PRE-REGISTRATION AND REGISTRATION INSTRUCTIONS FOR

WINTER QUARTER 1988

Mitchell Hall, First Floor

November 10-19, 1987

Students who do not take advantage of preregistration will be allowed to register for Winter Quarter on January 4, 1988.

Students will be allowed to pre-register at their designated time or later but will not be allowed to pre-register before their appointed time.

PRE-REGISTRATION PROCEDURES ARE AS FOLLOWS:

1. Seek academic advisement from advisors.
2. Select courses from Course Schedule Booklet, referring to changes in course offerings.
3. Courses requiring permission must have appropriate signatures on the registration form.
4. The department, course number, section number, credits, days, time and building must be completed in full for each course you are selecting.
5. The following items must also be completed: student number, name, university and grade mailing address, quarter, year, class and phone number.
6. When your registration form is completed, please submit the form to a terminal operator.
7. The last day of preregistration is reserved for change of schedule and late registrations.
8. A preregistration confirmation of \$50 will be required of all students by December 1, 1987. The \$50 will apply toward Winter Quarter tuition and fees.
9. Failure to pay the \$50 will result in the cancellation of pre-registration. Students who are cancelled will be allowed to register on January 4, 1988.
10. The registration process on January 4, 1988 will include steps one through six.

Graduate advanced degree students registering for more than 18 credits will pay an additional \$52 per credit for residents and an additional \$171 per credit for non-resident students. S.E. Asia Veteran will remain at \$153.

All courses taught through continuing education must be self-supporting. The waiver of South East Asia Veterans, University Staff and Senior Citizens does not apply. Full-time students must pay additionally for each continuing education course included in their schedules.

\$42.00 per credit for all courses numbered 100 through 499.

\$60.00 per credit for courses numbered 500 and above.

Students enrolling for on campus courses, day and/or night and campus based courses must pay the Health Center fee of \$15.00 per quarter.

TUITION AND FEE PAYMENT POLICY

1. When a student registers for classes a financial obligation to the University is incurred and adjustments will be made according to the current refund policy.
 2. All tuition and fees are due at the beginning of the quarter and must be paid prior to the sixth day of instruction.
 3. Tuition and fee adjustments will be made for adding and/or dropping a course prior to the sixth day of instruction.
 4. Tuition and fees for on-campus and off-campus night students will be due prior to the third class meeting.
-

WITHDRAWAL POLICY

A student may make an uncontested withdrawal from a course through the end of the second week of class. Between the beginning of the third and the end of the fifth week a student may withdraw with the signature of the instructor and will receive either a WP or a WF. There is no refund for individual course withdrawals.

Withdrawals after the fifth week will be allowed only in cases of extreme hardship. A student wishing to withdraw during this period must present a written petition to the Dean of Admissions and Records, with a copy to the instructor. If the Dean of Admissions and Records determines that there are extenuating circumstances, the student will receive a WP.

Dates for Winter Quarter 1988

Uncontested Withdrawal Period Deadline January 15
Last Day to Withdraw with Permission February 5

INCOMPLETE POLICY

An "I" (incomplete) when recorded, is not a qualitative grade. Rather, it is a symbol which means: "This student was not able to complete the course by the end of the term, but had satisfactorily completed a sufficient portion of it and can be expected to finish without having to re-enroll in it."

An "I" is not used in computing a grade point average.

Unless the Incomplete is removed and a grade submitted by the instructor within the space of one calendar year, the "I" will convert to an F.

NEW POLICIES AND COURSES

Admission to any mathematics course requires a grade of C- or better in each listed prerequisite to that course.

- **** If a student fails to attend a class by 5:00 p.m. on the 3rd day after classes have begun, the instructor MAY drop the student from the class roll. Students should not assume they will automatically be dropped from a class they do not attend.
-

REPETITION OF COURSES

Any course may be repeated. All grades earned will be used in computing the grade point average. Successful repetition of a course previously passed carries no additional credit, unless otherwise indicated in the course description. Courses may not be repeated on a credit/no credit basis.

