A GUIDE TO ACADEMIC ATTIRE

The caps, gowns, and hoods worn at university functions date back to the Middle Ages. Monks and students of those days wore them to keep warm in the damp, drafty 12th century castles and halls of learning.

VARIOUS DEGREES

Each college degree has a distinctive hood and gown. If more than one degree is held, the gown and hood of the highest degree are worn.

The gowns for the bachelor's degrees have square yoke with shirring across the shoulders and back. The gown is primarily distinguished by its full open sleeves, which come to a point.

The holder of the master's degree wears a gown with a yoke similar to the bachelor's, but the distinctive long, narrow sleeves are closed at the end and trail below the arms. The arm comes through a slit part way down the sleeve.

ACADEMIC COLORS

It is the hood that gives color and meaning to the academic attire.

The border colors for the various academic disciplines are:

Accountancy	Drab
Biological Sciences	Golden Yellow
Chemistry	Golden Yellow
Computer Science	Golden Yellow
Education	Light Blue
Engineering Technology	Orange
English	White
Family and Consumer Sciences	Maroon
Fine Arts	Brown
Geological Sciences	Golden Yellow
History	White
Information Technology and Administrative Management	Red
Law and Justice	Purple
Music	Pink
Nutrition, Exercise and Health Sciences	Golden Yellow
Physical Education	Sage Green
Primate Behavior	Golden Yellow
Psychology (MS)	Golden Yellow
Psychology (EdS)	Light Blue
Public Administration	Peacock Blue
Resource Management	Golden Yellow
Theatre Arts	Brown

TASSELS

Students displaying colored tassels are receiving honors from CWU. Students who are displaying red tassels are graduating Cum Laude or with distinction. Those displaying silver tassels are graduating Magna Cum Laude or with high distinction. Those displaying gold tassels are graduating Summa Cum Laude or with highest distinction.

HONORS

Dean's Scholars are those students who have achieved a GPA that places them in the top five percent of their respective academic college. President's Scholars are those students who have achieved a GPA that places them in the top one percent of their respective academic college. The Medallion Award recipients are graduating students who earn the highest GPA of all students in their respective academic college. All scholars can be identified at Commencement by the gold university medallions worn around their necks.

DALE AND MARY JO COMSTOCK DISTINGUISHED THESIS AWARD

The School of Graduate Studies and Research confers the Dale and Mary Comstock Distinguished Thesis Award, which was established in 1979. The award is announced at Graduate Hooding and Commencement. According to the criteria, only theses of "clearly outstanding quality and significance" are nominated. The Distinguished Thesis Award recipient receives a certificate of award, an official letter of recognition and a cash award of \$1,000. The recipient will also be nominated for the Western Association of Graduate Schools annual competition, held in late summer.

WILLIAM O. DOUGLAS HONORS COLLEGE

This year marks the 40th anniversary of the William O. Douglas Honors College (DHC), Central's premier interdisciplinary program for academically talented students. Named for America's longest serving US Supreme Court Justice, Yakima resident William O. Douglas, the Honors College experience emphasizes critical inquiry, leadership, undergraduate research and civic engagement by integrating residential and co-curricular learning opportunities with academic classroom experiences. DHC students take core honors courses to satisfy Central's general education requirements as well as completing upper-division seminars and a faculty mentored capstone project. Focused on a mission of excellence through inclusive education, the Honors College works to prepare tomorrow's leaders and educators for the diverse challenges of our global future.

COLOR GUARD

Immediately following the procession is the Color Guard. The Color Guard is composed of students from the United States Air Force Reserve Officer Training Corps and the United States Army Reserve Officer Training Corps. These programs are designed to prepare eligible students to assume the responsibilities of commissioned officers in the United States military.

THE MACE

Since the Middle Ages, the mace has served as a symbol of power and authority. Originally designed as a weapon of battle, it gradually assumed a more ceremonial role and was typically carried by kings and church leaders as a sign of office.

