Old Business

- A. Return of Second Baccalaureate Degree for different rationale
The committee discussed language for both the policy and rationale. The committee ran out of time for a vote and was agreed that an e-mail vote would take place on this language. The policy language and rationale were approved via the e-mail vote.

(E) Second baccalaureate degree students may request from the department that any requirement of a minor be satisfied by the initial bachelor's degree earned provided that the requirements of the minor were completed in prior course work.

Rationale:

Students who have a baccalaureate degree and are pursuing a second major that requires a minor as part of the degree are requesting the minor be waived; however, most of these students already have the equivalent of at least a minor prior to being admitted to the second major/degree program.

- B. Return of Board of Academic Appeals Procedure
1. Concerns: Use of the word discriminatory without any definition, correct the word affect to "effect", look at changing chair response time to 15 days instead of 10.

Joe moved to approve the return of academic appeals procedure. Megan seconded. Motion was approved.

New Business - None

Meeting was adjourned at 4:20 p.m.

Next meeting date April 29, 3:15, Barge 410 (and telecon)
