GARY FREDERICK

Athletic Director, 18th Year

Frederick is in his 18th year as CWU's athletic director. He was selected the NAIA National Administrator of the Year for the 1987-88 year.

During Frederick's tenure at CWU, he helped develop the Wildcat athletic program into one of the top NAIA small-college programs in the country. Now under Frederick's leadership, the university will move its athletic program into the PacWest Conference and NCAA Division II affiliation beginning this fall.

For 10 consecutive years between 1982-83 and 1991-92, CWU was ranked in the Top 8 in the NAIA Men's All-Sports competition. Central won the 1986-87 men's all-sports title.

Frederick, 61, has a long affiliation with Central. After graduating from Raymond High School in 1955 where he was all-conference in football, basketball and baseball, he enrolled here.

He lettered in football three years (1956-58) and earned second team all-conference honors in 1957 and first team honors in 1958 at offensive center.

He graduated in 1959 with a bachelor of arts degree in education and later earned a masters in physical education from Central and a doctorate in secondary education from the University of Idaho in 1974.

Frederick coached basketball and baseball at Thorp High School (1959-60); football, basketball and track at Waitsburg High School (1960-63) and football and baseball at Central Kitsap (1963-67) before returning to Ellensburg in 1967.

From 1967 until 1983, he served as an assistant football coach and was head baseball coach from 1968 until 1978 when he resigned to take over the chairmanship of the physical education department.

He gave up the that job when he was named to succeed Adrian "Bink" Beamer as athletic director in the fall of 1980.

Frederick is CWU's winningest baseball coach. In 11 seasons his teams won 234 games and lost 147 and qualified for the NAIA College World Series in 1968 and 1970. Three times (1969, 1970 and 1971) he was named District 1 Coach-of-the-Year.

Frederick also served as CWU's women's basketball coach between 1983 and 1993. In 11 seasons, his teams won 164 games and lost 146 and twice (1986 and 1988) he was named District 1 Coach-of-the-Year. In the 1987-88 season, he led CWU to a 31-5 overall record and its only District 1 title.

For the past three springs, Frederick has served the university as its women's softball coach, compiling a record of 43-56.

Frederick was on sabbatical during the 1993-94 school year and served the NAIA as its interim Director of Championship Events.

PacWest Conference

The Pacific West Conference, with roots extending back to 1981, continues in its quest to bring together some of the most successful and well-respected athletic programs in the West.

Beginning last fall, that movement intensified with the merger of existing members from the PacWest and PNWAC along with Western Oregon, Humboldt State, Hawaii Pacific and BYU-Hawaii.

The Pacific West Conference was initially formed by a merger of the Great Northwest and Continental Divide conferences in May of 1992. It is now comprised of 16 NCAA Division II programs from seven states and British Columbia.

The Pac West will sponsor championships this season in men's and women's basketball, men's and women's cross country, women's volleyball, softball and men's and women's track-and-field.

Central will compete in the West Division along with Lewis-Clark State, Saint Martin's, Simon Fraser, Western Oregon, Seattle Pacific, Western Washington and Humboldt State. Alaska-Anchorage, Alaska-Fairbanks, Hawaii Pacific, BYU-Hawaii, Chaminade, Hawaii-Hilo, Montana State-Billings and Western New Mexico make up the Pacific Division.

The PacWest, which covers four time zones, is truly a unique conference. It is also a most competitive coalition. PacWest member Hawaii Pacific won the NCAA Division II national volleyball title this fall. Five current PacWest men's basketball members competed in NAIA or NCAA post-season play last year.

^{*}Regular-season champion. Prior to 1983 playoff participants were decided by Kraus Kount (1977-82) or by district executive committee. Regular-season champions won playoff except in the following years: 1985 - CWU; 1989 - CWU; 1991 - Whitworth (co-champion); 1992 - Lewis-Clark State; 1996 - Lewis-Clark State. The NAIA abandoned the district format in favor of conferences and regions following the 1992-93 season. After competing as a region in 1993-94, the same seven teams formed the Pacific Northwest Athletic Conference in 1994-95. The PNWAC disbanded prior to the 1998-99 season with five of the six schools joining the NCAA Division II PacWest Conference.