Wilhelm Bakke, emeritus professor of Industrial and Engineering Technology, crafted Central's mace. It consists of a shaft of solid walnut, taken from a tree in the Kittitas Valley, surmounted by a four-sided headpiece plated in 24K gold. Three of the sides bear the letters, "C," "W," "U," while the fourth bears the university seal. Two of the sides are backed by the university colors, crimson and black, and the others by the color green, signifying the Evergreen State. The mace, on display in the Board of Trustees meeting room in Barge Hall, is used only for official university functions.

UNIVERSITY MOTTO

Docendo discimus is Latin for "by teaching we learn." That is the motto and driving principle behind CWU, one of six state-assisted, four-year institutions of higher education in Washington. CWU brings university education into communities throughout the state. CWU's residential campus is in Ellensburg, but it is co-located with community colleges in Des Moines, Lynnwood, Moses Lake, Pierce County, Yakima, and Wenatchee. CWU also has

instructional sites in Sammamish and Joint Base Lewis-McChord, and offers fully-accredited online undergraduate and graduate degree programs.

On March 28, 1890, Gov. Elisha P. Ferry signed legislation that created the Washington State Normal School at Ellensburg. Its purpose then was defined as "the training and education of teachers in the art of instructing and governing in the public schools of the state."

Since the first class of 86 students entered in 1891, the school has grown into a comprehensive institution of higher education. Washington State Normal School became Central Washington College of Education in 1937, Central Washington State College in 1961, and achieved university status in 1977.

SPRING AND SUMMER CANDIDATES

The listing of graduates, degrees, and academic honors for spring and summer 2019, in this program are preliminary and subject to final degree requirement evaluation. The posting of the earned degree on the official transcript record in Registrar Services remains the official testimony of possession of the degree. The diploma of CWU, signed and sealed by its appropriate officers, is a document bearing public notification of the degree.

ELLENSBURG COMMENCEMENT SPEAKER

ROBERT NELLAMS
Director of the Seattle Center

Robert Nellams is the director of the Seattle Center, where he oversees day-to-day operations. His notable three-decade career in public service began when he was hired as an accountant for the City of Seattle immediately after earning a BS in Accounting from CWU in 1982.

Nellams joined the Seattle Center in 1996 as its director of patron services and was promoted to deputy director just 18 months later. He then served as interim director prior to his appointment as permanent director in 2006.

During his years there, he has worked closely with numerous organizations using the campus for arts, culture, sporting and entertainment events, while directing a staff of 240 full-time employees and more than 650 temporary and seasonal staff. He has also spearheaded efforts to make a number of sweeping changes at Seattle Center, including the Seattle Opera expansion and redevelopment of KeyArena.

Nellams is vice-chair of the CWU Board of Trustees, having been appointed to a six-year term on the university's governing board by Gov. Jay Inslee. He previously served as chair of the CWU Foundation Board and for many years has been an active member of the Breakfast Group, a Seattle-based non-profit service organization devoted to mentoring African-American and other low-income and at-risk young men of color. He is also a former trustee of the Mount Zion Baptist Church.

* Spring, summer and fall 2019 candidates are pending degree completion and honor distinction requirements.

Alma Mater

UNTO THEE OUR ALMA MATER,
HERE WE PLEDGE DEVOTION TRUE.
YEARS MAY PASS AND TIME MAY BRING
US MANY A TASK THAT'S HARD TO DO.

STILL WE'LL SING THE OLD SONGS OVER,
STILL WE'LL CALL THE OLD DAYS BACK.
STILL WE'LL CHEER THE BEST OF COLORS;
HAIL THE CRIMSON AND THE BLACK.

STILL WE'LL SING THE OLD SONGS OVER,
STILL WE'LL CALL THE OLD DAYS BACK.
STILL WE'LL CHEER THE BEST OF COLORS;
HAIL THE CRIMSON AND THE BLACK.

*hail the crimson
and the black*
