FROSH CLASS MAKE HOMECOMING PLANS

Plans for homecoming were formulated at the freshman class meeting held last Friday in the auditorium.

The meeting was called to order by President Bill Shelton. An election of social chairmen followed. Elected were Ann Coyle, Yakima, and Steve Smith, Sunnyside.

Ten frosh beauties were elected to ride on the freshman float for the homecoming parade Nov. 8. Their names will be announced later.

Dale Troxel, SGA representative, told the frosh about the bonfire that the freshmen traditionally build. He explained the duties of the greenhorns and the traditional attempt by the sophomores to burn it.

Shelton announced that class dues should be paid in the next few days. There have been collectors assigned for each hall and a table will be placed in the Ad building for the off-campus freshmen.

A musical program concluded the meeting with Les Houser singing two selections and he was encored for a third.

Laural Templin offered a Chopin selection. Jimalea Bayes sang the "Wippenpoof Song" and "If You Are But a Dream." She was accompanied by Laural Templin.

Bob Warner played two boogie selections on the piano.

The musical program was concluded by amusing and differently arranged versions of "Lady From the 29 Palms" and "Sheik of Araby," played by Larry McVey and George Ice. For their encore they played "Begin the Beguine" and "Chop Sticks."

DEPOSIT RECEIPTS NEEDED FOR ROOMS

There has been some confusion on the part of men students regarding dormitory room deposit receipts. This is an attempt to clarify policies concerning them. No one is eligible to live in dormitories without a receipt. The date on the room deposit receipt determines priority for dormitory occupancy. Munson hall rooms are available to men with the oldest deposit receipt date.

Room deposits are refundable at any time providing there is no damage to dormitory property and advance notice is given of intention not to occupy a dormitory room.

Men who drop out of school should not withdraw room deposits if they expect to re-enter and occupy a dormitory room. The only way to maintain a priority on the room list is by leaving deposits in.

If you wish to live off campus or drop out for a quarter be sure to notify the dean of men's office.

As long as you have a room deposit a room is reserved for you each quarter. If you do not occupy your room and fail to give advance notification of this your deposit is automatically forfeited.

Hogue and Wade Attend Meeting

Professor Hogue, adviser of the Hyakem, and Don Wade, editor of this year's Hyakem, went to Granger, Washington, Saturday, October 25, to attend a meeting of an all-valley yearbook or annual conference.

Mr. Hogue was the principal speaker of the day. He spoke on the subject, "Layout and Plans of Annuals."

The meeting was held at the Granger High school with well over a hundred students attending from twenty schools.

The purpose of this conference was to obtain better ideas for annuals in the future.

VET ADVISORS TOLD ABOUT GI CHANGES

Mr. Seago, Veteran training officer and Mr. Maier, Veteran advisor, spoke last Thursday morning for an assembly concerning changes in the GI Bills.

The veterans were informed of the provisions of Public Law 16, the vet disability bill, and Public Law 346, the GI Bill for all veterans.

It was advised that if you were having any troubles with your studies or not satisfied with your courses, see Mr. Fisk, Dean of Men. He in turn would make an appointment for you with the Veterans Administration for an interview. They would be able to find out, by the interview, why you were unsatisfied or unable to get satisfactory grades, and advise you how to remedy your problem.

Night Watchman Of Campus Is Interesting Person

By John Olson

The "Old Lamp Lighter" of Central's campus is A. G. "Tony" Anderson. Tony, who is the night watchman, goes about his work much in the same way as the old gentleman in the popular song.

Couples he sees on the campus during his nightly jaunts are not bothered as they often remind him of his youth in Sweden.

Although he was born in Sweden, Tony said that a great deal of his 71 years were spent in our own Northwest, during which time he worked as a groceryman and janitor. His present job as night watchman has been held by Tony for only a year and he cleaned classrooms in our buildings for two years.

The night's work begins for Tony just about the time we are getting ready for bed, at 8:30 p. m., and ends while we're getting our best sleep at 4:30 in the morning, when he turns in his time clock punched with the time of his arrival at the specific spots on the campus he visits during the night.

When asked to tell of some of his experiences Tony related how he caught three boys trying to get a midnight snack at Kamola's dining hall. He quickly added, smilingly, "Now be sure not to mention any names and get the boys in trouble, I couldn't have that."

Just before he tried the lock on the last window in the room, I asked him how he liked his job.

"Fine," beamed Tony, "and I hope to make it last for quite a while, but when you're as old as I am nothing is as uncertain as life."

With that he ended our conversation and disappeared around the corner, his grey mustache spreading with his smile, as he said, "Be seeing you later, I'm a little bit late."

Frosh Plan Biggest Bonfire In History

The Freshmen this year plan on having a bigger and better bonfire than ever before. The president of the Freshman class has made a plea that all frosh get out and help.

The bonfire was added as an extra feature to the Homecoming events on November 3, 1933. Since then it has been a regular part of the Homecoming events.

Last year, after the Freshmen stayed up for nights guarding the bonfire, it was started as scheduled after the rally through town.

Good luck, Freshmen, but remember it is also tradition for the upperclassmen to try and start the bonfire before schedule.

SQUARE DANCE CLUB ANNOUNCES FIRST MEETING

The first meeting of the Do-Si-Do club will be held after the regular night mixer November 5th.

Anyone who knows how to square dance or who would like to learn are invited to attend.

PART IN HOMECOMING PLANNED BY O. C. MEN

Plans for the Off-Campus Men's part for the Homecoming activities were discussed at a business meeting held last Thursday night in the Administration building.

Committees have started to work on the float, skit, and sign and should have them completed early next week. The men will enter their own float in the parade, while both Off-Campus Men and Women will take part in the skit and erection of the sign.

Also discussed at the meeting were two proposed changes in the constitution. The first was the selection of meeting nights and the second concerned dues. The proposals will be voted on at the meeting to be held tonight.

The social committee is planning to start work on a stag party to be given shortly after Homecoming. They also hope to arrange a mixer with the Off-Campus Women in the near future.

EXTENSION COURSES OFFERED BY CENTRAL

During the next few weeks Central Washington College is offering courses for teachers at Ephrata, Yakima, Wapato, Toppenish, Sunnyside and Kennewick. These are extension courses to give teachers a chance to continue their work while they study.

