CENTRAL WASHINGTON COLLEGE

OCTOBER 23, 1947

ELLENSBURG

## Queen To Be Selected By Students At All School Election, Monday, Nov. 3

Eight candidates for the title of "Homecoming Queen" were elected by the Intercollegiate Knights and announced today.

Each year, the IK's choose the candidates for this coveted title. The winner, which is selected from a popular vote of the students, will reign over the festivities during homecoming. The two candidates who are runners-up will become the queen's princesses.

The candidates chosen to run for Homecoming Queen are: Mary Horton, Sophomore from Sunnyside; Marty Ludington, Senior from Bothell; Marie Nelson, Sophomore from Ellensburg; Betty Jo Partridge, Senior from Puyallup; Mary Lou Shaver, Sophomore from Sumner; Betty Shelton, Junior from Ellensburg; and Betty Svare, Junior from Poulsbo.

The IK's will conduct an all-school vote Nov. 3. The queen and her princesses will be announced in the Homecoming Edition of The Campus Crier, Nov. 6.

The beauties elected on their personality and popularity will reign over the parade, dance and the football game. They will be crowned at Stunt Night, to be held in the College Auditorium, Friday evening, November 7.

"We made an unbiased selection for candidates for Homecoming Queen. It had to be taken into consideration the traditional rules requiring all candidates to have a three quarter residence and a passing grade average. Popularity, personality, and beauty were the basic factors in nominating the candidates for Homecoming Queen," said Dwight Dart, Duke of the IK's.

### WESLEY CLUB PLANS MEETING

The Wesley Foundation asks all interested students to meet with the college group in the parlor of the First Methodist Church at 5:30 Sunday evening.

The guest speaker will be Miss Hazel Brain, from CWC English department. She will give a book review about "The Robe" written by Lloyd Douglas.

Special music selections will be given by Les Houser.

A dine-a-mite supper, devotion, and fun will be included in the program.

## OFF-CAMPUS MEN REORGANIZE CLUB

The newly reorganized Off-Campus Men's club has scheduled its second meeting of the year for tonight to discuss its part in the homecoming plans.

The group which has revived an organization that was inactive during the war years is planning a full schedule of sport and social activities for its members. Several activities that will bring together off campus men and women are also being discussed.

At the first meeting, held last Thursday, officers and committees for the year were elected. Officers elected were: Glen Baker, president; George Kontos, vice president; Al Majeau, secretary; "Honest" John Wipple, treasurer; Tony Adeline, social commissioner; Chet Gills, senior; Lloyd Mullins, junior; Tom Whittaker, sophomore; and Don Norling, freshmen were elected class representatives. Dr. R. M. Shaw is the faculty advisor for the group.

The meeting tonight will be held at 6:30 in Room A-206 of the Ad building. All off campus men are asked to attend.

### Freshmen to Hold Business Meeting

Friday, October 24, at 10:00 a. m., in the auditorium, the freshman class will conduct a regular business assembly.

Aside from the fact that dues will be collected, elections for the various committees will be held.

Dale Troxel will explain the traditional Homecoming Bonfire for the frosh.

In the line of entertainment, Jimmylee Boyes will sing popular selections and Dick Hauser will give out with "The Hills of Home." To be featured at the piano are Bob Warren, Laurel Templin, George Ice and Larry McVey. Highlighting the program will be martial strains of the C.W.C.E. band.

ATTEND THE IK FORMAL

## ALL COLLEGE FORMAL SPONSORED BY I.K.'S

The Intercollegiate Knights will sponsor the first all college formal dance of the year in the new gym on October 31 from nine until twelve p. m.

Tickets are on sale by IK members. The admission is one dollar per couple. A booth will be set up in the walkway of the Ad building tomorrow.

"Colorfully decorated to create the atmosphere of the Hallowe'en season, the gym promises to be the center of one of the social highlights of the year," said Dwight Dart, honorable Duke of the IK's.

Music will be supplied by "The Gentlemen of Note" under the direction of Wendell Kinney.

The committee for the dance includes: publicity, Wes Blomberg; tickets, Jim Brooks; in charge of decorations, Skeet Mathers; and refreshments, Jim McGrath. All IK's will assist with decorating the gym and selling tickets.

The patrons and patronesses have not been announced.

It was emphasized that the dance is for all students and their dates. The IK's want to see a good turnout and especially see that all students have an enjoyable evening of dancing.

The Intercollegiate Knights is a service organization that does the odd jobs for the social affairs on the campus. They assist other clubs and organizations with their social programs when they are needed. The IK's work at the football games by parking cars and rendering their services and help with ushering, cleaning up after dances, and helping with anything that can better the school.

### STATISTICS REVEALING

"It's a woman's privilege to change her mind!" The author of this age old maxim probably was a man, and men have repeated it so often that even the women themselves grant that they are the "fickle sex." Those who are firmly convinced of its truth will be surprised to learn what a bit of sleuthing and mathematics revealed. A count of the blue study schedule cards, which indicate a change of courses, showed that 18.8 per cent of the girls had changed their minds and schedules, while 27.5 per cent of the "stauncher sex" had changed theirs.

## Wildcats Clash With Savages In Cheney Homecoming Game

The Central Washington Wildcats will travel to Cheney to play the Eastern Savages before an E. W. C. E. homecoming crowd Saturday.

Each of these two clubs is a strong contender for the Winko conference crown this year. Both have shown impressive power in previous conference battles.

The Savages will probably use an unbalanced wing T formation, relying on their heavy, and fast moving line and backfield. Their hopes for victory rest upon a great number of returning lettermen such as Beamer, Poffenroth, Rosback, Nagle, Boettcher, Cobb and Thrap. In addition they have a wicked passing attack that has proved annoying to previous opponents.

Coach Monte Reynolds has announced the Wildcats will be ready to roll. Several of Central's key players are out with injuries but the team is by no means lacking in talent in any department, but no one has ventured to under rate this Eastern eleven.

Ray Merk, former first string center is out of the line up for the season by the doctor's orders. Norm Venelli has been moved over from tackle to share the duties at center with Jim Kontos.

### Players Show Up

Coach Reynolds is very pleased with the way the boys showed up in the game with Whitworth. Such boys as Shuey, Edwards, McLane, Hoydar, Doran, Svoboda, Victor, Langenbacher, Dorr, Hill, Osgood, Bort, King, Hawkins, and Vanelli did good work in each of their departments.