The World Is Still The Greatest Classroom Of All.

Applications are now being accepted for the University of Pittsburgh-sponsored Semester at Sea.

Each fall or spring 100-day odyssey aboard the American-built S.S. Universe literally offers you the world.

You can earn 12-15 transferable units from your choice of more than 50 lower and upper division courses, while calling upon places as culturally diverse as Japan, Hong Kong, India, Turkey, the Soviet Union, Yugoslavia and Spain.

It is a learning adventure designed to transform students of every color, race and creed into true citizens and scholars of the world.

For full information, including a catalog and application, call 1-800-854-0195 / 1-412-648-7490 in PA. Or write Semester at Sea, Institute for Shipboard Education, University of Pittsburgh, 2E Forbes Quadrangle, Pittsburgh, Pennsylvania 15260.

Then prepare for the learning adventure of your life.

GENERAL REGULATIONS

Classification of Students

Class rank is based upon the number of quarter hours earned as follows:

Freshman - 0 - 44.9 quarter hours
Sophomore - 45 - 89.9 quarter hours
Junior - 90 - 134.9 quarter hours
Senior - 135+ quarter hours

Numbering of Courses

Courses are numbered as follows:

Freshman	100 through 199
Sophomore	200 through 299
Junior	300 through 399
Senior	400 through 499
Graduate	500 through 700

Students may elect courses one year ahead of their present status except when otherwise designated. Courses numbered 500 and above are normally for graduate students. Senior students may take 500 level courses only with the approval of both the Department Chairperson and the instructor of the class. The 500 level may be used for undergraduate credit or graduate credit (*but not both*). In order to receive graduate credit, the student must be in his/her senior year of undergraduate work and must obtain approval from the Dean of Graduate Studies.

Student Load Policy

Undergraduates: The standard undergraduate load is 15 credits per quarter. Any program in excess of 17 credits per quarter must be approved by the student's major department chair. For pre-majors, the Dean of Undergraduate Studies' approval is required. Overloads in excess of 20 credits must have the approval of the department chair and the Dean of the student's major department.

Graduates: The normal load for graduate students is 15 credits per quarter. All loads above 16 credits must be approved by the chair of the department of the student's specialization. Any load in excess of 20 credits must be approved by the appropriate School Dean or the Graduate Dean.

Audit

A student eligible to enroll in a course for credit may enroll as an auditor except in laboratory courses, provided that space is available and permission is secured from the instructor prior to registration. To receive credit for an audited course, the student must enroll for credit in the same course in a subsequent quarter.

When a student class load exceeds nine credits, including credits of audited courses, he must pay the

regular student fees. A student enrolled in nine credits or less, including audited courses, pays the special student fees.

Instructors may not compel auditors to write papers or take examinations, but may insist upon other course requirements. **The instructor may request of the Dean that the auditor be officially withdrawn from the course if these requirements are not met.** Audited classes require special permission from the department.

Credit by Examination

The university has published a "Course Challenge List" in the general catalog. Regularly enrolled, (full fee-paying), students may challenge for credit any course which appears on the current "Course Challenge List." To challenge a course, the student may be required to take examinations and carry out procedures according to the practice established by departments.

Students may not challenge a course until after the current change of schedule. To challenge a course, the student must first obtain written approval from the department. Course challenge fees, which are non-refundable, must be paid in the Cashier's Office and proof of payment and the approval form turned in to the Registrar's Office. The course challenge must be completed and in the Registrar's Office one week prior to the end of the quarter.

Results of the Course Challenge shall be recorded as "Satisfactory" or "Unsatisfactory" on the student's transcript and will not be used to compute the grade point average.

The application for Course Challenge may be denied if the student has previously received credit for the course at this or another institution; if the student has previously failed the course; or if the course was previously unsatisfactorily challenged, audited or registration cancelled for any reason.