The courses are on the same level as campus courses and will give the same number of credit hours.

Modern reading programs; elementary and junior high curricula; guidance and personnel procedure; creative design; photography; Washington history and government; manual-school state law and art methods and materials will be offered at the various districts.

Faculty members from CWCE who will work as instructors for these extension courses will include: Dr. Charles Saale, chairman of the division of education and psychology; Dr. Loren Sparks, professor of education; Robert Fisk, veterans' counselor; Glenn Hogue, art department head; Miss J. Burley and Mr. R. Randall, both of the art department.

While the courses are primarily given for teachers, they are open to anyone interested.

COLORED WILDLIFE PICTURES SHOWN

The rare natural beauty of Washington State was shown Tuesday morning in the auditorium when Lois and Herbert Crisler, wildlife photographers, presented their colored movies with sound narrative showing wild animals in their native habitat in the Olympic mountains.

For five seasons the Crislers have packed their cameras and camping equipment deep into the Olympic forest to explore where no man has been before. Photographing wildlife and flowers far beyond the reach of civilization, they spend all their summer months with no contact with the outside world. Skilled in the ways of the elk, deer and bear, they recognize the trails left by these animals and follow them up over high mountains and perilous peaks until it is possible to photograph them grazing naturally.

The pictures were presented to the students on the college's new arc-lamp projector which allowed the maximum benefit for reproduction.

Foster First IK Member Having Baby

In the history of the Intercollegiate Knights, Howard Foster is the first active member of the IK's of CWC to have a baby.

Of course, Mrs. Foster had something to do with it.

The baby, Rachel Jane, was born in the Ellensburg General hospital on October 21st.

Plans Underway For Biggest Homecoming In CW History

Homecoming, November 7 and 8, is just around the corner. Under the leadership of Homecoming co-chairmen, Bev Cox and Tiny Flory, the students have been busily preparing for the affair. All clubs and organizations are making signs, floats for the parade, preparing skits and working to make this year's Homecoming a greater success than any in the college's history.

C.W.C. REGISTRAR ATTENDS SESSIONS

Mr. Edward B. Rogel, registrar, has been participating the last two weeks in conferences sponsored by the Interstate Committee of High School-College Relations in various parts of the state.

In 12 regional conferences throughout Washington, high school seniors have attended to work with representatives of the various colleges in selecting their future vocations.

During the first week Mr. Rogel attended conferences in Chehalis, Tacoma, Renton, Bremerton, Seattle, Bellingham and Everett. This week he is attending similar conferences in Wenatchee, Ritzville, Spokane, Walla Walla and Yakima. He will return to the campus November 1.

Production Class Produces Props

The hands of 40 members of the stage production class are working backstage in the college auditorium setting the scene for the comedy production "Arsenic and Old Lace" under the direction of Norman Howell.

In a corner one can see Gerhardt Diekman, who is in charge of backstage production, scene building and decorations, having his crew of carpenters renovating the scenery given to the college drama department by the Clarence Farrell's of Ellensburg two summers ago. This crew is constructing flats, platforms, doors, windows and furniture. Mildred Bow stands out as a carpenter as she wields a mean hammer.

Every member of the production class has a chance to show their ability in gluing and nailing corner-blocks in the assembling of the scenery.

Gene Gregory and his helpers Les Houser and Ivy Judkins are overhauling lighting equipment—spotlights and cords. This job consists of cleaning and polishing reflectors and lenses, checking and soldering all connections of the cords and splicing on the twelve spotlights and four flood lights.

On the end of inventory and arrangement of equipment and supplies are Gay White and John Garney.

The painting crew supervised by Delmar Thompson and Vern Harkness are decorating flats in many colors with Sarah Alkana, Don Castagna, Ruby Gomer and Joselyn Otey doing the painting. Phyllis Marsh and Faye Alexander have the position of picture frame painters.

FACULTY SELECTED FOR PUBLICATION

Miss Delores Garrison of the College physical education staff and Miss Gladys Baker, health coordinator in the Ellensburg public schools are co-editors of the State Bulletin which is a publication sponsored twice annually by the Washington Association for Health, Physical Education and Recreation.

This bulletin will be distributed to members throughout the state and to state associations throughout the country.

The first issue of the bulletin will carry articles on health education, recreation, athletics and physical education. Much of the first issue is devoted to the annual state conference which is being held in Walla Walla on November 14-15.

The clubs and organizations have been assigned their locations to place their signs. A keen competition has arisen among the clubs to see which organization can make the best sign and win the prize.

The frosh, under the leadership of president, Bill Shelton, have announced that the bonfire will be the biggest and hottest blaze that has ever been seen in these parts. The sophomores have different ideas about this subject. Since the frosh outnumber the second year students, it is probable the greenhorns will live up to their word.

The football game between Central and PLC will be played on the Rodeo field at 2 p. m. Saturday, November 8. The game will be a battle against one of the top Winco teams of the season.

The SGA sponsored dance will be held Saturday evening from 9:30 until 12:30. All alumni and students will gather to renew old friendships.

Many colorful floats are being designed for the Homecoming parade. The queen and her princesses will be featured in the parade that will wind its way through the main streets of Ellensburg.

Homecoming is intended to renew and strengthen the relationship between the alumni and undergraduates.

A tentative schedule is announced by the co-chairmen as follows:

Friday, Nov. 7

Registration of Alumni, 1:00 to 5:00 p. m.

Coronation of Queen, Stunt Night 7:30

Stunt Night, 8:00 to 10:30 p. m.

Frosh bonfire, 10:30 p. m.

Saturday, Nov. 8

Registration continued, 9:00 to 10:00 a. m.

Parade, 10:00 a. m.

Football (CW vs. PLC) 2:00 p. m.

Banquet, 6:30 to 9:00 p. m.

SGA dance, 9:30 to 12:30 p. m.

Kamola Fireside, 9:30-12:30.

APPLE KNOCKERS THEME OF DANCE

The "Appleknocker" dance, an event of November 1, will be sponsored jointly by Montgomery and Munro halls.