Hake, Kapral, and Carmody may not be ready for the game because of injuries. Strauhal may be O. K. by then but out of condition because he has not been able to turn out for practice.

Central's pass defense has greatly improved, while the main weakness now seems to be in blocking and tackling which, with offensive work, will be the main issue on the scrimmage field this week Coach Reynolds has announced.

No positive starting line ups are available yet but the Wildcat's will probably be something on the order of last week's beginning crew.

### CLASS FEES DUE

The Business Office announces that class fees will be due from October 20 to 27. This applies to all students.

## COLLEGE PLAY TO BE PRESENTED OCTOBER 21, 22

The all college play "Arsenic and Old Lace" written by Joseph Kesselring, and directed by Mr. Norman Howell of the English department will be presented in the college auditorium Friday and Saturday, November 21 and 22.

Members of the cast include:

Abby Brewster.....Arloha Shannon  
Martha Brewster.....Marjorie Atwood  
Elaine Harper.....Donna McCune  
Mr. Gibbs.....Delbert Pratt  
Jonathan Brewster.....Norm Vanelli  
Dr. Einstein.....John Mumm  
Officer O'Hara.....Ralph Ruff  
Lieutenant Rooney.....Vance Hall  
Rev. Doctor Harper.....L. Miller  
Teddy Brewster.....John Garney  
Officer Brophy.....Gene Gregory  
Officer Kline.....Bill Cable  
Mertimer.....Don Fenton  
Mr. Witherspoon.....Al Miller

Rehearsal for the play has begun and the start looks as if it will be well dramatized.

It is Mr. Howell's intention to make use of the talent and interest that has come to the campus this year by extending the dramatic offerings. There will be added opportunities for those who are interested in taking part in the plays.

## WILDLIFE MOVIE TO BE SHOWN TUESDAY

Mr. and Mrs. Chrysler will present a technicolor movie entitled "The Great Wilderness" at an all-college assembly next Tuesday.

The picture will be about the wildlife shots they have taken. The picture deals mostly with wild animals.

Last year, the Chryslers presented a similar movie containing shots of the Olympic Peninsula.

## Freshman Initiates Survive Ordeal by Alford Superiors

By DOUG POAGE

What the upper classmen of Alford hall classified as "hell week" is now over, and strange as it may seem all first quarter frosh are still living.

In more simple terms, "hell week" was the initiation of first quarter freshmen of Alford hall.

The basic rules they had to abide by were these: wear a t-shirt with a neck tie tied in a square not, no conversation with women, run errands and do jobs for an Alford hall upper classman, call all superiors sir, and be in recreation room at 6:30 to 7:30 and from 9:30 to 10:00 in the evenings.

If one of these rules were broken, the upper classmen could throw the offender in the irrigation ditch, clothes and all.

Monday night, October 13, this initiation started and it was then required that each "green horn" obtain a signature from each upper classman, who in turn would give them a hack, with whatever he had handy, such as a belt, paddle, or sometimes his foot. This, however, was outlawed as some were getting bruised from the heavy hitters.

The upper classmen had a full time initiation program worked out with something planned for every night. Tuesday night they went serenading to all the women's halls, marching in military order to and from the halls. The freshmen knelt as they sang while the upper classmen stood behind.

A scavenger hunt kept the frosh running Wednesday evening for over two and a half hours. This scavenger hunt proved nothing is impossible. A group composed of Dale Scott, Bill Murray, Lee Pierce, and Ben Owre had to obtain one quart of compressed air, and gain recognition over the air through KXLE, the Ellensburg radio station. They succeeded in all requirements, besides some not listed, and were interviewed over the air.

Another group had to find an apple containing one live worm, another, one empty beer keg, one group found two fingers of "rot gut" in a dirty glass, another returned from the Ellensburg Police station handcuffed together, and the last group obtained the Ellensburg fire chief's helmet, which they procured from the display in the J. C. Penney store down town.

These groups of freshmen had to find four or five different items and had a limited time to bring them in. What was so surprising, they weren't supposed to be able to locate any of the objects, but all were found, and on time.

After all had been explained as to where they found the necessary objects, the upper classmen bought cokes for all the "under-dogs," and the day's session was brought to a close.

Thursday was a quiet evening, but kept the frosh on their toes waiting and expecting anything, anytime.

Plans had been made for Friday

night, but weren't carried out, for a number of reasons. Many of the frosh had gone home for the weekend, as well as the upper classmen. Also the initiation was starting to grow old. At the time this article was being written, things were pretty quiet out Alford way, and with "hell week" ending at noon Saturday, it looked like the end of the rainbow to the frosh.

The freshmen have been promised a turn about day, and they will be able to do anything in a period of twenty-four hours their hearts desire. From what I understand, it is going to be that "week of hell" they gave out packed into one day, and maybe a little rougher.

## LAMP CAUSES SMALL FIRE IN ALFORD HALL

A bed lamp on Don Carr's bed caused a fire at 4:14 in the morning at Alford Hall October 15.

Carr had been studying late, and fell asleep while reading. The heat from the lamp, which had fallen to the bed, caused an intense heat burning the bedding and mattress.

The heat and smoke wakened him and he made several attempts to extinguish the fire. He cut away the burning part of the mattress, and assumed the fire was out, but it again started smoking. He then took the mattress to the shower room, and threw it into a shower stall and turned on the water. Before going to his room he checked again to see if it was out, and thinking it out he returned to his room.

Dale Scott, who was up about 7:00 a. m., went to the shower room to wash for breakfast. Opening the door, he was met by a room full of smoke. Seeing the smoke he rushed for the fire extinguisher and applied it to the mattress, which by this time had burst into flames. The fire had just started burning the shower curtain, and had Scott been a few minutes later a more serious fire would have occurred.

Jim Saterlee, house president, when notified of the fire dragged the mattress outside where it burned out. No estimate of damage was available.

High school football goes to the air as the Yakima High school team flew to Everett last week for a game, presumably because three of their star backfield players get sea sick when riding in a car.

The library is not open on Sunday evenings.

## Central Not to Join Natl Student Group

At the last meeting of the Student Government Association it was voted not to join the National Students Association.

The reason for withdrawing from the NSA was given as the expense it would cost to send delegates to the National Conference and membership fees would entail more money than the SGA believes the school could derive from the membership to the convention.

The National Students Organization is an organization to band the colleges together to improve the social and intellectual life of the students.

Dale Troxel attended the first NSA convention held in Madison, Wisconsin this fall.