The Leo Nicholson Award

1974 Central Washington

1975 Central Washington

In 1971 a group of Ellensburg businessmen purchased a trophy to be presented each year to the top small-college basketball team in the Pacific Northwest.

The trophy is awarded to the school determined to be the outstanding team by a panel of sportswriters, broadcasters and sports information directors, who also select a Coachof-the-Year.

The award honors the memory of the late Leo Nicholson, who won 505 games at Central from 1930 to 1964.

Central, under the direction of Leo's son Dean, won the award nine times and the younger Nicholson was voted the Coach-ofthe-Year three times. Gil Coleman won the Coach-of-the-Year award posthumously in 1995.

THE PAST

Leo & Dean Nicholson: 1,114 Wins

Central Washington University, which ended its NAIA affiliation last spring and now is a member of NCAA Division II, is the winningest team in the history of the NAIA national tournament with 46 victories.

CWU also holds the record for most appearances and consecutive appearances. The Wildcats participated in their 27th national championship last year. Between 1974 and 1982, Central put together a string of nine straight national tournament appearances.

In 87 seasons, CWU teams have won 1,389 games and lost 743, a winning percentage of .652. Even more remarkable is the fact a father-and-son coaching combination is responsible for nearly 90 percent of the wins.

Leo Nicholson coached 505 victories in 33 seasons winning nine conference titles before retiring in 1964. Son Dean won 609 games in 26 seasons. Dean, with 38 victories, is the winningest coach in the history of the NAIA national tournament.

CWU won 14 Evergreen Conference titles and shared the WIBA championship in 1980 (its only year of existence) under the younger Nicholson's coaching.

The Nicholsons are the winningest father-son coaching combination in the history of collegiate basketball with 1,114 victories. The historic 1,000th win came on Dec. 12, 1986 when CWU defeated Northwest Nazarene 76-71 in a tournament at Whitworth College.

Dean joined his father in the exclusive 500 victory club on Jan. 6, 1987 when the Wildcats stopped Pacific Lutheran 70-53 at Nicholson Pavilion.

In district, regional and conference playoff competition, the 'Cats have won 72 games and lost 23 and have won 27 titles, 22 during Dean Nicholson's 26-year tenure as head coach. CWU won 19 straight district playoff games between 1976 and 1982.

CWU's best finish at the national tournament came in 1970 when it placed second and Nicholson was selected the NAIA National Coach-of-the-Year. The 'Cats also finished third in 1967, 1969, 1987 and 1989 and fourth in 1985. CWU reached the quarterfinals of the national tournament in seven of its last nine appearances.

First team All-American honors have been won by four CWU players - Mel Cox in 1967, Paul Adams in 1970, Rich Hanson in 1973 and Jason Pepper in 1993. Twenty other players won sec-

ond team, third team or honorable mention honors, including Leon Johnson, a second team selection last winter, and Tyce Nasinec, who earned honorable mention honors a year ago. In 1987, Ron vanderSchaaf, who was named to the second team, was selected in the seventh round of the NBA draft by the Los Angeles Lakers.

CWU has had three coaches or administrators inducted into the NAIA Basketball Hall-of-Fame. Leo Nicholson was honored in 1964. Perry Mitchell, a long-time CWU administrator and former university president, was selected for his general contributions to NAIA sports. Dean Nicholson was inducted to the hall in 1986. Dean was also named to the NAIA's 50th anniversary all-star team in 1987.

Two Wildcat players have been tapped for special national tournament honors. Dave Benedict won the Charles Stevenson Hustle Award in 1967 and Dave Allen won the same award in 1970. The CWU team won the coveted James A. Naismith - Emil S. Liston Sportsmanship award in the 1967 tournament and again in 1989.

Dean Nicholson

One of the greatest basketball coaches in college basketball history at any level.

That is the best way to describe Dean Nicholson, who was Central Washington University's head basketball coach for 26 seasons before retiring following the 1989-90 campaign.

Nicholson, who won 889 games in a career than spanned five decades, completed his career at Yakima Valley College last winter, guiding the Indians to a 22-11 record. In three seasons at YVC, he won 72 games and lost 24, including a 26-5 record in 1996-97 when he led Yakima to a third-place finish in the NWAACC state tournament.

Prior to taking over at YVC, Nicholson had been retired since completing a two-year stint (1991-92) with the Yakima SunKings of the CBA.