The dance is planned around a theme of "apples" with a color scheme of red, green and yellow.

Music will be furnished by the juke box.

To carry out the theme students are urged to wear jeans and plaid shirts. No admission will be charged, but the apples will be sold.

Co-chairmen for the affair are Ann Coyle and Steve Smith. Irene Klett is chairman of the refreshment committee. Assisting her are Edie Sandberg and Bill Baird.

The entertainment committee consists of Bob Slinlander, chairman, with George Ice and Jerry Bessey. The decoration committee includes Nancy Vick, chairman, Walt Nicks, and Cal Parrish.

GUILD SPEECH PLANNED

Miss Sidnie Davies of the English department assisted in a panel discussion entitled "Appreciation of Consumer Values" last Saturday, October 25 held at a junior high Girls' Club Conference at the Morgan Junior High school.

On Wednesday, November 5 at 8 p. m. she will speak on "Chinese Children" to the ladies of the Wesleyan Guild of the Methodist church.

Homecoming Queen Election Next Week

Know Your Candidates

Eight candidates for the title of "Homecoming Queen" were elected by the Intercollegiate Knights last week. Each year, the IK's choose the candidates for this coveted title. The winner will reign over the festivities during homecoming and the two girls who are runners-up will become the queen's princesses.

The candidates chosen to run are: Mary Horton, Marty Ludington, Marie Nelson, Helen Olson, Betty Jo Partridge, Mary Lou Shaver, and Betty Shelton.

The beauties were elected as candidates because of their popularity and personality. The winners will regin over the parade, dance and football game. They will be crowned at Stunt Night, to be held in the College Auditorium, Friday evening, November 7.

In order that the freshman and transfer students may become familiar with the activities of these girls, the following will give a brief introduction:

MARY HORTON

Graduating from Sunnyside High school, Mary came to Central last year. She has brown hair and brown eyes. English and speech are her majors and junior high school teaching is her aim. Mary is a member of Sigma Mu, secretary-treasurer of the sophomore class and secretary of Kamola Hall. Singing and dramatics are her hobbies, but she likes basketball, football, ice skating and soft music.

MARTY LUDINGTON

Marty has brown hair and blue eyes, known to her friends as "banjo eyes." Graduating from Bothell High school, with honors, she has attended Brigham Young University in Salt Lake City, the University of Washington and has been at Central for the last two years. Music, speech and social science are her minors. She hopes to be a first grade teacher. She likes skiing, good music and plays the flute well.

BETTY SHELTON

A local Ellensburg girl, Betty is now a junior at CWC. She is blond with blue eyes. Her major is social science. Betty was princess of the Ellensburg Rodeo in 1945. She is president of the OCV and vice-president of the AWS. She also belongs to the Wesley Club and the Herodoteans besides being business manager for the Campus Crier.

BETTY SVARE

A music major, Betty plans to teach when she graduates from C.W.C. She belongs to the A.W.S., Sigma Mu, W.R.A., and Interclub council. She was princess of homecoming last year.

HELEN OLSON

One of the musical talented candidates for queen is Helen Olson. She played the piano for almost eleven years and is interested in music.

Following graduation from high school, she entered CWC to major in teacher training.

Helen is an active member of the Iyoptians, Sigma Mu and Pep Club.

MARIE NELSON

Maris is a graduate of Thorp High school. Blond hair and blue eyes are her outstanding features. Home economics is her major, but she isn't positive about teaching it. Dancing, basketball and baseball are her favorite pastimes. Marie is vice-president of the Home Economics Club and secretary of Pep Club.

MARY LOU SHAVER

Mary Lo is a graduate of Sumner High school and a sophomore at Central. She is a member of the Iyoptians, the band, A. W. S. and secretary of Sue Lombard Hall. Music is Mary Lou's major and she hopes to teach in junior high school. Ice skating and skiing are her favorite sports.

BETTY JO PARTRIDGE

Betty Jo comes from Puyallup. She has black hair and brown eyes. Transferring from Tacoma Catholic College for Girls, she has been attending Central for two years. Her ambition is to be a first grade teacher. Football is Betty Jo's favorite sport, she sings, dances and plays the piano well. Betty Jo is a member of A. C. E., the Newman Club and secretary of S. C. A.

the great amount of talent here on the campus, there is no reason why we can not out do ourselves and make the signs larger and better than ever before."

HOME COMING SIGNS CREATE COMPETITION

By JIM McGRATH and WANDA RIDDLE

Many various homecoming signs will soon appear on the campus. The question is who is going to have the best sign?

Members of the Iyoptian Club under the direction of Mary Lou Shaver, say "there is no such question. Ours will be the best, and it will be located to the left of the auditorium walk way."

A Pep-club member responded: "That's was you think! With Colleen Cameron as committee chairman and our sign at the front of the auditorium walkway, we can't be beat."

"Ohhhh, such conceit," murmured an Alford Hall freshman, "I'll admit that there is a question as to who will win but everyone knows the answer by now. Alford Hall. How could we lose with our sign in front of the Library and Jim Satterlee as chairman of the committee?"

Heroditan members and Kappa Pi supervised by Phyllis Babcock can't get the idea that someone else might win. Each seems to think that "it's in the bag." Herodoteans sign will be in front of the Library and Kappa Pi's will be along Hello Walk between the Library and the Ad Building.

Off Camps Men and Women Work Together

Conversation between the Off-Campus Men and Women and the living groups on the Campus sometimes reaches a point beyond the normal tone of speech and competition runs high. Each dormitory will use the lawns around their building. Munro Hall sign will appear along Hello Walk between Library and Auditorium. Off-Campus Men and Women's sign will hold the triangle across from Kamola.

Freshmen class members state "We've been pushed around since school started but now we'll get even." Their sign will fly from the Auditorium to Kamola.

The Sophomore class under Vet Ville will be located on the grass between the Ad Building walk and Hello Walk.

Kappa Pi Says They Can't Lose

"With Frances Hoydar as our chairman and all the talent on the committee our sign can't lose" states Kappa Delta Pi. Their sign will be located on the back side of the auditorium.

