CHAPTER I

PURPOSE OF THE COMPOSITION AND DEFINITION OF TERMS USED

I. PURPOSE OF THE COMPOSITION

With the writing of this composition, it was the intent of the composer to provide music of major dimensions for festival choir, brass ensemble, and woodwind quintet.

Problems of the festival finale. Most music festivals feature a combined work for all the participating groups (usually choirs, bands, and orchestras) as a finale. It has long been the feeling of this writer that such works leave much to be desired. Initially, the resulting sound is usually too overwhelming for the discerning ear to withstand. The results, far from artistically pleasing, usually lend an anticlimax to the program for both the discriminate listener and performer. Secondly, the choir, and thus the meaning of the text, is almost invariably lost in the process. Thirdly, the writer knows from experience and conversations with other conductors, clinicians, and musicians, that more often than not, this type of work is a festival conductor's nightmare. Finally, most finales are simply

arrangements of music written for another media, attempts to fill a need where literature of this intent is rarely found.

Choice of medium. The choice of choir, brass ensemble, and woodwind quintet as the medium for this work is threefold: the objectionable qualities of the massed finale are alleviated, the combination holds intriguing compositional possibilities to the writer, and the combination can be representative of the three major groups at music festivals; the choir, the band, and the orchestra.

With this combination, the volume becomes more controllable, and the chances for instrumental clarity are increased, thus the text has a much better chance of being understood.

II. DEFINITIONS OF TERMS USED

The following are terms used in the analysis of the composition. They will be defined here to aid the reader in understanding the analysis.

Antiphonal. In the context of this paper, antiphonal is used as the adjective of antiphony in describing the texture of the music. Antiphony is an effect created by a divided choir tossing the same musical idea back and forth.

Conjunct. Conjunct is a term used to describe the movement of a melodic line by steps rather than intervals.

Chromatic. Chromatic describes movement which is mostly by half steps.

Diatonic. Diatonic designates movement which employs the tones of a standard major or minor scale.

Disjunct. Disjunct describes movement which progresses by leaps and skips, as opposed to conjunct.

Inversion. This term is a name given to a compositional device which uses the opposite up and down motion of a previous musical idea, for example: original notes - D E F E, inversion - D C B C.

Motif. A motif is a short musical phrase or figure which is used again in development or imitation.

CHAPTER II

REVIEW OF THE LITERATURE

Search for literature. This writer has written to every publisher he has knowledge of in the United States with the purpose of finding music of this description. It was intended that such compositions be studied and compared for the purposes of this paper. Many of the publishers contacted have worldwide connections, but unfortunately, not one could fulfill this request.

The results of this inquiry demonstrated an absence of available music written for choir with brass ensemble and woodwind quintet. Since there is a use for such works and few if any are available, it becomes very evident that a need for them exists.

Publishers questioned. The following is a list of all the publishers written to; the asterisks indicate a reply:

Associated Music Publishers, Inc., One W. 47th St.,
New York 36, N.Y.

- * Augsburg Publishing House, 425 S. 4th St.,
Minneapolis 15, Minn.
- * Belwin, Inc., 250 Maple Ave., Rockville Centre, N.Y.
- * Boosey & Hawkes, Inc., Box 418, Lynbrook, L.I., N.Y.

- * Boston Music Co., 166 Boylston St., Boston 16, Mass.

- * Willis Music Co., 124 E. 4th St., Cincinnati 1, Ohio
- B. F. Wood Music, Inc., 24 Brookline Ave.,
Boston 15, Mass.
- Words and Music, 1841 Broadway and 60th,
New York 23, N.Y.

At the suggestion of several publishers, the Educational Music Bureau, 434 South Wabash, Chicago, Ill., was contacted for assistance. This inquiry met with a negative response.

CHAPTER III

ANALYSIS OF THE COMPOSITION

First movement. The composition is in three movements. The first is in Sonata form with variations. Its meter is 4/4 in a strong and fairly rigid marshal tempo. Aside from momentary ritards and accelerations, significant deviations from the original 120 tempo occur at letters E, G, & H. At letter E, a six measure Adagio tempo is used to embody a short soprano solo. At letter G, a Largetto tempo is used to enhance the feeling of determination and to prepare for the Lento at letter H.