His complete report of the happenings at the convention were printed in an earlier edition of the Crier.

## LIBRARY NOTES

The library suggests two new books which will interest many of you. Each is entirely different and yet both are interesting, contemporary and well worth reading.

The first is a novel by Bruce Marshall, author of the former best-seller, *The World, The Flesh, and Father Smith*. This new story is entitled *Vespers In Vienna*. The setting is laid in Vienna in 1946 and is the story of the British Colonel Nicobar, assigned to investigate subversive activities and billeted in the convent of the Daughters of the Holy Ghost.

The contrast between the serenity of the convent and the frenzied hotel life of the occupying troops make an exciting and compelling narrative. As in the author's former novel, the story is filled with caricature, comedy and sentimentality. Many readers will enjoy, also, Colonel Nicobar's discussions with Mother Auzilla on the state of the world.

The second suggestion we have for good reading is one of the best historical novels to be published in some time. It is *Lion Feuchtwanger's Proud Destiny*.

The scene is laid in France during the reign of Louis XVI and Marie Antoinette. This is the story of the American Revolution as seen from the Court of Versailles.

The central figure is Beaumarchais who worked and schemed for arms and support for the revolutionary Americans but never won

## LIBRARY HOURS

Monday Through Friday  
7:50 p. m. to 5:00 p. m.  
Saturday  
2:00 p. m. to 5:00 p. m.  
Sunday  
2:30 p. m. to 5:30 p. m.  
EVENING HOURS  
Monday Through Thursday  
7:15 p. m. to 9:30 p. m.

the confidence of Benjamin Franklin, altho their aim was the same. It is a splendid account of the corrupt, decadent aristocracy; crafty, intriguing courtiers; the wobbly, weakling King; the influence of Franklin on the French and glimpses of the theatre of the period. Throughout is the sense of impending revolution.

The many famous characters are portrayed with consummate skill. They remain believable and genuine and many of the scenes of this broadly flowing narrative will be remembered by the reader some time after the last page has been turned.

## SGA THEATRE PARTY NEXT FRIDAY NIGHT

An all college theater party will be held Friday, October 24, in the College Auditorium from 8 to 11 p. m., Forry Keyes, vice president of SGA, announced.

The movie will be "Junior Miss" starring Peggy Ann Garner. It is a comedy dealing with the problems of growing children. Selected short subjects will also be shown.

## LIBRARY HAS DISPLAY TABLE

Few students realize the interesting variety of subjects on the "Display Table" in the library.

Each week the articles are replaced by new items. Its location is immediately inside the main library entrance.

The librarians attempt to maintain a pleasing display, and the attention of all students is asked to look the table over.

As the latest issues of popular magazines are received, soon after publication, they will be placed in their black covers on the main floor.

# PEPSI OFFERS SCHOLARSHIPS

Twenty-six new graduate fellowships, each of which will pay full tuition and \$750 a year for three years, are being offered to college seniors this year for the first time by the Pepsi-Cola Scholarship Board.

Like the four-year-old Pepsi-Cola four-year college scholarship program, winners of which are now attending 152 colleges, this new fellowship program has as its purpose the discovering of students of unusual ability and helping them to secure further education. Both programs are administered by an independent group of educators known as the Pepsi-Cola Scholarship Board and are offered as a service to American youth by the Pepsi-Cola Company upon the recommendation of its president, Walter S. Mack, Jr.

Any college student who will receive a bachelor's degree during the school year 1947-48 from a college or university in the United States may apply for one of the new fellowships, according to an announcement made by John M. Stalnaker, professor of psychology at Stanford University and director of the Pepsi-Cola Scholarship program. Winners will be selected on the basis of their promise of outstanding achievement in later life as evidenced by their under-graduate records and recommendations as to character, personality, and qualities of leadership, the announcement states, and the fellowships will be limited to those students who have financial need.

The fellowships may be used at any accredited graduate or professional school in the United States or Canada and in any field of study which will lead to an M. A., Ph.D., M. D., or other advanced professional degree. Fellowship holders must enter graduate schools no later than the fall of 1948 and they must pursue a continuous and normal program of work.

Six winners will be chosen by selection committees of professors from each of four geographic regions, and two Negro winners will be selected from graduates of Negro colleges in the United States. Negro seniors in other colleges will be eligible for the six fellowships to be awarded in that particular region.

Seniors who wish to apply for one of these fellowships may obtain application forms from the dean of their individual colleges or by writing to the Pepsi-Cola Scholarship

# Booster Club Forms New Pep Organization

A new organization on the campus, the Boosters Club, held their initial meeting on October 15th in Room 309 of the Administration building.

At this meeting officers were elected and decisions were made about members of committees.

The Boosters were organized to advertise all school activities and to assist the Pep Club and cheer leaders at pep rallies.

The Boosters want to emphasize they were not organized as competition to the Pep Club. Actually the two are to work hand in hand only on different phases of activity. The Boosters will take care of the advertising while the Pep Club is to support all the games etc., with their yelling.

Elected at the meeting were: Jim Kato of Carmody Hall, president; Elton Richards of Carmody, vice president; Joy Breshar of Kamola, secretary, and Mary Lou James of Sue Lombard, treasurer. Some of the duties of these new officers will be to write a constitution and to promote the football games.

The Booster Club constitution will have to meet with the approval of President McConnell and of the SGA Council. This constitution is being worked on now and will be presented to the members at their next meeting.

The Boosters want the support of everyone in the school and they would like to add a few more members to their staff. Anyone interested please contact one of the officers and they will tell them where the Boosters meetings are held.

### ASSEMBLY FOR VETS

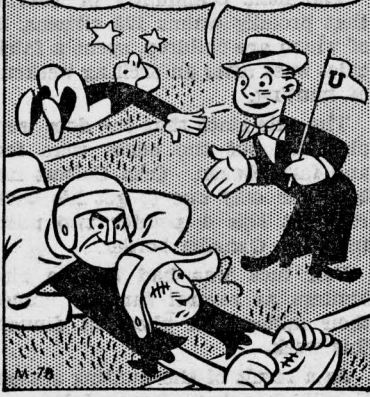

There will be an all veteran's assembly at 10 a. m. today in the Auditorium.

Mr. Seago and Mr. Maier will be present to discuss changes in policies pertaining to veterans.

Board, 522 Emerson Street, Palo Alto, California. Completed applications with official transcripts of credits and other required information must be received by the Board not later than January 1, 1948. Winners will be announced March 15.