"Hmmm!" exclaimed students from the Whitebeck Club, Sigma Mu, and W. R. A., "We'll see who wins!" Each will be located in front

of the Auditorium. Les Houser is in charge of Sigma Mu and Jean Sampson is in charge of W. R. A. sign.

"Everyone's in for a surprise when they see our sign exclaimed the mighty Seniors. Bud Garrison heads the committee and the sign will appear to the left of the Library Walk.

"Oh heck!" that's what the W Club member said, "we're not so dumb. We know the plans of all other committees so take a tip from us. We are going to win."

Home Ec Club under June Hill

will use part of Kamola's lawn for their sign.

Montgomery Hall with committee chairman Dot Sapriel, and Carmody Hall under Bruce Harding are out to win. Both signs will be located east of the Library.

Sign Chairmen Say Signs Due

To Be Best Ever

While interviewing co-chairmen for the Homecoming signs, Dave Marsh and Jim Brooks, we received this statement: "We expect better Homecoming signs around the campus then we have ever had. With

PROF. HOGUE TELLS OF CORN RAISING

By Jim McGrath

Among the better gardeners of the school—Dr. Mohler, Dr. Samuelson, Mr. Treadwell and others—Mr. Hogue of the art department rates high.

Mingled with Mrs. Hogue's beds of petunias, zinnias and asters this professor grew his garden of tomatoes, huge football sized muskmellons, watermelons and other regular members of an above average vegetable and fruit garden.

This year Mrs. Hogue was somewhat of an experimenter. In the fall of 1946 Mr. Hogue took a trip East. One custom which they particularly liked was a custom of the New England people to gather the shucks of three ears of Indian corn back and hang these three ears by the door knocker as a sign of welcome.

Perhaps it was this interest which drove Professor Hogue to bring an ear of the colorful vegetable to Ellensburg from Waltham, Mass. This fall stocks of six to six and a half feet rose up from the twelve hills of corn which he planted from the one ear.

The color, size and texture is very similar to the original Indian corn. Rich, rare licorice-blacks, yellows and reds were gained. Professor Hogue believes that this mixture of color was due to the act that the corn had been tampered with somewhere along the line. As for the taste, the Hogue family found that it was not very sweet, quite hard and very much like stock corn. An exhibit of this Indian corn was made by Mr. Hogue in a glass display case on the main floor of the Ad Building near the Business Office last week. This drew especially the art students and garden fanciers and displayed to all the rare and varied hues of color at Nature's best.

W. R. A. PICKS COMMITTEES

Jean Sampson, President of W. R. A. has selected committees for Homecoming.

The float committee is: Betty Jo O'Donohue, chairman; Pat Miller, Midred Bow, and Mickie Lortie. Edna Hyatt and Lois Fenich are in charge of the Homecoming sign. Alice Carlson, chairman; Joan James, Alice Hoggarth, Cecilia Cox, and Nella Bledsoe were chosen to head the W. R. A. skit.

These girls have had several meetings and are out to win as well as to make Homecoming a real success this year.

Pink, Blue Shower Honors Mrs. Niemeyer

Pink and blue was the setting for a lovely shower given for Mrs. Hal Niemeyer at the home of Mrs. Ed Bartlett on October 12th at 8 p. m. Mrs. Bartlett and Mrs. Norman Pedersen were co-hostesses.

Games were played during the evening with big prize going to Mrs. I. R. Berto of Bothell, mother of Mrs. Niemeyer. After the entertainment the honored guest opened her many gifts centered around a large stork saying "Bundles for Baby Niemeyer."

The refreshments included a large cake decorated in pink and a small cake decorated in blue with "Jr." written across the top. Coffee and cocoa were also served.

STAFF MEMBERS AID IN-SERVICE PROGRAM

Several college staff members have been engaged in In-Service Teacher Education in various school systems of central and western Washington during the current quarter. The purpose of this service is to aid teachers in the solution of various problems concerning their profession.

Dr. Loretta Miller and Miss Mary Simpson, both of the Education Division, are on leave during the quarter; working with teachers throughout Pierce county. Dr. Miller appeared on a radio broadcast in Tacoma last week under the sponsorship of the Pierce County Parent-Teacher Association.

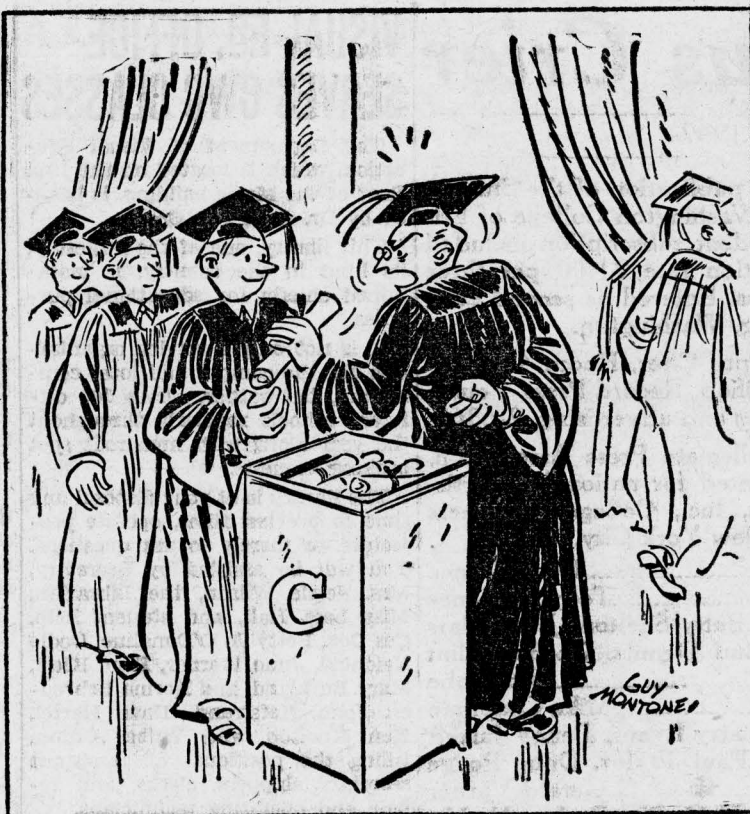

In the art division, Miss Josephine Burley has been in Sunnyside helping the Sunnyside teachers in the development of their art program. She is also scheduled to hold conferences with the Richland teachers on October 30 and with those of Pasco on the 31.

