1989 Freshman Record
Sponsored by: Residence Hall Council
June, 1989

Dear Central Freshman:

Congratulations on making the decision to attend Central Washington University. I guarantee that you have made a wise decision.

I can assure you that our faculty and staff are prepared to work with you in a rigorous program of exploration and learning. You will be challenged and expected to work hard. We will be with you all the way and you can count on us to work with you.

Having fun along the way is also part of college life. The university offers many opportunities to assist you. Take advantage of these.

The most important thing for you to remember is that the success of your college experience will be a direct result of your involvement. If you involve yourself in the classroom, residence hall, intramurals, student government, recreation, student projects, church, clubs, etc., you can rest assured that these will be years which transform your life for the years to come.

I look forward to meeting you. I wish you every success in your life ahead as part of Central Washington University.

Sincerely,

[Signature]

Welcome to Central
Self-motivation is the power that raises a man to any level he seeks.
June, 1989

Dear Central Freshman:

On behalf of the Residence Hall Council, we the Executive Officers, would like to welcome you to Central Washington University. Central offers a wide variety of activities for the students. Some of the activities include: Wildcat Week, Homecoming Activities, dances, lip-syncs, Wild Boar Dinner, river raft trips, barbecues, Spring Carnival, and numerous Hall activities.

In order for you to obtain the most out of your Central experience we encourage you to become involved in campus wide activities, clubs, and organizations. There is a wide variety of clubs and organizations on campus to meet each of your interests. One of these organizations is Residence Hall Council (RHC).

RHC is the largest student run organization on campus. Every resident in a Residence Hall is considered a member. RHC is the governing body of Central Washington university Residence Halls, which acts as a liaison between students, administration, and other campus groups. RHC promotes a cooperative system for the general welfare of the Residence Halls. We place a special emphasis in promoting academic, cultural, intellectual, recreational, and social programing for the Residence Halls.

We encourage you to become a part of your Hall, intermingle with others, make lasting friendships and enjoy your college years. If you have any questions whether it's about RHC or just campus life, feel free to stop by our office or call.

Sincerely,

Eric K. Peter
