Dear Blanch and Harry:

Carol called us Saturday about Aunt Nelle. We were so sorry to hear but know she was ready to go and we were glad her last illness was short – for her sake as well as yours. Glad too that Vera could come to share the last responsibilities with you. It's a hard time as I well know, but I'm sure you have done much for her in the past many years and that she enjoyed her time with you. You'll miss her surely but we feel sure your services to her were many and well received. Bless you in your thotfullness (thoughtfulness) of the past years and days.

These things always remind us of the past as it seems and I've been remembering our early family get together in Sidney and Savage and of those years of closeness of the Brown family. We did have a lot of good times, didn't we? And everyone seemed to get along harmoniously and joyfully. Get togethers in those days meant a lot of time and effort in getting from place to place alone. Now days its so much easier as will be shown when the cousins gather in August. Memories will be dominate then I'm sure.

We did not send flowers but am enclosing a check to be used as you see fit towards memorial or expenses or any way needed. Much can be down with a few of these small amounts and often seems better than flowers. It is a small tribute to a very nice aunt.

We are hoping that Betty and Lou and the girls will visit us in a week or so. Betty called that they hoped to get here but not definite as to time. Its been a hard school year for Betty she says and was eager to have a visit.

Please remember that we are thinking of you and know the loss you are experiencing. You've done much for Aunt Nelle and know she appreciated all of your efforts and kindnesses.

Very much love

Carolyn and Boynton