At 50 m.p.h. a person sees 14 per cent less than he does driving at 45 m.p.h.

PRIOR ARRANGEMENTS, EXCEPT IN EMERGENCY CASES, MUST BE MADE WITH VETERANS ADMINISTRATION BEFORE ENTERING A VA HOSPITAL

For information contact your nearest VETERANS ADMINISTRATION office

## CHEERLEADERS GO ALL OUT

The school spirit and cooperation of CWC is led and pushed by outstanding members of the school.

The Cheerleaders, Corinne and Nadine Powell, Larry Lindberg, and Frank Wessel presented an example of the school spirit it takes when they led the yells throughout the football game last Friday night in the mud and cold without faltering.

Contributions to the school, such as these, should not go unheeded.

We want to congratulate them on their fine job, and express our heartfelt thanks for the fine school spirit displayed by these leaders.

## FACULTY FORUMS

The many letters to the editor and the general discussion around school indicate the students would like to hear lectures on timely subjects by the Faculty.

We have many talented, well-informed speakers on the staff of Central, that could give enlightening reviews on current issues that would be of interest to the large majority.

Several members of various departments could group together to give a variety of viewpoints and present interesting background that otherwise would be omitted.

The Faculty know the problems of students and could easily discuss in an hour, the problems and questions they have to ask today.

## IT PAYS TO ADVERTISE!

The Campus Crier is your paper, full of news and views on most everything. But it would be nice to have more pictures of student activities and those special editions on Homecoming and Mothers Day.

Through you all this is possible. The businessmen of Ellensburg help us pay for our paper through advertising. But they hesitate to advertise unless they know where their advertising dollar goes.

Here is where you come in. A perfect example was Peoples ad on portable typewriters three weeks ago. Three students went in and asked if they had any more of those typewriters advertised in the Crier. The result—Peoples knew their advertising dollar had paid off, consequently a bigger ad for the Crier this week. The net result was a little more money for a better Crier—so next time, why not mention The Campus Crier.

—Business Managers

## FRIENDSHIP

By Harold Carlile

Have you ever thought of what a grand thing our campus possesses? Just in case the students of CWCE don't know this you are now being informed that Central is the most friendly college in the State of Washington.

How do we know this? Yes, that is a fair question, and this is the answer: There are students attending Central from various colleges from in and out of the State of Washington. These students are more impressed by the friendliness of the campus than anything else.

What gives you a better feeling than a friendly "hello" from everyone you meet while on or around the campus?

"Gonna be tough sleddin' today.  
 How come?"  
 "No snow."

One of the most common and annoying of house ants is known as Pharaoh's ant or the Monomorium pharaonis.

## VETVILLE NEWS

By MRS. DAVE HARTL

The little community of Vetville that proudly claims 128 citizens, 32 of whom are children, spent a fairly quiet week after an exciting weekend of hunting.

The vets state that the does were plentiful, but the bucks were few and far between. Orin Colbert has been the only one to get his buck. He shot this 4 pointer two miles from the Canada border.

Fair luck was had by the bird hunters as several families graced their tables with pheasant dinners this week.

As a result of the hunting season, Vetville has been honored by several visitors.

Mr. and Mrs. Sam Schroeder from Sunnyside, were visiting the Lyle Dickies over the weekend. Sam is a former resident of Vetville.

Other visitors were: Mr. and Mrs. Wallace Bogart from Seattle who visited the Don Broughton's.

Mr. and Mrs. William Harrison of Tacoma stayed the week with the Laurel Lapes.

Don Carlson's parents from Seattle have been visiting them.

Mr. and Mrs. Paul LaMott have enjoyed the visit by her parents, Mr. and Mrs. Herbert Hawkyard from Long Beach, California. They have been here the past week and plan to be here for about three more weeks.

Mrs. Fred Snurr entertained her grandmother, Mrs. M. Fuller of Toppenish, for a few days.

Over to visit their new grandson, Bruce Bassett, were his grandparents, Mr. and Mrs. H. I. Klander of Snohomish.

Going home this weekend to visit their parents in Granger and Zillah were the Bud Garrisons.

Mrs. Lloyd Jorgenson and infant son just returned from a visit with her parents in Moses Lake.

Present at a venison feed in the Miletich home were: Mrs. Miletich's mother, Mrs. Joe Pine, her aunt, Mrs. Ted Mostoski, and nephew, Tommy Starnes. All were from Seattle.

Nancy Shaw from Seattle was the guest of honor at a party given by her sister, Mrs. Bud Webber Saturday evening.

The Wayne Jensens were host and hostess for a card party given Thursday night. Guests were, Mr. and Mrs. Jim Sellars, and Mr. and Mrs. Hollis Sweeney.

Work is underway for the housing project playground. All volunteers are asked to contact Fred Miletich.

**VETS NOTICE** .....  
 Any veteran who has intentions of dropping school should be certain to check out with the Dean of Men's office before dropping.

Persons who do not check out with the Dean of Men, will find themselves in a very awkward position, because time will continue towards eligibility until the VA in Seattle is notified of the withdrawal. This may also disqualify a person for further training under the GI Bill.

Here I sit and fuss and fret  
 While my seat is getting wet  
 It's enough to make me fume  
 Teacher, can I leave the room?  
 Why delay me when you know  
 That I simply have to go  
 Really teacher I'm not feigning  
 My car top's down and it's raining.

## VET COUNCILER TO GIVE TESTS

Mr. Maick from the Veteran's Administration office in Yakima will be available for testing and counseling for all GI's on Tuesdays and Thursdays.

This test is required of all vets enrolled under PL 16, but is also available to vets under PL 346.

The purpose of these tests and counseling is to determine whether you are taking the right courses or whether your are suited better to

different courses.

All interested vets should leave their name at the Dean of Men's office.

The U. S. Constitution did not deny the vote to women but interpretation of the document did.

The British dominions are represented in London by high commissioners.

England can not declare war, make peace, or sign treaties for any of her dominions.

## OCW CONSUME CHILI AT FIRST GATHERING

Teaming hot plates of chili, crackers and milk helped 45 off-campus women concentrate on the "business at hand" as they officially opened their club year last Tuesday evening in the campus club rooms.

After cleaning up the bountiful supply of food prepared by Dorothy Uusitalo, Jean Wilson and Janice Jump, the club members "retired" to their official club room for the initial business meeting.

Miss Brain, the club advisor, was introduced and welcomed by the club.