Credit/No Credit Option

Students are urged to use the Credit/No Credit option as a way to explore academic areas of interest. All students except first-quarter freshmen and students on academic probation may select one class per quarter under this option. A maximum of fifteen credits earned in Credit/No Credit courses may be allowed toward the 180 required for the bachelor's degree.

The courses must be selected from Breadth Requirements and free electives; they must not be courses in the basic, major, or minor concentrations or the professional education sequence.

Students may designate the course as Credit/No Credit during registration or during the first seven days of the quarter. Courses for which a grade has been recorded may not be repeated on a Credit/No Credit option.

LAST DAY TO CHANGE CREDIT/NO CREDIT OPTION: JANUARY 13, 1988

Credits earned under the Credit/No Credit option are not included in computing the grade point average. The grade recorded on the student's transcript will be "CR" if the course grade is C- or above; if below C-, the entry will be "NC".

Withdrawal From Course

A student may make an uncontested withdrawal from a course through the end of the 2nd week of class. Between the beginning of the 3rd week of class and the end of the 5th week of class, a student may withdraw with the signature of the instructor and will receive either a WP or WF.

Withdrawals after the 5th week of class will be allowed only in cases of extreme hardship. A student wishing to withdraw during this period must present a written petition to the Dean of Admissions and Records, with a copy to the instructor. If the Dean of Admissions and Records determines that there are extenuating circumstances, the student will receive a WP.

Withdrawal From the University

Student withdrawal from Central Washington University may be approved **by the Registrar's Office**, due to illness, when requested by the University, or other extenuating circumstances. The official withdrawal form is available at the Registrar's Office in Mitchell Hall. The student will be assigned a grade of "W" if he/she is passing at the time of withdrawal or a grade of "F" if he/she is failing.

REFUNDS

1. A continuing student will receive 100 percent of tuition and fees if withdrawal from the University occurs prior to the sixth day of instruction. The \$60.00 pre-payment required for new students is governed by the pre-payment policy.
2. A student will receive 50 percent of tuition and fees if withdrawal from the University occurs on or after the sixth day of instruction and within 30 calendar days of the beginning of classes.
3. There is no refund for individual class withdrawals after the Change of Schedule period.
4. There is no refund of tuition and fees if withdrawal from the University occurs after the 30th calendar day of the beginning of classes.

5. Off-campus and on-campus night students will receive 100 percent of tuition and fees if the withdrawal occurs prior to the third class meeting. A 50 percent refund of tuition and fees will be allowed if the withdrawal from the University occurs prior to the fifth class meeting. There is no refund after that time.

GENERAL EDUCATION PROGRAM 1985-87 CATALOG

General Education Program

The General Education Program includes two parts: Basic requirements and Breadth requirements.

The Basic requirements are intended to help students better use the English language to formulate and communicate ideas, and to make them more aware of and skillful with logic and mathematics.

The Breadth requirements are intended to acquaint students with the liberal arts and sciences and to guarantee some familiarity with non-English speaking cultures. Breadth courses allow students to study the history, philosophy, and theory of various disciplines and to use the discipline's modes of inquiry and techniques for formulating and communicating ideas. Breadth courses also require students to use and develop their basic academic skills.

SPECIAL RULES

1. Courses taken to meet Basic requirements cannot be used in meeting major, minor, or Breadth Requirements, nor can courses listed in the major, minor, or Breadth Requirements be used to fulfill Basic requirements.
2. Even though a discipline is represented in more than one of the three broad areas, students can count only five (5) credits from any one discipline in their total Breadth Requirements. For this requirement all foreign languages count as a single discipline and biological sciences, botany and zoology are a single discipline.
3. Courses in a student's major or major field are not allowed in the Breadth Requirements, except for those majors where it is specified in their description in the catalog.

GENERAL EDUCATION PROGRAM 1987-89 CATALOG

The General Education Program consists of two parts: Basic Requirements and Breadth Requirements.

