Dear Terri:

I am the sister of Maj. Larry J. Hanley. We met last year at the "BRING A HERO HOME" rally and fundraiser held in Ellensburg last year.

I have been putting a book together of all the information, pictures, mementos, news article, etc. concerning Larry. My mother worked hard on everything she could do to find and get Larry back home. She collected a lot of news articles and I am sending you a couple that concern San and your parents. One was published by the Diocese of Spokane paper, Inland Register, and one by the Walla Walla Union Bulletin. They might be something that you don't have.

Today it was on my mind to get these in the mail to you, so I looked on line to see if any progress has been made since you got news of San's grave having been marked earlier this spring. This afternoon I decided to call Ruben Garza of the Mortuary Affairs Division at Dover AFB. I usually call him a couple times a year as he was the one who handled Larry's funeral arrangements. I also told him about San's story. He then told me that he spoke with you a couple hours before I called him. Quite a coincidence!

Best of luck with your quest.

Sincerely,

JoAnn Aliverti

P.S. I hope this is your address.