A sketch of the activities planned for this year which include publication of "Who's Who", a winter carnival, a May Prom and work for Homecoming week was given by Betty Shelton, OCW president. After a short discussion, the members decided to have freshmen and transfer students sell souvenir CWC balloons during homecoming week for their initiation.

Mary Clerf was chosen general chairman for homecoming with Shirley Beck and Amy Legg co-chairmen for stunts, Jean Wilson chairman for the float, and Dorothy Uusitalo chairman for the off-campus sign. After discussing homecoming plans more thoroughly, the club elected its class representatives who include: senior, Pat Casey Miller; junior, Mrs. Hazel Schmalee; sophomore, Lois McKnight and Pat Stevens; and freshman, Melba Alford.

Following the meeting, a short program was given which included vocal solos by Pat Powell and Lois McKnight accompanied by Helen MacDougall.

Plans were made for OCW to meet every 1st and 3rd Thursday of each month from seven till eight. Meetings are held in the OCW club room in the Campus Club. An interesting meeting has been planned for tonight.

## SUE LOMBARD NEWS

By WANDA RIDDLE

Naydene Johnson was honored with a birthday-party as friends gathered in Sue and presented her with gifts.

Those present were Barbara Clark, Le Verne Holgren, Mary Knowles, Ruby Gomer, Esther Sanders, Betty Brown, Jackie White, and Barb Fulkerson. Refreshments were served later in the evening.

Sue girls are planning a Halloween party October 30, for the girls of their hall. No definite plans have been made as to the program for the evening.

Upperclassmen at Sue are again reminding the freshmen to wear their green hats. They say that Homecoming will bring another initiation and "woe be unto any girl from Sue without a green hat."

New fads are constantly creeping upon us and this week we find the girls from this hall have been clipping away at their hair. Some trim but others just clip away. Many becoming hair styles have appeared and others are sure to appear in the near future.

## MEETING PLACES MADE AVAILABLE

With the advent of the Campus Club and the passing of the old Student Lounge, many clubs have found themselves homeless. Cold, formal classrooms have not proved to be inspiring meeting places.

The administration has come to the rescue with this news. All women organizations may reserve the north recreational room in Kamola Hall for their meetings, mixed groups may meet in Sue Lombard's East Room, and all-men's groups may reserve Munson's old recreational room. These meeting places must be reserved through the Dean of Women's office at least three days in advance of the meeting date.

This is an emergency set-up to take care of the clubs until a permanent Club Lounge can be established.

The SGA is a student organization paid for by the students.

Central Washington College was founded in 1891.

## Don't Say You Went to College Prove It By Showing Your Hyakem

Don't embarrass yourself by telling your friends you've been to Collitch! If you're wise enough to lend an ear—have your picture taken and subscribe for a Hyakem and then you can prove it.

How many times have you taken your high school annual from the shelf and perused through the pages? They're nice things to look at, aren't they?—but at that it hasn't been so many years since most of us were in high school. But listen—you aren't in high school now and ma doesn't know that you take a different girl home from the "libe" every night and she doesn't know who the fair damsel is that you are taking to the IK formal.

No, there are a number of things that ma doesn't know—and she won't know unless she gets hold of your 1948 annual some day and sees written across the autographed pages "Dearest Algernon—I will never forget that night upon Craig's Hill." Then you will be bombarded with a thousand questions—Where is Craig's Hill?—So that's where the cars park—and how many times must I tell you not to park with girls you don't know.

But to get down to business, there are a number of things you will want to remember about your college life. It is very easy to cast aside the thought of subscribing for an annual now, but you will never realize the full value of such a book until your college days are over.

We must all eventually grow old, a person cannot remain as young and perilous as we are today. Then will come the time when you will most reverently turn the pages of your Hyakem and recall the day we beat Whitworth on the Rodeo field; the times the upper classmen raised Cain with the frosh in Alford Hall; all those times that must eventually be swept into the dust together. The purpose of the Hyakem is to preserve in a permanent way such memories.

## WOMEN'S PEP CLUB TELL NEW MEMBERS

By PAUL TAYLOR

The Women's Pep club has announced the new sophomore members for this year. They are:

Eleta Adolf, Jean Alkana, Dorothy Brown, Joyce Crowe, Ada Dwinell, Margaret Flanagan, Helen McDougall, Anna Merrit, Helen Olson, Zoe Starkweather, Jeannette Tully and Margaret Wilson.

Old members are: Shirley Baer, Colleen Cameron, Helene Mataya, Norma Nelson, Marie and Marie Nelson, Charlotte Roe, and Phyllis Schroder.

The Pep Club's officers are: President, Colleen Cameron; Vice-President, Helene Mataya; Secretary, Marie Nelson, Treasurer, Norma Nelson, and Peptorian, Charlotte Roe.

The freshmen members have also been selected.

Colleen Cameron announced that they will order the sweaters as soon as possible and hope to have them in about five weeks.

BEAT CHENEY.

## SOPHOMORES PLAN FOR HOMECOMING

At a business meeting held last Thursday, the Sophomore class discussed activities to be undertaken in the future. The main topic of business was the part the sophomores would have in the homecoming activities.

Because of the keen competition and willingness to help, a great deal of difficulty was encountered in choosing committees.

Committee chairmen chosen for homecoming were: Lloyd Miller and Delbert Pratt, float committee; Evelyn Offield, sign committee; Ross Jackson and Mary Lou Shaver, skit committee.

Dues collectors to obtain class dues were also appointed. They are: Chuck Knetchel, Inez Harde-man, Zoe Starkweather and Benny Jarrett.

## DANCE CLASS TIME CHANGED

The evening dancing class which formerly met Monday and Thursday evenings has been changed to Tuesday and Thursday. The hours remain the same, 6:30 to 7:30 p. m.

Attend the SGA theater party Friday night.

## GOSSIP

Jackie White and Esther Rector were seen laying the fires for Sue's Fireside with wet wood. They disregarded the fact that they were supposed to burn.

Rumors are that everyone had a good time after the game last Friday night.

Barbara Clark and Ruby Gomer were seen Saturday morning mopping Sue's hallways with Jackie White as a mop. Now who is going to mop Jackie?

The girls of Kamola want to have a bench put in front of their hall so they will have a place to sit and "chat" with their boyfriends in the evenings.

Dr. Shaw complains that Art 1 wasn't offered when he was a kid in college so that he is unable to draw legible pictures on the blackboard.