The Basic Requirements are intended to help students better use the English language to formulate and communicate ideas, and to make them more aware of and skillful with logic and mathematics.

The Breadth Requirements are intended to acquaint students with the liberal arts and sciences and to guarantee some familiarity with non-English speaking cultures. Breadth courses allow students to study the history, philosophy, and theory of various disciplines and to use the discipline's modes of inquiry and techniques for formulating and communicating ideas. Breadth courses also require students to use and develop their basic academic skills.

3. Courses in a student's major or major field are not allowed in the Breadth Requirements, except for those majors where it is specified in their description on the following pages.
4. Content/writing courses in the General Education Program taken on a credit/no credit basis will not meet the content/writing requirement of the general education sequence. Students who take such courses as electives may use the credit/no credit option. English 101 is a pre or corequisite to the courses which meet the Literary Background and the Historical/Political Background requirements.

CREDIT EVALUATIONS

Credit evaluations are furnished for:

1. Transfer students at the time of acceptance.
2. A candidate for a B.A. degree in Education by the Registrar's Office, upon request from the Office of Teacher Education, Certification and 5th year one quarter prior to Student Teaching.
3. A B.A. or B.S. degree candidate, upon request, during the first quarter of the Senior year, (minimum - 135 quarter credits), by the Registrar's Office.
4. Upon application for a degree.
5. A fee of \$5 is charged for an additional evaluation.

Evaluations provide a basis for advising the student, assisting the student in his planning, and assuring the university that requirements have been met.

REQUIREMENTS FOR GRADUATION

Students must assume the responsibility for meeting all degree requirements and total credits for graduation.

1. Basic and breadth requirements must be completed.
2. A total of 180 quarter credits is required for graduation.
3. Credits earned by correspondence or in extension classes do not count toward meeting residence requirements.
4. The cumulative grade point average must be a 2.0. A 2.25 G.P.A. must be earned in the major field.
5. Not more than one-fourth, (45 quarter hours), of the program leading to the Bachelor's degree may be taken in extension and/or correspondence courses.
6. Sixty (60) credits must be in upper division courses; i.e., courses numbered 300 and above.
7. A maximum of fifteen (15) credits of "CR" taken under the Credit/No Credit Option, may be counted toward the B.A. degree.
8. Only thirty (30) credits of Contracted Field Experience will count toward the B.A. degree.
9. Transfer students must take a minimum of ten (10) credits in the major field and five (5) credits in the minor field of study at Central Washington University.

COURSE WORK AFTER GRADUATION

Fifth Year of Study For The Standard Teaching Certificate

Those holding the valid Initial Teaching Certificate and progressing normally through Washington's current Teacher Education program will seek a regular Continuing Teaching Certificate, as outlined in the current catalog. A program plan must be submitted to the Director of Teacher Education, Advisement and Certification.

Second Baccalaureate Degree

Qualified students seeking second baccalaureate degree are admitted in graduate status. However, this does not mean they are enrolled in an "advanced degree program." To receive a second baccalaureate degree, students must complete:

1. The requirements of the curricula represented by the degree.
2. The minimum of forty-five quarter credits earned in residence on campus after fulfilling the requirements of the first degree.

Majors within the same baccalaureate program do not constitute separate baccalaureate degrees.

SPECIAL NEEDS STUDENTS

Central Washington University has dedicated itself to making the campus and its programs accessible to students with special needs such as those who must use wheelchairs, crutches, canes, hearing aids, etc. Many architectural modifications have already been completed and other building and access changes are presently being readied to accommodate the special needs of these students.

The Handicapped Student Services Office located in Kennedy Hall (963-2171) will be happy to answer any questions regarding our campus and special needs of these students. Information on such things as fellow students with experience in signing, special diets, dormitory facilities, financial aid for blind students, etc., can be received through that office.