In his final season at Central in 1990, Nicholson became only the 17th coach in the entire history of intercollegiate basketball to win 600 games.

He also qualified his team for the NAIA national tournament in Kansas City for a record 22nd time and he became the winningest coach in the history of the national tournament with 38 victories.

Nicholson is a member of three Hall-of-Fames - the Washington State Basketball Coaches Association Hall-of-Fame, the CWU Hall-of-Fame and NAIA Hall-of-Fame.

Only twice in 26 years at CWU did he fail to win at least 20 games. Six times he guided teams into the NAIA Final Four, placing second in 1970, third in 1967, 1969, 1987 and 1989 and fourth in 1985.

His 1970 squad won 31 games, including a school-record 25 straight, and he was voted NAIA Coach-of-the-Year. In 1987, the 'Cats posted a school-record 32 wins and Dean was selected Northwest Small-College Coach-of-the-Year for the second time in his career. His 1989 team equaled that school record with 32 victories. He also won the Northwest Coach-of-the-Year award following the 1990 season.

On seven different occasions he was voted NAIA District 1 Coach-of-the-Year. In 1987, he was voted as one of the five coaches on the NAIA's 50th anniversary all-time team.

Nicholson received numerous other honors during his illustri-

ous coaching career. In 1970 he coached at the USA - Pan American Developmental Camp. He was the NAIA representative to the U.S. Olympic Basketball Committee and coached at the Olympic camp and trials in 1971 and 1972.

He was the head coach for AAU teams which toured South America in 1972 and 1973 and for the NAIA All-Star team in the Cup of Nations tournament in Colombia in 1974.

He was an assistant coach for the West team in the 1982 National Sports Festival in Indianapolis, Ind., and served as a member of the NABC's Hall-of-Fame committee. A charter member of the CWU Hall-of-Fame, he was inducted into the NAIA Hall-of-Fame in 1986, joining his father in that institution.

Nicholson and his father Leo are the winningest father-son

coaching combination in the history of collegiate basketball with 1,114 victories at the fouryear level. Leo won 505 games from the fall of 1929 before retiring in 1964.

Nicholson also enjoyed a great playing career at CWU. He earned all-conference honors four straight seasons in basketball, leading the Wildcats to a conference title in 1947 and their first NAIA national tournament berth in 1950.

He scored 1,377 points which still ranks eighth on the school's all-time list. In 1950, he made 83 percent of his free throws, the 10th best single-season mark in school history.

Nicholson also lettered in tennis and baseball. He led the Evergreen Conference in hitting in 1950. Off the field, he was elected president of the student body.

After earning a bachelor of arts degree in 1950, he taught mathematics and served as the head basketball coach at Puyallup High School for 14 seasons, winning five Puget Sound titles and compiling a record of 192-113.

In the fall of 1964 he returned to Ellensburg after being named to succeed his father as head basketball coach. In addition to coaching basketball, he was the school's baseball coach in 1967 and tennis coach in 1965 and 1966 and from 1968 until 1978.

Nicholson earned his masters degree from CWU in 1957. He also attended the University of Washington, Oregon State University, Seattle Pacific University and Western Washington University. In 1983 he was honored with CWU's Distinguished Teacher award.

Nicholson was born June 28, 1926 in Seattle. He graduated from Ellensburg High School in 1944 where he earned all-state honors in basketball and was a Yakima Valley tennis champion.

He and his wife, Charlene, who now reside in Concord, Calif., were married June 18, 1948. They have two grown sons, Joel and Gary.

THE UNIVERSITY

DR. IVORY NELSON

President

Dr. Ivory Nelson was appointed Central Washington University's 11th president in Jan., 1992.

Nelson, 63, a 33-year veteran of leadership at every level of higher education - research universities, four-year schools and

two-year schools - headed the five-campus Alamo Community College District in San Antonio, Tex., for the previous six years before becoming CWU's president.

Nelson earned his Ph.D. in analytical chemistry at the University of Kansas. His undergraduate degree in secondary education and chemistry is from Grambling State.

He took the helm of the San Antonio community college district in 1986 and guided it through several severe state budget cutbacks.

