Letter

I feel like a bit more visiting so will include this extra –

We had a nice (brief) visit with Frank Kemmnis and wife and expect you will have had a call from them too by now – as they expected to go to Sidney – Frank didn't seem quite like we remembered him – but I enjoyed the visit very much.

Mr. + Mrs. Brattice had called on us too, just the week before and visits with our farmer neighbors is always such a pleasure – we are expected several more such visits soon. Leonard will come early in July – Betty too some time and Edna said they might come again too, if Harold could arrange to drive up.

Dads condition does not improve, but he is looking forward to see the children and hope the weather won't be too warm this summer. It's beautiful now – but the hot days are hard on both of us – tho the electric fan helps a lot. A neighbor helps me handle Dad now, when I try to get him up. Hope all is going well now. Suppose Joyce is happy and living a joyous live in her new home. Good wishes – Good Luck – and best wishes for all – Lotta and E.B.