Alford Hall is again in the news. This time with a little card party and four cases of "Syd's" coke. One member arrived home at 4:30 a. m. Was he the last to go? Typical conversation:

1st: "You don't hear what I listen."

2nd: "Well, you don't listen to what I hear."

It seems that Florence Miller is rushing Leap Year a bit.

Since when does dancing class include cokes over at the College Inn, Beverly?

The "King's Row Kids" of Sue's second floor have really been active this week, seeing that each of their members gets a rare sendoff on every date. Positive proof of this can be offered by Marilyn Arnold.

They laugh when I stood up to sing—How was I to know I was under the table.

## WILDCATS DEFEAT WHITWORTH 13 TO 6

Central Washington made it two in a row last Friday, as the Wildcats defeated the Pirates from Whitworth by a score of 13 to 6 in a conference tilt. A muddy field slowed down both teams, but even so, Central's new "T" formation offense showed up very well.

Neither the Cats nor the Pirates could get a sustained drive underway in the first period, and the quarter ended in a scoreless tie.

In the second quarter the offensive mechanisms of both teams started working. Central, receiving a Pirate punt, returned it to their own 44 yard line. On the first play, Lagenbacker threw a long pass which was completed to the Whitworth 27 yard line. Another pass moved the ball to the Pirate's 9. Russ Victor then took the ball over the left side of the line for the first Wildcat score. Lagenbacker converted the try for point.

A few minutes later the Red and Black clad Pirates, fighting back, combined a blocked Central kick with a completed pass and went over for a touchdown. They failed in their attempt to convert the try for point and the Wildcats of Central Washington led by a one point margin at half time.

### Central Penalized

Whitworth received the kickoff to start the second half. Unable to move the ball back up field, the Pirates kicked to the Central 18 yard line. The Cats taking the ball, at that point, made one first in ten, but a 15 yard penalty put the ball back to the Central 19. Forced to punt at that point, the Wildcats recovered the kick as the Pirate receiver dropped the ball. Penalties and fumbles halted the drives of each team and the score remained unchanged at the end of the quarter.

The Wildcats, after being turned back in the third period by Whitworth, started to roll down field. Bud Hill made a fine catch of a Cat pass and was dropped on the Pirates' 22. Taking turns on the ball carrying Victor and Lagenbacker powered through the line for another first in ten, moving the pigskin to the opponent's 11 yard line. Victor again packing the ball went for ten yards to the Whitworth 1. From there Svoboda went over for six more points.

Refusing to accept defeat, Whitworth attempted to move downfield after the kickoff. Good defensive line play led by Bob Osgood and Jack Hawkins, Central linemen caused the Pirates to abandon the ground and turn to passing. The passing game also failed at that point as "Lightfoot" Vanelli, Cat tackle, made a pass interception, thus ending the spirited Pirate drive.

### PRACTICE TO START

The Varsity basketball team will start regular turnouts next Monday, Athletic Manager Leo Nicholson announced this week.

### ALMA MATER RECORD TO BE MADE

Larry Lindberg has contacted Mr. Christiansen of the music department about making a phonograph record of the Alma Mater song to be played after all college social functions.

## Central Washington Wingmen

Playing the end positions for the Wildcats are: bottom row: Ralph Sherwood, Bill Shelton, Gene Edwards. Top row: Bob McCullough, Bud Hill, Jim Satterlee and Bud Kapral.

## Winko Race Turns Into Mad Scramble

The Winco race tightened up tighter than the saddle girth on a bucking bronc as a result of the outcome of a full conference schedule last weekend.

Pacific Lutheran and Eastern are all tied up on top as a result of their wins, with Western and Central close on their heels.

PLC out hammered the WWC Vikings to win by the narrow margin of 6 to 0 to hand them their first defeat of the current season. The EWC Savages ran up an impressive 33 to 0 score over the hapless St. Martin's Rangers to hand them their third consecutive trouncing. Meanwhile, Central was outplaying a strong Whitworth team to present them with their second hard fought loss in as many conference starts.

This week's games sees Central taking on the Eastern Savages before a homecoming crowd at Cheney, and St. Martin's going to Whitworth at Spokane in conference games. In non-conference games, PLC goes to Lewis and Clark at Portland and Western plays North Idaho State at Bellingham.

### Winco Standings

Teams	W	L	T	F	A
Pac. Luth.	2	0	1	48	7
East. Wash.	2	0	1	46	7
West. Wash.	2	1	0	39	12
Cent. Wash.	1	1	0	13	10
Whitworth	0	2	0	6	19
St. Martin's	0	3	0	6	103

### Players Benched With Injuries

Central played without Bud Hake, tackle; Bud Kapral, end; Ray Merk, center, and Jim Carmody and Bob Bonjorni, backs, all of whom have been in the starting lineups in previous games. All were benched with injuries, but are expected to be back for Eastern next week.

### Lineup for Central:

Edwards, Davis, Bort, Kontos, Osgood, McLane, McCullough, Victor,

Lagenbacker, Wright, and Svoboda.

### Substitutes for Central:

Niemeyer, Dorr, J. Satterlee, Hill, Thomson, King, Hoydar, Vanelli, Hawkins, Shuey, Doran, Jensen.

### Score by periods:

Central ... 0 7 0 6-13  
Whitworth ... 0 6 0 0-6

Scoring: Central — Touchdowns, Victor, Svoboda; point after touchdown, Lagenbacker.

## WILDCAT SPORTS

BY GEROME VARNER

The stage is set for the greatest knock down and drag out fight of all time in the Washington Intercollegiate Conference race. No less than four schools: PLC, Eastern, Western, and Central, have indicated that they will slug it out until the last towel is in the ring on Nov. 15th when conference play comes to a close. Meanwhile, the diehard Whitworth eleven will be constantly on the watch for an upset, while the injury ridden St. Martin's Rangers seem to have at least a one year lease on the cellar berth.

To get a better indication of how close these teams are take a look at these scores: Western 4, Central 0; Eastern 6, Whitworth 0; PLC 7, Eastern 7; PLC 6, Western 0; Central 13, Whitworth 6; and St. Martin's has been defeated by Western, PLC, and Eastern by overwhelming scores of 35 to 6, 35 to 0, and 33 to 0. If you note any indication there as to who should be favored to win this week's game between Eastern and Central at Cheney please point it out to us; we fail to see it.

It looks like a toss up game, but here at Central we beg to differ with the odd makers this time. Sure, we realize that Eastern will be fighting before a friendly homecoming crowd, but that only means that the Central players will have to take a few more bruises and in turn give out with their share of additional "rough up" stuff. This game means too much to the defending champs to let their rivals take it "just to please a homecoming crowd."

