Announcements - None

FCSF 101 Skills for Marriage – Committee reviewed the revised course description and outcomes. Cynthia moved to not approve the course as submitted. Bobby seconded. Committee voted to not approve the course for general education.

FIN 364 Personal Finance – Janet reported that the course was approved by the Curriculum committee. Scott indicated that there was a 300 level course in the basics skills prior to 1997. However, the 75 credit rule was not in effect at that time. Duane suggested talking to department about putting it in basic skills. Scott indicated he would talk with his staff on the west side to see what the demand would be. Janet will check with the department about putting the course in basic skills and how often the course will be offered. Greg moved to table the discussion on this course pending responses the Finance department and Scott regarding the advising impact. Cynthia seconded and motion was approved. It was sentiment of the committee that the course does not fit in breadth but fits in basic skills.

AIS 101, 102 & 103 would like to have the “W” designation added to these courses. Bobby moved to approve the AIS courses for W designation. Greg seconded. Motion approved.

ABS 110 – deletion of writing designation – ABS course was a linked course with ENG 101 course. It is no longer linked and does not adherence to the criteria or principle of seven pages of assessed writing. Megan moved to remove the W designation from ABS. Duane seconded and motion passed.