The text of the first movement is an adaptation of parts of The Lord's Prayer and emphasizes its beseeching passages:

Thy kingdom come,
And on earth Thy will be done.
And deliver us from all evil.
Hallowed be Thy name.
For Thine is the kingdom and the power
 and the glory forever.
Thy kingdom come.
Amen, amen (2:6).

Melodically, the first movement is disjunct, angular, instrumental, and dramatic. Two vocal motifs are presented and developed. The primary motif is stated initially by

the brass ensemble in the first two measures in concert

G minor:

Example 1

The tenors use it to begin the first vocal phrase at letter A, and then it is given to the sopranos eight measures later. Three measures before letter B, the tenors have it on a different pitch, supported by an E diminished chord:

Example 2

Musical notation for Example 2, showing a harmonic progression. The top staff shows a G minor chord followed by a C major chord. The bottom staff shows a bass line with notes on the third and fourth beats of each measure.

One measure before letter B, its first mutation appears leading to the key of Ab Major:

Example 3

Musical notation for Example 3, showing a melodic line in G minor. The melody consists of eighth and sixteenth notes.

At letter B, the secondary motif is introduced:

Example 4

Musical notation for Example 4, showing the introduction of the secondary motif. The melody consists of eighth and sixteenth notes.

The final F \sharp of this motif is immediately used as the basis of a varied inversion of the same length:

Example 5

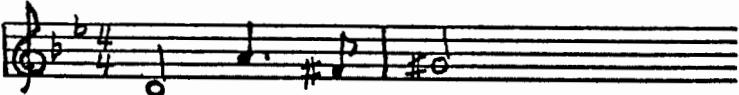

This secondary motif and its inversion are repeated one half step higher, on D \flat , and repeated a third time starting on D. This time the end of the motif and the beginning of its inversion are dovetailed:

Example 6

At letter C, the brass ensemble reestablishes the primary motif in a varied inversion:

Example 7

An important instrumental counter-melody is introduced at letter D by the trumpet:

Example 8

In strong opposition to this counter-melody is the mutation of the primary motif represented in Example 3 on page 19. This same mutation is in the voices at letter F, this time on F#. The counter-melody of Example 8 on page 10 is also there, in the trombone part.

The secondary motif appears again eight measures after letter F and calls back the primary motif in its original form at letter G. The recapitulation is climaxed at letter H and is brought to a close with a single Lento statement of the primary motif.

The movement is conventional in chord structure and cadences, yet a quite chromatic accompaniment occurs in places. Its tonality is Major-minor. Beginning in the key of G minor, it moves by half steps through the keys of Ab Major and A minor. Then it moves down by increasing intervals, a minor third to F# minor, a perfect fourth to the dominant of F# minor, Db Major, an augmented fourth to G minor, and finally a major third to Eb Major. This increase in the distance between keys tends to increase the tension of the music in keeping with the text.

Second movement. The second movement is much calmer in nature and suggests the quieting of the fears expressed in the first movement. The text is taken from

Revelations 1:3 and 2:7 and proclaims the prayer of the first movement to be prophecy:

Blessed are they that readeth and heareth the words of this prophecy and know they are true (1:182).

He that hath ear, let him hear what the Spirit saith unto the churches. Him will I give to eat of the tree of life which is in the midst of the paradise of our God (1:183).

This movement is in an extended song form. Its meter is 3/4 with a five measure coda in 4/4. The whole movement has just two themes. The primary theme is in a tranquil Larghetto tempo, and the secondary theme is found in a contrasting Con Moto section.

Melodically, the second movement is repetitious, conjunct, chromatic, horizontal, cantabile and lyric. The woodwind quintet plays the first section of the song form, which serves as an introduction to a baritone solo. The solo then completes the song form by presenting the three remaining sections (ABA).

Notice the primary motif of the first movement (Example 1, page 9) is woven into the harmony of the third and fourth measures of this primary theme:

Example 9

The tonality of the primary theme is always Eb Major, and the secondary theme is always in the key of E Major.

