## Facts About Central/2

Presently Central has 64 buildings spread over 218 acres. The estimated worth is more than \$30 million. In 1953 the legislature authorized the College to grant the B.A. degree. In 1937, it became Central Washington College of Education. The legislature authorized B.A. degrees in Arts and Sciences and the Master of Education degree in 1947. In 1961, the name was changed to Central Washington State College. CWSC is accredited by the National Council for Accreditation of Teacher Education and the Northwest Association of Secondary and Higher Schools. Too, it has been approved by the United States Attorney General as an institution for non-quota immigrant students. Master of Arts and Master of Science degrees are now offered in music, art, psychology, biology, English, history, mathematics, and chemistry.

## THE EVERGREEN CONFERENCE

Organized in the fall of 1948, the Evergreen Conference is beginning its 22nd year of athletic competition. With a reputation for being one of the top small-college circuits on the West Coast, its member institutions, although all in the State of Washington, draw athletes from all parts of the United States and western Canada.

The Evergreen Inter-Collegiate Conference, as it is officially known, is the outgrowth of the six-team Washington Inter-Collegiate Conference which was disbanded in favor of the present set-up. Central Washington State College was granted membership in the new league along with Puget Sound, Western Washington, Pacific Lutheran, Whitworth, Eastern Washington and St. Martin's.

Eventually the University of British Columbia entered the league on a trial basis but withdrew in 1958. St. Martin's dropped football with the outbreak of the Korean War and also withdrew its membership in the league.

Throughout the years, the Evergreen Conference has been one of the strongest organizations in the Northwest. However, in the spring of 1964 the group momentarily tottered on its foundations as charter member Pacific Lutheran University announced its withdrawal from the Conference in favor of the Northwest Conference. University of Puget Sound followed suit in January, 1967.

Southern Oregon will join the Conference in fall, 1970.

Head Coach

GARY FREDERICK

## GARY FREDERICK

### Baseball Coach

Coach Gary Frederick came to Central after coaching football and baseball at Thorp (1959-60), Waitsburg (1960-63) and Central Kitsap (1963-67) high schools. Frederick's high school record in football was 36 wins, 17 losses and 2 ties.

Having played four years of varsity football at Central (1955-59), Frederick came well equipped when hired to be assistant football coach and head baseball coach. Playing offensive center and defensive linebacker while at Central, Coach Frederick was selected as All-Evergreen Conference (1957-58). Gary was coached by Abe Poffenroth and Adrian Beamer, both still at Central.

In the past two years since Coach Frederick has taken over as head baseball coach, Central has compiled a record of 48 wins, 22 losses and 2 ties. The Wildcats have won:

Head Coach

ART HUTTON

**ART HUTTON**

**TRACK COACH**

If seven is a lucky number the opponents of Central should realize Coach Hutton is starting his seventh year at the helm of the Wildcat thinclads. More good fortune would, indeed, make the 1970 track and field team a tough adversary.

The beginning of Art's successful career started at Clover Park High School in 1949 upon his graduation at the University of Washington. In six years under Hutton, Clover Park won 5 Puget Sound League titles, three West Central-Tacoma titles and in 1952, took the state championship at Pullman. 1953 saw them win 3 first places and place 2nd behind Walla Walla. Art coached track and football for three years at West Valley of Yakima. Then spent the next five years as football coach and athletic director and assistant track coach at Eisenhower High School in Yakima.

Coach Hutton has had several honors bestowed on him since being at CWSC. In 1967 and 1968 he was voted Area I NAIA Coach of the Year in Track and Field. Area I takes in the Pacific Coast states, Montana and Idaho. Last year Art was named Coach of the Year by the Yakima Monday Morning Quarterback Club.

PROSPECTUS

Dick Bedlington could be strong in the javelin. Team objectives are to break ten school records and place in the first five teams at Nationals.
