Presidential Search Committee Composition

Consistent with the process approved by the board at its special meeting January 7, 2008, Ms. Yu reported that constituency groups have submitted names of individuals interested in serving on the Presidential Search Committee. In addition to the thirteen members nominated by their respective constituency groups, the board must determine two additional members—one community member, selected from a prioritized list submitted by the Ellensburg Chamber of Commerce, and one dean.

Motion 08-02: Mr. Morrison moved, seconded by Ms. Jones, that the Board of Trustees approves thirteen members of the Presidential Search Committee listed below. Motion carried.

Wendy Bohrson, search committee chair, faculty, COTS [Geological Sciences]

Trustees reviewed possible conversation topics for their dinner January 31 and requested additional information on the Higher Education Coordinating Board's [HECB] Master Plan. In preparation for a discussion of vision and goals, Ms. Yu suggested that the trustees review Dr. McIntyre's State of the University addresses for the past three years.