Example 10

The simple melody and continued affirmation of the key of Eb Major give a reassuring quality to the music in keeping with the text. The contrasting key of E Major is brightening, also an element of the text, but not so far removed from Eb Major that it becomes too bright. This movement uses only the woodwind quintet and voices, and major emphasis has been placed upon the movement of the instrumental lines to give a rich harmonic background to the simple melody.

At letter C, the choir enters and repeats the song, and brings the movement to a close with a Morendo coda.

Final movement. The final movement is in free form and expresses the joy of the prophecy fulfilled. The text for this movement is adapted from poetry written by the composer's wife, Xerpha D. McNutt:

In full lusty strides they move together,
Man and woman, woman and man.
They love, they laugh, they sing!
Full joyous free, they create beauty.
And awe struck with their surroundings,
They worship God.
The children are beautiful, free and happy.
With love and laughter,
Music, and worship and beauty,
They fulfill their destiny (3).

There are four sections to this movement. After a six measure fanfare introduction by the brass ensemble, the choir enters the first section. This section begins with a fairly rigid 4/4 meter in a Maestoso tempo. The melody here is dramatic and cantabile. Its dimensions are horizontal, and it progresses diatonically and conjunctly. It is developmental with very little repetition. Its texture is chordal, harmonies conventional, and tonality Major-minor, but there is frequent use of mild harmonic dissonance. An example of this dissonance is found at letter B. Here it is used to enrich a resolution to the A diminished chord:

Example 11

A musical score for piano, featuring two staves. The top staff is for the treble clef (G-clef) hand, and the bottom staff is for the bass clef (F-clef) hand. The key signature is one sharp (F#). Measure 11 starts with a half note in G major, followed by a quarter note in E major, a half note in C major, and a half note in G major. Measure 12 begins with a half note in E major, followed by a half note in C major, a half note in G major, and a half note in E major. Measure 13 starts with a half note in C major, followed by a half note in G major, a half note in E major, and a half note in C major.

The woodwinds are the only instruments used here, as the movements of the vocal parts are quite delicate and must not be obscured.

The key sequence of the first section is: G Major, D Major, Bb Major, and C Major.

The second section is transitional material from letter C to letter D. It constitutes three measures of 5/4 in the key of Db Major and two measures of 4/4. Here again the movement of the vocal parts is quite delicate, so the brass ensemble is not used in this section.

The third section begins at letter D in the key of C Major. The following motif is used antiphonally at an Allegro tempo:

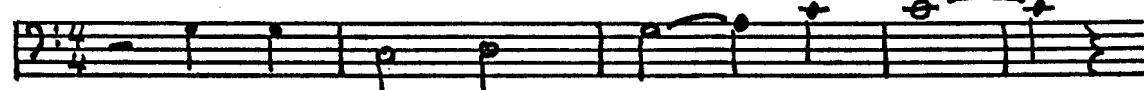

Example 12

Three measures after letter D the basses begin this triumphal melody, which builds to encompass the whole choir, supplanting the antiphony.

Example 13

They ful - fill their de - sti - ny.

The final section begins at letter E, where the meter is changed to 2/4, the tempo becomes Largetto, and the key returns to the original G Major. The antiphonal motif of Example 12 on page 16 is given to the instruments and reduced to become:

Example 14

In the second measure of letter E, the opening melody of the first section is restated. In the sixth measure, the melody of the second section is recalled. Then the two melodies are repeated with the first overlapping the second by two measures.

Example 15

The composition is brought to completion by the return of the triumphal theme illustrated in Example 13.

CHAPTER IV

SUMMARY

This covering paper has stated the purpose of the composition "Thy Kingdom Come;" reviewed the literature for works of this kind, and analyzed the composition.

Chapter I illustrated the need for works of this type by presenting the shortcomings of standard festival finales. This need was also demonstrated in Chapter II by the negative results of an inquiry sent to almost every publisher in the United States offering to purchase music of this type.