BORN

A son, weighing six pounds and eight ounces, was born to Mr. and Mrs. Loren Troxel of Kittitas, at the Valley General hospital, October 23. Mr. and Mrs. Troxel are former students of CWC.

Give a woman an inch and she tries to become a ruler.

PLAN HOMECOMING EDITION

The Campus Crier plans to put out a twelve page souvenir "Homecoming Edition", November 6.

Anyone who would be interested in working on this edition or have any information that would be helpful to make it more complete would be appreciated.

All clubs and organizations are asked to submit articles about their club's activities in homecoming. We want to include all the floats, skits, and general work each organization has done. Only through complete cooperation can The Crier make this edition a success.

LIBRARY NOTES

Do you need a lift? Will a good chuckle or two help you out?

The library has a book which will give these to you. It is the Book-of-the-Month Club selection for October. **Zotz!** by Walter Karig.

It is the story of Dr. John Jones who accidentally acquires the power of the Evil Eye. When John Jones discovered that by pointing his finger at any living thing and exclaiming "Zotz!" he could stun it, he wanted to put his force at the service of his country.

Yet when he endeavored to offer these powers to official Washington, as his contribution to the war, he was given a series of frustrating brush-offs. The story is a satire at official Washington, told in an amazing and wholly amusing way.

On the display table this week you will find other new books. A new novel which makes good reading is "Bright Promise" by Richard Sherman. It is the story of a marriage reflecting the American scene from the inauguration of President Roosevelt to his death in 1945.

Another Book-of-the-Month Club selection is "Gus The Great" by Thomas Duncan. This is long and sprawling but the characters are many, varied and full of vitality. It is the chronicle of the life of Augustus H. Burgoyne, newspaperman and showman and of the many people he came into contact with. The book has the color and life of the two-and-three-ring circuses that Gus promoted.

MUSIC PLAYS CUPID TO DUET

Hailing from Central Washington College of Education, the little nymph of music has successfully completed his journey as cupid, for Marilou Gilmore, freshman, received her third finger, left hand ornament from Jim Ware, junior, Monday, October 20.

The couple met in May when the College A Cappella choir presented concerts throughout the state. High-line High school, from which Marilou graduated in June, was on the list of schools visited, and Jim was a member of the choir.

Jim is a transfer from Stanford University, and majors in foreign language. Marilou is majoring in music.

Baby bee: Just a bumble from heaven.

THE POWELL TWINS NEW YELL QUEENS

By CAROLE ROMANO

With the football season well under way, the Powell Twins, our yell queens, are a center of attraction.

Nadine and Corinne hail from Yakima high school. This is their sixth year of cheer leading so they must be old hands at it.

They are 18 years old, five feet four inches tall, have light brown hair and big blue eyes, and one one can tell them apart. They have been known to trade dates without the boys ever knowing the difference. Both are freshmen living in Sue Lombard hall.

Corinne's favorite food is bananas and her pet peeve is: not enough coffee cake and bananas for breakfast. (Hint, Hint).

They both love all sports, especially skiing and tennis. They can hardly wait for the snow to come so they can don their hickories.

The twins are majoring in Physical Education with a minor of art. They plan to attend CWCE for two years before entering the University of Oregon.

CANTERBURY CLUB HOLDS MEETING

The Canterbury Club, an Episcopal Church college organization, met at the home of Mrs. John Moser, Jr., Sunday evening for a supper and meeting.

A supper was served, followed by violin selections by Mr. H. A. Bird, music instructor at CWC, accompanied by his wife. The business meeting followed with Miss Janice Miller in charge as acting president.

A program chairman was appointed, as well as a food chairman and a man and woman to check and find out how many will attend the next meeting.

Mrs. Rufus Schnebly's invitation was accepted to have the next meeting, Sunday, November 2, at her home in the country. Transportation will be furnished.

All college people interested in joining the Canterbury Club are requested to contact Shirley Beck, Janice Miller or Jim Poage. Plans are being made to serve refreshments at the meeting next Sunday.

She passed . . . I saw and smiled. She turned and smiled in answer to my smile.

I wonder if she too could know her slip hung down a mile?

VISUAL ED. OFFICE SERVES CWC CLASSES

The Department of Visual Education, which is located on the first floor of the Music building, is headed by Dr. A. J. Foy Cross.

This library, one of the largest of its kind in the country, is maintained chiefly for educational purposes.

It is not only a service organization for the campus and local community, but rather, serves 106 different schools regularly throughout the year along with numerous spot booking requests.

The library is at your disposal any time to preview films, operate projectors, or merely to ask questions. You will be assisted by Secretary, Mrs. Jessie Wilson, the Librarian, Miss Leta Hall, and student help, Ces Cox, Betty Jo O'Donahue, Dodie Neidhold, June Werner, Ilene Klett, Mary Burkland, and Norma Schroder, John Hofstrand, Dave Hartel, Ken Knolton, and Wilber Chinn, filling the positions of assistant secretary shippers, clerks, and repair and operating technicians.

VETVILLE NEWS

BY MRS. DAVE HARTL

Times change and so does the Vetville census. This week Vetville reports a charming little addition to the home of the Howard Fosters. She weighs 7 lbs. 1 oz. and was named Rachel Jane.

Big plans are underway for a pot-luck supper for vets and their families. It is to be held at 6 p. m. Wednesday evening, October 29, at the Presbyterian church.

The Dames club met for its first meeting of the quarter Tuesday evening, Oct. 21. Officers elected included: Mrs. R. Kuntz, president; Mrs. Andrew Weir, vice president; Mrs. Carl Butcher, secretary, and Mrs. Orin Colbert, treasurer; Committee heads were appointed.

The first knitting club meeting will be held in the home of Mrs. Don Broughton Tuesday, October 28 at 8 p. m.

Visiting in Vetville this week were Mrs. A. Peltonen and Mr. and Mrs. Mackey and children. They are relatives of the Harold Peltonen's.