The Wildcats looked and played like a new team last week. They convinced many doubters that the Central Washington football glory of the past two seasons has by no means faded to her sister colleges of the Winco conference as had been indicated in the two previous games.

Four reasons may easily have played a share in Central's slowness in shaping up this year. First, they turned out for fall training from one to two weeks later than conference foes. Second, they played no pre-conference "easy touches" for practice as other teams did. Third, the boys had to break in with a new coach with a new formation, both of which are proving valuable, but it takes time to make changes. Fourth, but undoubtedly not last, the boys had to learn to get along without the influence of "Clipper" Carmody to keep up the team spirit.

Our opponents are tough and the going will be rough, but when you are looking for the probable champ don't overlook the Wildcats from Central Washington College in Ellensburg.

# The Race Is On . . . . . Know Your Players

## JIM SATTERLEE

His previous football experience includes four years in high school and one year at the University of Washington. In high school he was winner of an inspirational player award, all-Lakeside, and captain of his team. This is his first year at Central. This tall, blonde, and handsome army veteran from North Bend is majoring in physical education. Other information about him includes: height, 6'2"; weight, 193 pounds; age, 20 years.

## NORLAND KING

He is a sophomore guard from Broadway in Seattle. He played football in high school and is one of Central's ace substitutes. King is 5'8" tall, weighs 190 pounds and is 21 years old. There are numerous other things that he is famous for but it will not be printed because of Mr. King's modesty.

## BOB "FLUB" MORRIS

Bobbie is a sophomore guard from Seattle; he played football and track in high school. He plays guard on the Central team and is majoring in physical education. This veteran of the marines was a ski instructor at the Silver Dollar Ski Bowl last winter. He is 5'8" tall, weighs 207, and is 23 years old. His buddies insisted that he be quoted as saying, "You girls are out of luck, I'm engaged now."

## BOB "JINX" MILLER

Bob played tackle last year but is taking a stab at the fullback position this year. This marine veteran hails from Bellevue and is majoring in business and engineering. He is 5' 10", weighs 170, and is 22 years old. He makes a plea to the girls, "Better get married soon—losing my hair fast."

## STAN "SOURDOUGH" McLANE

We have here a one year letterman marine veteran from Kasifof, Alaska. He is a tackle majoring in engineering. Stan spends his summer vacations fishing in Alaska. Interested in hunting and other sports, he would like to see California go places in football this year. Vital statistics: 6', 200 lbs., age 23. About Central McLane says, "It's a very friendly school," but his friends insist that there aren't enough fish and Indians here for him.

## JIM "LITTLE L. G." CARMODY

One of the important things about Jim is the fact that he is a brother to "Clipper." After he was all-conference for the Ellensburg high school for three years he spent some time in the infantry and then received his first letter here at Central last year. He is now studying pre-dentistry and plans to attend dental school at Creighton University in Nebraska next year. He plays halfback but has been out of the lineup most of the season because of injuries. He made this point clear, "The girls at Central Washington College are the hardest hitting girls I've ever seen; what this school needs is a girl's football team." (I think he was tossing this remark at some certain individual).

## JOHN "SPEEDBALL" DAVIS

John, where did you get such a flattering nickname? At any rate, he is a letterman tackle from Ellensburg. He is a veteran paratrooper from the ETO and receiver of the purple heart, bronze star, and the presidential unit citation. Davis is 6' tall, 23 years old, and tips the scales at 210. A junior majoring in fine arts, he is interested in other sports including basketball, hunting and skiing.

## JIM "GREEK" KONTOS

Jim is a navy veteran from Ellensburg playing his second year as a center for the Wildcats. He is 6' tall, weighs 190, and 21 years old; he played two years in high school. Jim is a sophomore majoring in physical education. Kontos hinted that we might add this remark from him, "The situation is looking better boys. Did you get a load of these new freshmen girls, eh Victor?"

## WAYNE "JENSE" JENSON

He is a one year letterman at Central from Moline, Illinois where he received honorable mention for all-state in high school. This veteran of four and a half years in the navy plays halfback and aside from sports, he plays the role of husband and father. He stars chiefly as carrier and line bucker. He is 6' tall, weighs 200, and 25 years old; and other interests include, basketball, hunting and other sports. In regards to the Wildcats' chances of retaining the crown he says, "I think our possibilities of taking the Winko conference are still high."

## Jayvees to Clash With Army Eleven

The Wildcat junior varsity team will travel to Port Townsend this weekend to play an Army eleven from Fort Worden, Coach Arne Faust announced.

Little information is available about the strength of this Army eleven since they are just getting organized. They have agreed to furnish transportation, housing and food for the Central team.

The Central J. V. squad is composed of boys who are either too small or inexperienced to nose out the larger boys on the varsity squad, but they show excellent spirit and many of them should be playing on the varsity squad in coming years.

The object of a J. V. schedule is to give everyone interested a chance to play as much as possible. Special emphasis is placed on teaching the boys the techniques of the game. This bars no one and all have a chance Coach Faust said.

Lyle Kinney, who has played four years for Central as an end is assisting Coach Faust with the J. V. training.

As many boys will be taken on the trip as possible. The following tentative starting line up is subject to change after the traveling squad is picked for Cheney.

Player—	Position
Tom Myers	C
Ray Burgener	LG
Al Burgener	RG
Norm Benjamin	LT
Bothell	RT
Will Shelton	LE
Schooler	RE
Geffe	QB
Houser	LH
Anugerman	RH

## EASTERN SERIES SQUARE TO DATE

The records show that the odds are all even in past encounters between Central and Eastern, each having won 9, lost 9, and tied 3 games.

Thus the stage is set for the deciding game of all time competition between these two rivals as they tangle on the gridiron before a homecoming crowd at Cheney Saturday at 2 p. m.

For the benefit of any curious individuals, here are the records over the years since 1921, except for the '23 and '26 records which are not available.