The analysis of the composition demonstrated its form, texture, tonality, harmonic and melodic qualities, medium, rhythm, meter, and tempo, and was illustrated by thematic and compositional examples. The analysis also demonstrated that the work is suitable for festival use. By careful attention to the balance of the sound, and the clarity of the text, the work fulfills its purpose.

Handwritten musical score page 11. The score consists of ten staves. The top staff is for Soprano (S), Alto (A), Tenor (T), and Bass (B). The second staff is for Alto (A). The third staff is for Alto (A). The fourth staff is for Trombone (Tr). The fifth staff is for Horn. The sixth staff is for Trombone (Trb). The seventh staff is for Bass. The eighth staff is for Bass.

The vocal parts (Soprano, Alto, Tenor, Bass) sing "come. A - - - men, A - - men." The Alto part (second staff) has a sustained note. The Alto part (third staff) has a sustained note. The Trombone (fourth staff) has dynamics **p** and **mp**. The Horn (fifth staff) has a dynamic **b** **p**. The Trombone (sixth staff) has a dynamic **b** **p**. The Bass (seventh staff) has a dynamic **b** **p**. The Bass (eighth staff) has a dynamic **b** **f**.

Flute Tranquillo larghetto : 66 II

A handwritten musical score for five instruments: Flute, Oboe, Clarinet, Horn F, and Bassoon. The score is in 2/4 time, key signature of B-flat major (two flats), and consists of four measures. The Flute and Oboe play eighth-note patterns. The Clarinet, Horn F, and Bassoon provide harmonic support with sustained notes and simple rhythmic patterns.

Revelation 1:3, 2:7

Baritone Solo A Blessed are they that

A handwritten musical score for Baritone Solo, consisting of ten measures. The key signature changes between B-flat major and C major. The score includes dynamic markings such as ff, f, p, and pp, and various performance instructions like "bp" (breath preparation) and "z". The vocal line features melodic phrases and harmonic support from the bassoon.

read-eth and hear-eth the words of this prophecy and know they are

A handwritten musical score for five voices and basso continuo. The score consists of ten staves. The top three staves represent the vocal parts: Soprano (C-clef), Alto (C-clef), and Tenor/Bass (F-clef). The bottom three staves represent the continuo instruments: Violin (G-clef), Cello/Bassoon (C-clef), and Double Bass (C-clef). The music is written in common time, with various key signatures (e.g., F major, G major, D minor) indicated by sharps (#) and flats (b). The vocal parts sing in homophony, while the continuo parts provide harmonic support. The vocal parts begin with a melodic line, followed by a basso continuo entry. The vocal parts continue with a new melodic line, followed by another basso continuo entry. The vocal parts then sing a third melodic line, followed by a basso continuo entry. The vocal parts then sing a fourth melodic line, followed by a basso continuo entry. The vocal parts then sing a fifth melodic line, followed by a basso continuo entry. The vocal parts then sing a sixth melodic line, followed by a basso continuo entry. The vocal parts then sing a seventh melodic line, followed by a basso continuo entry. The vocal parts then sing an eighth melodic line, followed by a basso continuo entry. The vocal parts then sing a ninth melodic line, followed by a basso continuo entry. The vocal parts then sing a tenth melodic line, followed by a basso continuo entry.

Con moto

Handwritten musical score for four voices (SATB) and piano. The score consists of ten staves. The first six staves are for the voices, and the last four staves are for the piano. The key signature is mostly B-flat major (two flats), with some changes in the piano parts. The time signature is common time. The vocal parts are mostly eighth-note patterns, while the piano parts include chords and sustained notes. A section of the vocal part is set in parentheses with a bracket, indicating it is optional or a repeat. The piano part includes dynamic markings such as *p.*, *f.*, and *pp.*. The vocal parts also have dynamic markings like *p.*, *f.*, and *pp.*. The score concludes with a final section for the piano.

Rit.

B a tempo
Blessed are they that read-eth and

hear-eth the words of this prophecy and know they are true.

A handwritten musical score for five voices. The score consists of five staves, each with a different vocal range and key signature. The top staff is in G major (no sharps or flats), the second in E minor (one sharp), the third in C major (no sharps or flats), the fourth in A minor (one flat), and the bottom staff in F major (one sharp). The music includes various dynamics such as forte (f), piano (p), and mezzo-forte (mf). There are also grace notes and slurs. The lyrics mentioned in the text above are integrated into the musical lines.