Mr. and Mrs. Jim Clemans entertained Laura Pooler of North Bend who formerly attended CWC.

Mrs. Wayne Jensen's parents, Mr. and Mrs. James Duffy of Seattle, spent last week-end with them.

The Bob Dalrymples spent their week-end with Mrs. Dalrymples' parents, Mr. and Mrs. Angus McDonald of Yakima.

Mayor Oakland and family went to Cheney for the big game last Saturday.

VETS FLYING TO HAVE DEDUCTIONS FROM ELIGIBILITY

Telegraphic instructions received by the College from the Veterans Administration at the opening of the college year have materially affected the plans of some students taking Flight Instruction.

Under the new regulations all students enrolled in flying instruction under the G. I. Bill will suffer deductions from their entitlement at the rate of one day for every \$2.10 of cost for flying. This is in addition to the charges against entitlement

"Popular? He ought to be!... He buys 'em GIFTS from

BUTTON JEWELERS

Friendly Budget Terms

incurred in the regular college program.

In effect, it means that the veteran who is taking flying as a part of his college program is incurring charges against his entitlement for two training programs so long as he is enrolled in Flight Instruction. Previously it had been possible to utilize the difference between the total charges for books, supplies and fees and the maximum amount of \$500.00 allowed for the college year.

The College is required to certify to the Veterans Administration that the flight training is voluntarily elected by the veteran and that it is a related and useful part of the veteran's training program.

Charges made to the veteran for the flight course may not be more than the sum regularly charged for non-veteran students taking the same flight instruction.

ERNEST L. MUZZALL,
 Director of Instruction.

TRUTH ANONYMOUS

Buzz, buzz, flash, flash . . . George Ice had a date with a forty-seven Hudson last Wednesday night. How was it George? The Hudson I mean. . . .

We would like to know what girl went on a water throwing spree from the balcony at Sue Lombard Hall to cool off a certain boy doing what (?) below.

What were Tony Hansen and Ilene Brusted doing in Kamola when the housemother gave them the boot?

What loud mouth character has been telling the girls of Montgomery hall that they neck too much? We had better gang up on this guy or he's going to ruin a good thing.

Why was Ginny Colby putting Alan "Baby" Adams' shoes on for him at the Campus Club? I thought that Eddie Sandburg did that little chore for you, Alan, or are you extending operations?

Congratulations to Jim Ware and Mary Lou Gilmore who are engaged—ring and all, but what is this daddy-daughter routine between Jim and third person, Jo Wells?

We hear Rosy Milhofer and Trudy Sandburg are looking for greener grass or its equivalent in the Salzer brothers from Whitman college. What is the matter girls, aren't there enough men around here or its the competition getting so stiff that you have to import your dates?

Available—Keith B. Keplinger for woman with figure, looks, automobile, and a little money. (Paid adv.)

BOUQUET OF THE WEEK: Roses (Four Roses that is) to those lovely people that submitted gossip this week. It is deeply appreciated.

SOCIAL NEWS

By Roxiann Bundy

So many events of society and small happenings have appeared in the news that are not lengthy enough to rate direct news stories, that we of the Crier staff have decided to make a society column to feature all the small events that take place on the campus.

Anyone who wishes to have their society events published should place their news notes in the Campus Crier box in the library.

Roaming about the halls of the various girls dorms this past week, produced a variety of interesting party reports.

From Sue Lombard comes the report of a celebration in honor of Marie Ramquist's 18th birthday, Sunday night, October 19th, following her return from Kirkland. Her guests were Helen Kreiter, Grace Cook, Carole Romano, Zoe Starkweather, Dorothy Brown, Madeline Fitzgerald, Gail Ferrell and Pat Green. She received many lovely gifts, namely, pajamas, pajamas, and more pajamas.

Nancy Vic Montgomery Hall, was given a surprise birthday party on Saturday, October 11th, at midnight. Present were eleven girls. Refreshments included a large birthday cake.

Out around Kamola way, we note a cozy little affair taking place between Virginia Harrington, Ilene Burstad and Margie Levin. Seems they spent the evening munching cookies, candy bars, cheese and crackers.

Also in the line of surprises was the party given for Ann Coyle, at Sue, October 21st. Ann walked into the room to see a table set with food, a big stack of presents, and a birthday

cake overflowing with 18 candles. However, the cake was a little flat, due to someone having sat on it. Her guests were Nadine and Corrine Powell, Kaye DeCoto, Edie Sandburg, Ilene Klett and Betty Shelton.

Almost every night there is a party going on in Edie Sandburg's room in Montgomery Hall, in which everyone always has a standing invitation to come in and have coffee and toast.

Traveling to WSC last weekend to visit her twin sister, was Grace Cook, Sue Lombard. Bet she had a good time.

In Montgomery get-togethers were held for the birthdays of Glen Doris, Bjerkness, Lou Keene and Donna Oswalt.

Last, but not least, we find the ambitious gals from Montgomery Hall making pom-poms which they will sell at all football games for fifteen cents each. They are under the direction of Rita Hermsen. With the money made from this project, they intend to buy a sewing machine for their hall.

BIRTHDAY PARTY HONORS ANN COYLE

By the light of a pink candle surrounded by black walnuts and fall leaves, Ann Coyle celebrated her 18th birthday last Tuesday night with friends in room 364, Sue Lombard.

Present were Edith Sandberg, Katherine Decoto, Corrine and Nadine Powell, Bettie Shelton and Ilene Klett. They presented Ann with a "sweetie pie," three packages of gum, a scrapbook, bobbie pins, two "milky ways," two pencils and a card for a five year old.

After this they crammed themselves with ice cream, angel food cake, raspberry sauce, orange crush, dill pickles, candy and peanuts.

WRA Girls Prep For Round Robin Tourney

Girls in W. R. A. are playing their third week of volleyball. There are three more nights for volleyball tryouts—November 3, 10, and 17.

Teams have been chosen for the Round Robin tournament.

They are:
Team 1; Barbara Clark, captain; Pat Cates, Joyce Crowe, Eleta Adolf, Marjorie Clark, Carol Isles, Eileen Dallas, Roe Dean Graham.