Year	Eastern	Central
1921	0	6
1922	10	13

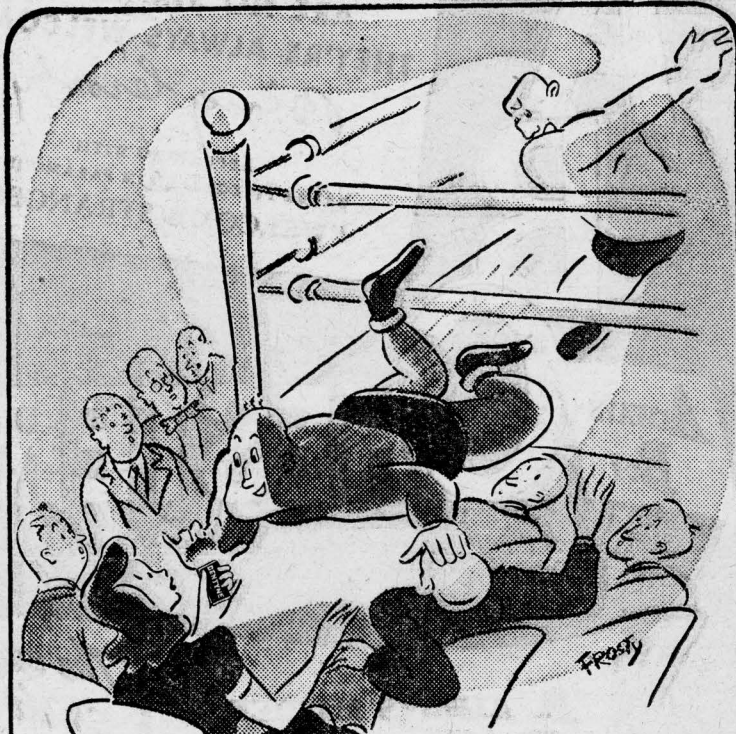

1924	33	6
1925	6	0
1927	7	25
1928	7	13
1929	7	7
1930	6	12
1931	6	7
1932	0	0
1933	6	13
1934	8	0
1935	0	0
1936	12	6
1937	18	0
1938	6	0
1939	7	0
1940	14	7
1941	7	0
1942	6	15
1946	6	7
Totals	172	137

### JERROL'S COLUMN

Each week Jerrol's will sponsor a "Letter to the Editor" contest open to all students, faculty, and wives of students.

The letters to the editor should pertain to the college students . . . i. e. cooperation, social functions, gripes, international or national affairs, or subjects of general interest to the student body.

The winner of each week's contest will be awarded five dollars in merchandise from Jerrol's Store, which is located one block west of the college library. In case of a tie, the award will be split among the winners.

All entries are to be submitted either to Jerrol's Store, the Campus Crier box in the library, or to the Crier office in Room A-101. All entries must be entered before Saturday morning of each week.

The first winners of "Jerrol's Column" letter to the editor contest are printed below. Since both letters were about the same subject and suggested the same solution, the judges have divided the prize in half.

Both contestants will receive a note in his box which will be worth \$2.50 in merchandise at Jerrol's Store.

To The Editor, Campus Crier:

During the preceding summer session an all school assembly was held in which both students and faculty participated in an open forum discussion of the United Nations plan for world-wide peace. From that discussion it was made evident that we as a general public are not too well informed.

It is true that there was much factual information presented, however there were no well formulated ideas based on actual knowledge or research, but rather some very general, and usually biased, ideas based on hearsay or newspaper accounts.

Realizing that assemblies of this type can too often be dry and uninteresting, I do feel that the assembly which was held was a step in the right in the right direction toward enlightening those of us who make up the average citizenry of our country.

I should like to propose then, that additional assemblies of this type be scheduled, that the topics for discussion be current, and that they be announced far enough in advance so as to allow ample time for consideration and planned thought by those who participate.

I should suggest one topic of discussion be that of the confining ideologies and cultures of Russia, representing communism, and the United States, representing the democratic peoples of the world. Never before in the history of mankind have two so widely divergent and apparently irreconcilable ideologies come into open conflict. It is said that these two factions have no common meeting ground. That may be true as far as the political implications are concerned, but I wonder if we do not have something in common from the standpoint of the average citizen.

The fact that the common people of the two leading nations of the world know so little of each other, should surely provide one clue toward reconciling them to living harmoniously in one world.

I should like to hear a discussion of this issue.

GLENN LEUNING.

#### OUR APOLOGIES

Dear Editor:

In your last edition of the Crier under the picture of the band and in regards to the "pick-up rally" it was stated that this rally began at Kamola. Are you just ill-informed or didn't you know that it began at Montgomery Hall?

An interested reader,

B. J. W.

Ed. Note: We didn't discover the error until too late . . . give Montgomery our apologies.

Dear Editor:

After Monday's assembly on "Success in Marriage" I became even more aware of the exceptional speakers and personalities we possess on our faculty.

When discussing the subject with several other students I found them to be of the same opinion, and began making inquiries as to the possibilities of having the members of the faculty lecture to the student body on various current topics pertaining to their particular fields of study.

I soon learned from several upper-classmen that such a program had made a very successful run in the '45-46 term. In this series one night a week was given over to the lectures. A subject such as Russia was taken up and then the department heads lectured on the aspect of the country with which they were most familiar.

I sincerely believe that another series of lectures of this kind would be invaluable to the mass of the student body.

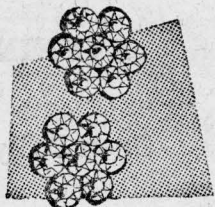

It would help us all in formulating opinions and broadening our viewpoints on the nations with which we are to live and do business in the peaceful or disastrous future.

If the members of the faculty are willing, I suggest that the social commissioner and the members of the SGA council combine their efforts to bring us better assemblies with our own faculty as speakers.

A. E. McDOUGALL.

Dear Editor:

After having established an International Correspondence Bureau, I—on behalf of members of my waiting list—take leave to apply to you. May I request you to put me in touch with readers of your paper interested in friendly correspondence?

Having been secluded from the outside world these long years, and yearning for a real democratic enlightenment and a personal contact from man to man across borders, my members would only too gladly welcome and answer letters from abroad. Most of my members (among them scientists, students, experts, businessmen and other well educated ladies and gentlemen, and also hobbyists, housewives and even young boys and girls) have a fairly good knowledge of English, but would also be pleased to write in German, if desired. I am sure, my members will try and give their pen-friends every satisfac-

tion.

Individuals and groups of persons may communicate with me direct stating their particulars and interests. All letters will be attended to and all applications linked up. If possible, two or three reply coupons should be enclosed to cover expenses, and also to save time an introductory letter to future pen-friends over here will be appreciated.

Pen-friendships are a step towards the creation of that international friendship and good will that is so essential to understanding and peace, don't you think so?

Yours hopefully,

A. M. BRAUN.