SENIOR CITIZENS

Senior Citizens are encouraged to take advantage of the large variety of classes offered at the University. Knowledge and experience acquired over a lifetime of work and service can be further enhanced by the opportunity to participate in college classes. Washington residents 60 years of age or older may register the first day of class on a space available basis. The fee is \$5.00 for a maximum of two classes, not to exceed six credits. Credits may not be applied toward meeting requirements for any degree program or for increments on any wage or salary scale.

Should any person admitted under this provision take more than seven units for credit, they must pay an additional \$25.00 tuition charge.

ANSWERS TO PERTINENT QUESTIONS

I. Graduation Checklist

Application for Graduation

An application for graduation may be made at the Registrar's Office during the quarter preceding the quarter in which the degree is to be received or not later than the deadline date published in the quarterly calendar.

Procedure for Baccalaureate Degree Application:

Obtain form from Registrar's Office.
Pay fees at Cashier's Office. Return forms to Registrar's Office by deadline date, January 8, 1988. Students are responsible for meeting all of the University requirements.

Deadline for Baccalaureate Application:

Winter Quarter 1988 - January 8, 1988.

Procedure for Master's Degree Application:

Complete requirements for advancement to candidacy.
Obtain application form from Graduate Office
Pay fees to Cashier's Office
Turn in form at Registrar's Office

Deadline for Master's Application:

Winter Quarter 1988 - March 7, 1988.

Procedure for commencement participation:

Cap and gown fees must be paid to the University Bookstore by students participating in Commencement Exercises the following June. Application deadline is May 16, 1988.

II. Adding and/or Dropping a Class

Dates Schedules May be Changed:

Winter Quarter 1988 - January 5-11, 1988.

Procedure for Adding and/or Dropping Class:

Complete the Schedule Change Form and submit to the Registrar's Office.
Closed classes require departmental approval.

III. Alternatives for Credit/No Credit Option

Students may change courses to Credit/No Credit or to grade during the first seven days of the quarter. See the Quarterly Calendar for specific dates.

IV. Procedure for Enrolling in Individual Study Course

Forms are available at the counter in the Registrar's Office, and the Departmental Offices. Permission must be granted from the instructor and department chairperson. Complete the form, including the 18 space descriptive title and course outline on back of card.

During Registration, and Change of Schedule the Individual Study Form must be submitted to the Terminal Operator.

V. Procedure for Enrolling in Contracted Field Experience

Field Experience Agreement forms are available at the Departmental Offices or the Cooperative Education Office. It is advisable to allow at least a week in which to obtain required approval signatures, in sequence, on the bottom of the form. *All approval signatures are required before registration will be permitted.* All parts of the form must be completed, including complete mailing addresses in Part A. The form is collected by the terminal operator during Registration, and Change of Schedule. The Cooperative Education Office will mail a copy of the CFE form to you a few days after you register.

VI. Procedure for Arranged Course Permit

An Arranged Course Permit is used when students wish to register for a class that is not listed in the class schedule booklet, providing the class is shown in the current catalog. Any class that is currently being offered cannot be registered on an Arranged Course Permit. Seminars, Workshops, and Special Topics courses may not be registered as arranged courses.

Forms are available at the counter in the Registrar's Office, and the Departmental Offices. Permission must be given by the instructor and department chairperson before completing the Arranged Course Permit.

During Registration and Change of Schedule, the permit must be submitted to the terminal operator.

VII. Procedure for Course Substitution and Waiver of Course Requirements

Major or Minor: The student is required to provide the Registrar's Office with the substitution form to waive the requirement, signed by the appropriate Department Chairperson and Dean. Substitution forms are available at the Registrar's Office.

Professional Education Sequence: The student is

required to provide the Registrar's Office with the substitution form to waive the requirement, signed by the Education Department Chairperson and Dean. Substitution forms are available at the Registrar's Office.

Basic, Breadth, or other Graduation Requirements: The Dean of Undergraduate Studies handles all deviations from the catalog requirements. The petition forms are available in Bouillon 207G.