Team 2; Ruby Gomer, captain; Mary Lou Dunn, Iona Genis, Dorothy LeGran, Colleen Cameron, Margaret Clark, Eva Eyres, Ruth Dougherty.

Team 3; Jeanette Tully, captain; Gloria Grace, Mickie Lortie, Rita Jobe, Gloria Olney, Mary Hitchcock, Lois Fenich, Jo O'Donohue, Norma Lowe.

Team 4; Jean Sampson, captain; Dolores Krook, Barbee Nesbit, Marforie Forsberg, Anna Merritt, Donna Sears.

Team 5; Jackie Payne, captain; Joyce Wood, Leota Olney, Joy Lindberg, Vera Nelson, Ann Peterson, Georgeine McCoy.

Team 6; Helene Mataya, captain; Helen Pioneer, Nadine Powell, Lee Gaviorno, Edna Hyatt, Barbara Bastin, Cecilia Cox, Mildred Bow.

Next week they will continue the second round of a Round Robin tournament.

Suprise Party Held In Business Office

A surprise party celebrating the marriage of Miss Maxine Ferogilia and Miss Marguerite Hansom was held on October 23, at 3:00 p. m. in the business office. The party was given by the staff of the business office where both are employed.

Miss Ferogilia was wed October

24, to De Wayne Alford, student of C. W. C. E. The ceremony was conducted before the candlelit altar of the Episcopal church. The couple left immediately following the ceremony for a honeymoon in British Columbia.

Miss Hansom became the bride of Arnold Hinnicks while on vacation during the summer.

DONUTS...The Life of Your HALLOWEEN PARTY

MODEL BAKERY

115 W. 4th Street

Here's Some More - - Know Your Players

By VARNER

ED. "CRAZY LEGS" BARTLETT

Six feet tall, blonde, 180 lbs., and mighty handsome. 22 yrs. old. Spent two years in Navy Pre Flight. Ed is a graduate from Toledo, Oregon, where he played three years of football, two years basketball, two years track, and two years of baseball. What an athlete! By the way he lettered all those years too. His favorite sports are basketball and football. Ed has been married four whole months to Colleen Smith, an Ellensburg girl and hasn't had a quarrel yet. (That'll be 50c Ed). At the present time, becoming a football coach is his greatest ambition. Bob Anderson, the national diving and swimming champion from Stanford is an intimate friend of Ed. His pick for the Rose Bowl game is Michigan against Berkeley. Bronc Narski is Ed's pick as the greatest fullback of all times.

BOB "ARCHIE" GARROW

Five feet 8 inches tall, 160 lbs., and is from Aberdeen where he lettered in boxing and football. In "Archie's" younger days he was quite a flash on roller skates, in fact he won a speed skating contest over on the coast. Basketball is his favorite sport. Bob's hobby is listening to jabb records. His favorite jazz piece is "Rose Room" by Sidney Betchet. He is a happily married man with a beautiful daughter 9 months old and her name is Kathie. Bob spent three years in the Army, serving in the Pacific theater for some time. He is the seventh of 10 children, and his objective in life is to outdo his dad—in fatherhood that is. Social Science is his Major and he likes it. Bob says, "My greatest ambition is to play in a Central game."

BOB "BOJO" BONJORNI

Bojo has a little advertising that he wishes to have placed right at the head of his autobiography. "Buy your Xmas cards and monogrammed stationery from Bojo and Vic Wright." Now, on with the details. Five feet 10 inches tall, 21 years old, 196 lbs., and is a letterman in football and track from Ellensburg. Ran in the state track meet and was on the championship football team in 1943. Says he likes all sports, but boxing and football are his preferences. Was an electrician in the Navy for two years and served in the Pacific. At the present, Bojo's ambition is to be a high school coach. If he could play center and quarterback sometime he will have played every position on a football team. He has been engaged for three months to Frances Jack, too bad girls, the handsome brute is already taken. While in the Navy at Camp Shoemaker, California, he played football with All-American Charlie Justice, halfback from North Carolina.

FRANK "HIEN" STRAUHAL

Five feet 11 inches tall, 185 lbs., and lettered three years in football, captain his senior year, and track one year from Ilwaco—Washington that is. Football is his favorite sport and Pat Pattillo is his hobby. His ambition is to be a "G" man, (could that mean garbage). His choice as the outstanding athlete is Jackie Robinson who played football and basketball for U. C. L. A., and baseball for the Brooklyn Dodgers. Frank had quite a tour of duty in the Navy as a torpedoman serving aboard the battle scared submarines, Macral, Skipjack, Puffer and Dragonet in the Pacific and Atlantic theater. "Don't wait, subscribe now for your copy of the News Week Magazine, only a few subscriptions open," says Frank.

LEROY "CHOP" SHUEY

Choppy stands 6 feet 1 inch tall and weighs 190 lbs. Spent two years in the Army. He has a good athletic record in that he made all county two years in football and lettered two years in track. While in South America he participated in track and took a first place in the shot put, and a second place in the high jump.

BOB "PINK" PASSMORE

Five feet 6 inches, 160 lbs., lettered two years at Ellensburg, and won the inspirational award in 1943. Pink was an electrician in the Navy and served in the Pacific and Atlantic theater. Football and hunting ducks are his favorite sports. His hobby is keeping out of trouble. Bob's ambition is to own a tavern. Says he has paid for "Sids" three times but hasn't as yet gotten the ownership. The galloping ghost, Red Grange is his choice for the all time All-American football player.

HAL BOETTCHER

Five feet 10 inches, 175 lbs., and is a letterman from Aberdeen in football, track, and basketball. Made all conference his junior year, in football. Football is his favorite sport. At the present, being a baby sitter is his hobby. Being a dental prosthetic laboratory technician and owner of his lab is his ambition. Spent three years in the navy and served in the South Pacific. Has been married for six months and hopes to have a football team of his own to coach some day. May compromise with a basketball team. Hal's outstanding football players of all times are, Stanley, Kamatovic, Galleneau, and Albert. These boys were the backs for Stanford and he thinks they were equal to the Four Horsemen of Notre Dame. If interested in a football pool, see Hal.