Prior to 1986, Nelson worked 18 years as an administrative leader and chemistry professor in the Texas A&M university system. He served three years as executive assistant to the chancellor of that four-university system, as well as one year as acting president of Prairie View A&M.

Nelson also served as vice-president for research and special programs and as assistant dean of academic affairs at Prairie View.

During the 1960s he worked as a chemistry professor and chairman of the division of natural sciences at Southern University, Shreveport, La., and as a chemistry professor at Southern University, Baton Rouge, La.

Inducted into the Phi Beta Kappa honor society at the University of Kansas, Nelson won a Fulbright lectureship in chemistry to the Universidad Autonomous de Guadalajara in 1966. He received a DuPont teaching fellowship at the University of Kansas in 1962.

Nelson and his wife, Dr. Patricia Nelson, have four grown children.

ABOUT THE UNIVERSITY

Central Washington University was founded on the premise "Docendo Discimus," by teaching we learn, conveying the reality that learning is interactive and those involved in the process of learning are interconnected.

The university is committed to teaching as the means to facilitate learning. All members of the university community support a relationship between teacher and student, which makes both partners in learning, scholarship, research, creative expression and the application of knowledge to solve human and societal problems.

Established in 1891, CWU is one of six state-supported institutions offering baccalaureate and graduate degrees. On the university's 350 acre campus are 21 academic buildings housing more than 100 classrooms.

Points of interest include a botanical greenhouse, an arboretum, a Japanese garden, an arts complex housing the Spurgeon Gallery, McConnell Auditorium, Tower Theatre and the Hertz Music Performance Hall plus Tomlinson Stadium and Nicholson Pavilion. The latter two are the home sites for the Wildcat football and basketball teams.

Originally known as Washington State Normal School, the institution became Central Washington College of Education in 1937, Central Washington State College in 1961 and Central Washington University in 1977.

CWU is located in Ellensburg, a rural community of approximately 13,000 people. Ellensburg is near the geographical center of the state, about 110 miles east of Seattle and within easy driving distance of all the cultural, scenic and recreational areas of the state.

The city lies in an irrigated valley dotted with ranches and farms at the base of the Cascade Mountains. Outdoor activities abound. The city is noted for its rodeo and the area boasts of hiking, skiing, fishing and hunting.

Ellensburg is involved with Central and cares about the students who contribute to the diversity and success of the community.

NCAA

Beginning this year, Central will compete at the NCAA Division II level. It has been a provisional member for the past three years, while attempting to gain full member status.

The National Collegiate Athletic Association is the organization through which the nation's colleges and universities speak and act on athletics matters at the national level. It is a voluntary association of more than 1,200 institutions, conferences, organizations and individuals devoted to the sound administration of intercollegiate athletics.

Through the NCAA, member colleges consider any athletics problem that has crossed regional or conference lines and has become national in character. The Association strives to maintain intercollegiate athletics as an integral part of the educational program and the athlete as an integral part of the student body. The NCAA also stands for good conduct in intercollegiate athletics and serves as the colleges' national athletics accrediting agency.

It was the flying wedge, football's major offense in 1905, that spurred the formation of the NCAA.

The game's rugged nature, typified by mass formations and gang tackling, resulted in numerous injuries and deaths and prompted many institutions to discontinue the sport. Others urged that football be reformed or abolished from intercollegiate athletics

President Theodore Roosevelt summoned college athletics leaders to two White House conferences to encourage such reforms. In early December 1905, Chancellor Henry M.MacCracken of New York University convened a meeting of 13 institutions to initiate changes in football playing rules.

At a subsequent meeting December 28 in New York City, the Intercollegiate Athletic Association of the United States (IAAUS) was founded by 62 members. The IAAUS officially was constituted March 31, 1906, and took its present name (NCAA) in 1910.

For several years, the NCAA was a discussion group and rulesmaking body; but in 1921, the first NCAA national championship was held: the National Collegiate Track and Field Championships. Gradually, more rules commitees were formed and more championships were held.

The Association's membership was divided into three legislative and competitive divisions in 1973 at the first special Convention ever held. Women joined the NCAA's activities in 1980 when Divisions II and III established 10 championships for 1981-82. A year later, the historic 75th Convention adopted an extensive governance plan to include women's athletics programs, services and representation.

The NCAA has grown dramatically in the past 40 years, with more than 600 new members since 1950.
