeting was to acquaint the freshman girls and all new members with the house rules, dining room procedure, campus organizations and traditions of school. Miss Muriel McFarland, dean of women, and Mrs. Mildred Bright, housemother, explained various hall situations and discussed many items of importance to the girls.

The officers of Kamola, who were elected last spring, are: Myrtle Hunt, president; Ruth Aufer, vice president; Mary Round, secretary; Irene Bergstrom, treasurer, and Mabel Skinner, social commissioner.

INTEREST SHOWN IN ASSEMBLIES

Black and Smyser Address Students at Regular Meeting

"The assemblies aren't like they used to be. There is always entertainment," said an old timer as he took one of the few vacant seats in the auditorium last Tuesday morning, October 8, at the regular weekly assembly.

President George H. Black addressed the students and faculty upon the new provisions considered by the state board of education at its recent meeting in Olympia. His address was of interest and importance to all prospective teachers as changes are being contemplated in the number of required years in professional training. The fact that especially qualified teachers are in demand should encourage students to enter these opening fields.

Music is to be a special feature of the assemblies this year. The students and faculty were entertained by a solo, sung by Edith Stratton, accompanied by Elsie Hedlund on the piano. In this way the attendance is hoped to be increased.

Selden Smyser, head of the department of sociology, who has been searching out "the trends in education" at Columbia University during the past year, gave an address on "A Year in the East." Mr. Smyser described his trip through the western states, over the Rockies and into the East. He explained the many ways in which New York is a "center" of the United States and of the world. It is a great center of learning, of trade, of industrial research, a home of the people of many lands. And although the East holds a great fascination, Mr. Smyser has a fondness for the West.

Offers Film Rights

A well educated Vienna man has offered to sell the film rights to his suicide, which he is planning for the near future. He plans to blow himself up with a home-made infernal machine.

Tentative Plans

(Continued from page one)

dence, or affiliated dormitory may compete. Three weeks time is no more than necessary to prepare a really good stunt.

Another contest that features the night before Homecoming is that which concerns the welcome signs on or off the campus is eligible to try for the cup offered in this event.

Last year and the year preceding, many beautiful signs were used employing artificial lighting in attractive colors. These must be in evidence on the night of the serpentine and rally and are usually included in the line of march in order to give the judges an opportunity to decide on their merits. Every house organization should be thinking about this "welcome" contest.

On par with the Big Five committee is the Homecoming committee that oversees arrangements for this outstanding fall event.

Acting chairman ex-officio is Clifford Samuelson, president of the A. S. B. With him are the following members each acting in the capacity of chairman on a special committee. A faculty adviser is named with each student chairman. The full committee will be selected by the special student chairman and announced later: Claude Musgrove with H. R. Porter, executive secretary, theatre ticket committee; Leas Bowman, Catherine Connors with Miss Janet Black, theatre decoration; Margaret Wegner, Earl Hickox with Dean Muriel McFarland, dance committee; Norma Berglund with Miss Lila G. Hainer, director of food service, banquet committee; Scotty MacDonald with Mr. Porter, staging committee; Margaret Perry with Mr. Porter, registration; and Mabel Skinner with Miss Frances Frater, dramatic instructor, stunt program committee.

Chinese Youths Arrested

Five Chinese youths, all in their teens, were arrested, tried, and shot within two hours at Shanghai recently when they were apprehended while distributing Communist literature. The youths were arrested in the International Settlement, and turned over to the police.

THEATER GUILD TO GIVE PLAYS

The Little Art Theatre guild is planning to present a group of three plays the latter part of November, according to Miss Frances Frater, instructor in dramatic art. The dates will be announced later. After their appearance here, they will give the plays in Yakima the following week before a women's club.

The themes of the plays include an Irish folk story portraying the superstitions and native peasant characters—a fantasy with an element of comedy of the conflict between the older and younger generations; and a negro tragedy, the exact nature of which is not yet known.

HOME EC CLUB OUTLINES PLANS

The home economics club met for the first time October 8th, with an unusually large number in attendance. Miss Ruth Potter, faculty adviser for the club, outlined the course of procedure for the year. The home economics club will assist with the Christmas tea, the Easter breakfast, a style show which is to be given some time during the fall quarter and will sponsor several college dances during the year. A special program of interest to the members will be given at the conclusion of each regular meeting.

The officers elected are Beulah Gynn, president; Mary Greenup, vice-president; Hannah Weber, secretary and treasurer; Nedra Thurlow and Lauretta Cooke, executive committee. Miss Muriel McFarland, acting head of the home economics department, and Miss Ruth Potter are advisers for the club.

FIND SKELETONS

Vernal, Utah—(IP)—The skeletons of two monster animals, a diplodocus and a brontosaurus, believed to have lived in this country 80,000,000 years ago in the Jurassic period, have been discovered in this vicinity by Barnum Brown, curator of fossils and reptiles at the American Museum of Natural History at New York.

Brown is planning to return here with an expedition in the near future to dig the valuable bones out of the sandstone rock in which they have been preserved for these ages. It is estimated that the work will require two months.

Samuelson Heads

(Continued from page one.)

the benefit of those who had not, the opportunity to do so was given during the latter part of the assembly hour. The initial membership of the clubs this year has been limited to students who have completed at least two quarters of college work.

This enables the freshmen to visit the various clubs and then select the one which they desire.

H. R. Porter, executive secretary, requested that the presidents of the various clubs meet with Dean Muriel McFarland at 4 o'clock, October 14, to discuss plans for Homecoming.

Scotty MacDonald yell king, for A. S. B. led the students in some lively yells in anticipation of the W.S.N. S. and Washington super varsity game.

DAUGHTER BORN TO CRESSMANS

Announcement has been received of the birth of a daughter, Elizabeth Priscilla Acland Cressman, to Dr. and Mrs. Luther S. Cressman. The Cressman's are now located at Eugene, Oregon, where Dr. Cressman is a member of the teaching staff in the department of social sciences at the University of Oregon.

Soccer Game Ends In Tie

A soccer game played last week between Worcester, Mass., and Worcester, England for the purpose of developing friendship between the two communities, ended in a tie match of six goals each. Both teams were made up of amateurs.

Joins Princeton Faculty

Former Attorney General Edward L. Katzenbach, of New Jersey, has joined the Princeton University faculty, where he will teach in the department of politics.

Dr. Prince Dies

Dr. Morton Prince, one of the country's most prominent neurologists, died recently at his home in Boston.

According to Trainer Bert Munhall, Carnegie Tech will have one pound less than a ton of backfield material this year.
