REVIEW OF ADMINISTRATION

Continued discussion of the concept of faculty review of administrators. Rob felt there was no sense of urgency to revise the Senate's document because no review is scheduled to be held this year. He suggested telling the executive committee the sense of the FSEA Committee was to wait until a new president comes on board. The committee voted to support that position as a motion. However, the committee will continue working on the administration evaluation review document.

SEOs FOR DISTANCE EDUCATION

The committee completed its revision of the evaluation tool.