C Grazioso

A handwritten musical score for three voices (Soprano, Alto, and Bass) in common time. The key signature is C major (no sharps or flats). The tempo is marked 'Grazioso'. The lyrics are taken from the Beatitudes, repeated twice. The music consists of six systems of four measures each. Measure 1: Soprano has a dotted half note followed by eighth notes; Alto has a dotted half note followed by eighth notes; Bass has quarter notes. Measure 2: Soprano has a dotted half note followed by eighth notes; Alto has a dotted half note followed by eighth notes; Bass has quarter notes. Measure 3: Soprano has a dotted half note followed by eighth notes; Alto has a dotted half note followed by eighth notes; Bass has quarter notes. Measure 4: Soprano has a dotted half note followed by eighth notes; Alto has a dotted half note followed by eighth notes; Bass has quarter notes. Measure 5: Soprano has a dotted half note followed by eighth notes; Alto has a dotted half note followed by eighth notes; Bass has quarter notes. Measure 6: Soprano has a dotted half note followed by eighth notes; Alto has a dotted half note followed by eighth notes; Bass has quarter notes.

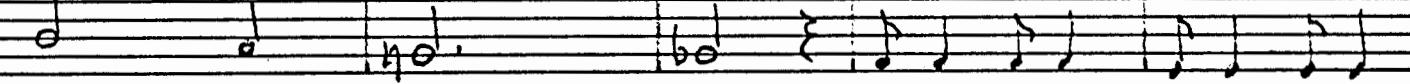

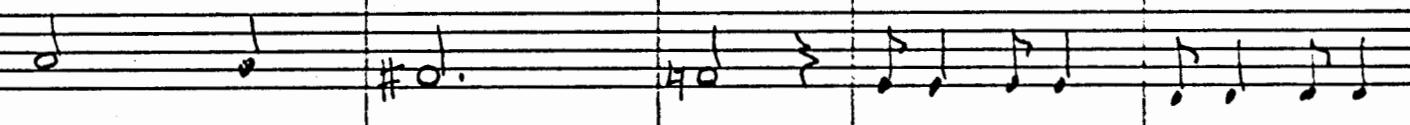

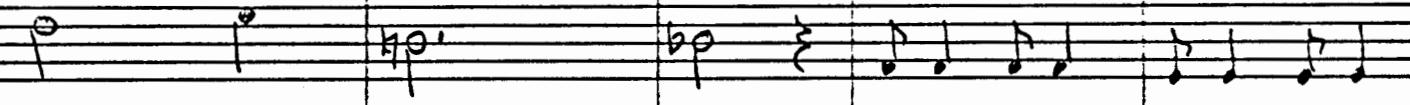

Blessed are they that read-eth and hear-eth the words of this
Blessed are they that read-eth and hear-eth the words of this

prophecy and know they are true. He · that hath ear, let him

prophecy and know they are true. He that hath ear, let him

Piu Mosso.

A handwritten musical score for four voices, consisting of eight staves of music. The music is written in common time, with various key signatures (G major, C major, F major, B-flat major) indicated by sharps (#) and flats (b) on the staves. The lyrics are written below the first two staves:

hear what the Spir - it sa-ith.

hear what the Spir - it sa-ith. Ho that hath ear, let him
con moto

The music features a mix of eighth and sixteenth notes, with some rests. The vocal parts are separated by vertical bar lines. The score concludes with a final staff of music at the bottom.

hear what the Spir - it sa-ith un - to the churches.

Rit.

The musical score is a handwritten composition for four voices (Soprano, Alto, Tenor, Bass) on five-line staves. The score is divided into six systems by vertical bar lines. The vocal parts are: Soprano (top), Alto, Tenor, and Bass (bottom). The music includes various note heads (circles, squares, diamonds) and rests, with some notes having stems and others not. Key signatures and time signatures change throughout the piece. The first system starts with a key signature of one sharp (F#) and a common time. The second system starts with a key signature of one flat (Bflat) and a common time. The third system starts with a key signature of one sharp (F#) and a common time. The fourth system starts with a key signature of one flat (Bflat) and a common time. The fifth system starts with a key signature of one sharp (F#) and a common time. The sixth system starts with a key signature of one flat (Bflat) and a common time.

