FOREWORD

This bibliography of publications by members of the present and former faculty of Central Washington College of Education has been prepared for the purpose of making a record of their printed and creative productions. Bulletins of this nature were published in 1941 and 1946. This bulletin includes the material in those former publications and embraces the period from 1891, when the college was established, to 1950. We are indebted to Mr. Ernest L. Muzzall, Director of Instruction, for bringing this bibliography up to date. We are also indebted to Mrs. Wanda Whitson for her help in the editorial work.

It is likely that the list is not entirely complete, especially in the cases of members of the faculty in the early years. No effort has been made to include newspaper writing and minor items. Otherwise this is a fairly complete record.
