Letter (starts inside of card and continues to the back of card)

Isn't it terrible to be so late? Jack said they had had their pictures taken and would be sent and since Bill and Bob had "annual" pictures too I thot I might get cards but Jacks still haven't come. Our snow all gone and temperatures mild and its hard to get excited for Christmas. Have decorations up and that may help of course. We made swatches and wreaths at hobby club the other night and had a lot of fun doing it. Have wreath at each door now – outside I mean.

Boynton keeping busy with spuds and I here. It's a good thing. Bill will be home Friday and Bob gets out of school Tues. but will have to stay here for vacation because hire man taking his time off now to see new grandchild. Too bad to tie the boys up that much but they can vacation later on I hope. Jack is ok but doesn't' know about Christmas plans yet.