E at tempo

A handwritten musical score for a single melodic line, likely for a solo instrument or voice. The score consists of six systems of music, each with a key signature of one sharp (F#) and a common time signature. The vocal line includes lyrics in capital letters: "Him will I give to eat of the tree of life which is life" The music features various dynamics (p, f, ff, ffz), articulations (staccato dots), and performance instructions (e.g., "give", "eat"). Measure numbers 1 through 6 are present above the staff.

Him will I give to eat of the tree of life which is
life

Morendo

F

The musical score consists of six staves of handwritten notation on five-line staff paper. The key signature is mostly B-flat major (two flats), indicated by a 'F' with a flat symbol. The time signature varies between common time (4/4) and a slower tempo (indicated by a '7'). The score includes lyrics in English:

in the midst of Pa-ra - dise. The pa-ra - dise of our
in the midst of Pa-ra - dise. The pa-ra - dise of our
in the

Dynamic markings include 'p' (piano), 'f' (forte), 'mp' (mezzo-forte), 'ff' (fortissimo), 'hp' (half forte), 'b' (bass), and '(b)' (bass). There are also various slurs, grace notes, and accidentals like sharps and flats.

A handwritten musical score consisting of five staves, each with five horizontal lines. The score includes various musical markings such as dots, dashes, and numbers.

The first three staves begin with a circled 'o' and a dash, followed by a series of dots. The first staff has a 'God' label. The second staff has a 'd' label. The third staff has a 'God' label.

The fourth staff begins with a circled 'o' and a dash, followed by a series of dots. It also features a circled 'b' label.

The fifth staff contains a sequence of notes and rests. The first measure consists of a note, a rest, a note, a rest, a note, a rest, and a note. The second measure consists of a note, a rest, a note, a rest, a note, a rest, and a note. The third measure consists of a note, a rest, a note, a rest, a note, a rest, and a note. The fourth measure consists of a note, a rest, a note, a rest, a note, a rest, and a note. The fifth measure consists of a note, a rest, a note, a rest, a note, a rest, and a note.

st. mute out

A handwritten musical score for orchestra and choir, consisting of ten staves. The score includes parts for Flute, Oboe, Clarinet, Bassoon, Trombone, Horn, Trumpet, Trombone, Bassoon, and Bass. The vocal parts are labeled 'God.' and 'Mo.'. The score features various musical markings such as dynamics (e.g., f, p), articulations (e.g., accents, slurs), and performance instructions (e.g., 'SOLO'). The time signature varies throughout the score, indicated by '2', '3', and '4'. The key signature changes frequently, with sharps and flats present in different sections.

C Meno Mosso

3

A handwritten musical score for voice and piano. The vocal line is in soprano C-clef, common time, with lyrics in parentheses. The piano accompaniment is in bass clef, common time. The score consists of six systems of music, each with two staves separated by a vertical bar. The lyrics are: "chil - dren are beau - ti-ful," followed by "Free and hap-py. with" and "chil - dren are beau - ti-ful," followed by "Free and hap-py. with". The music features various note heads, stems, and rests, with some notes connected by horizontal lines. The piano part includes bass notes and rests.

This is a handwritten musical score for an orchestra and choir. The score is organized into ten staves, each with a unique label: S, A, T, The, strides they move to - - ge - - ther. . ., B, F, O, C, B, Horn, Irb, Bass, and trio. The staves are arranged vertically, with some staves (like S, A, T, and The) appearing at the top and others (like Bass and trio) appearing at the bottom. The music consists of various musical notes and rests, with some notes having stems and others being whole notes. The labels for the staves (S, A, T, The, etc.) are placed above their respective staves, while the labels for Horn, Irb, Bass, and trio are placed below their staves. The score is written on five-line staff paper, and the overall style is that of a classical or operatic composition.