WILL "SNAGUM" SHELTON

Six feet 2 inches tall, 185 lbs., lettered two years in football and two years in basketball. Football and basketball are his favorite sports. His hobby is chasing girls and various other activities. Coaching in high school is his ambition. You have undoubtedly heard of Ken Shelton, the famous basketball player for W. S. C., this person is his brother. Will prophesy that Frank Svoboda will make the best All-American player of all times. Will was in the Army horse cavalry, serving in the China, India, and Burma theater.

JACK "FOX THE OPPONENT" DORR

Five feet 9½ inches tall, 180 pounds, and is a four year letterman in all sports but track. (Dayton must not have a track team.) Jack spent three years in the Navy as a storekeeper, and served in the South Pacific. Played some baseball and basketball while in the Navy. Baseball is his favorite sport. At the present his ambition is to coach in high school. He was a very popular fellow in high school, where he was captain of the football team when they were state champs in '42, and was student body president. Says that Berkeley will take the Rose Bowl. Fishing is Jack's hobby, and if you ever feel like hearing some fishy fish stories look him up, he'll be more than glad to oblige. Susan All is the new addition to the Dorr family, arriving some four months ago. He says the average family is five, so Jack is not only a master at football but can do up diapers like nobody's business. Bob Feller and Jack made acquaintances in Hawaii, and have been good friends ever since.

half Angerman received the ball and went all the way, 70 yards for the pay territory. Malmassori kicked the point.

Chuck Satterlee accounted for the next six pointer by going over from the two and Linde booted the point.

In the fourth quarter Larson scored on a touchdown pass from Ralph Sherwood and Linde again made the point good. The final score rested at 41 to 0.

Coach Arne Faust reported that all the boys looked good and showed plenty of fire and team spirit. They slept in army barracks and ate army chow, a new experience for some of the freshmen but so far as is known, no one joined up.

The Jayvees have a definite game scheduled with the Sand Point Navy base on Nov. 14 to be played in Ellensburg. Attempts are being made to schedule a return bout with the Yakima J. C.

Starting lineup for Central:

Player	Position
Schooler	Right End
Bothell	Right Tackle
Al Burgener	Right Guard
Myers	Center
Ray Burgener	Left Guard
Benjamin	Left Tackle
Shelton	Left End
Geffe	Quarterback
Houser	Left Half
Angerman	Right Half
Malmassori	Fullback

Substitutions for Central: Larson, Linde, Hoefling, Krueger, Sundling, Fredricks, Elsbree, Zwanzig, Ma-

zanti, Drittenbas, West, Frohning, Hutchings, Sherwood, Torrens, McClung, Scott, King, Amante, Barnhart, Lovgren, Steve Smith, Weigel and Chuck Satterlee.

BILL HIBLAR HOSPITALIZED

Bill Hiblar underwent an appendectomy this past week at the Ellensburg General hospital, following an injury in football practice.

A NOTE FROM YOUR SPORTS STAFF

What do you think of your new Crier sports department? With some inexperienced but ambitious sports reporters we have attempted to organize a sports department whereby all sports and athletes would receive ample coverage so that you, the students, would be well informed about all the activities in the Central Washington field of sports.

To Al Miller, Paul Taylor, and Harold Carlile has been assigned the duty of covering the various men's sports and Barbee Nesbitt has been in charge of writing about the sports activities of the fairer sex.

We would be glad to receive any comments, suggestions, or criticism from the student body. Just drop them in The Crier box in the library, or if you need a little exercise to keep in physical condition, you may lug them up to The Crier office in A 401.

It is our desire to give you what you want and all suggestions will receive due consideration. Make your comments as concise as possible and we will consider printing a few of them each week.

It is hoped that in this way your sports writers will be able to keep in closer contact with you, the reader. We are proud to serve you. Please help us improve. Thank you,

—GERALD VARNER.

The
Manhattan

Lots of younger men have been demanding a fine shirt with even wider collar points. Here is Manhattan's ultra wide-spreading answer. It's perfectly fashioned with all the unusual Manhattan skill that has made Manhattan the mark of quality since 1857.

John Killian, Mgr.

Jayvees Trounce Opponents, 41-0

The Central Washington Jayvees won their second game of the season last Saturday as they trounced the Fort Worden eleven 41 to 0 at Port Townsend.

The Wildkittens passed, ran and scored almost at will. They used three teams alternately and made six touchdowns, a different man accounting for the tally each time.

Geffe starred as he ran and passed during the first drive. Houser went over from the four yard line for the tally and Malmassori converted.

A little later Malmassori went over from the six yard line after a sustained drive. He passed to Angerman for the extra point.

In the second quarter George Linde went over from the nine-yard line and the conversion was missed. The Kittens led 20 to 0 at halftime.

At the beginning of the second

FOOTBALL QUIZ

1. Who is known as "The Father of Football"?
2. How long does a kicker have to get a punt off?
3. What was the longest runback of a kickoff in the Rose Bowl?
4. How many time outs are allowed for each team in a full game?
5. What three players from Central made All Wincó last season?

Answers:
1. Walter Camp.
2. Approximately two seconds.
3. 103 yards.
4. Six.
5. L. C. Camody, Ed Bartlett, and Leo Hake.

CW Wildcats Invade St. Martins Saturday

The Central Washington Wildcats will attempt to jump back into the victory column in Winko conference competition when they take on a vastly improved St. Martin's eleven in Olympia Saturday.

The Rangers are bolstered by veterans Roy Madison and Earl Carrier who have been on the injury list most of the season. These boys surprised the experts by defeating the strong Whitworth team last week.

Jim Carmody, Ed Bartlett, and Don Doran three of the outstanding stars for Central in the game with Eastern last week will probably play important roles in this game.

Vic Wright, who also showed up well last week, was injured in that fray and along with Bud Kapral will probably be out of the lineup this week.

Although the Wildcats will be favored to win, the Saints proved that they have what it takes to stage an upset.

Starting lineups have not yet been announced.

Basketball Trials Sees Returned Vets

Central Washington College started its 1947-48 hoop season on Oct. 27 with three turnouts weekly for the initial two weeks. Central shared with Eastern the co-championship honors of the Winco League, and finished last year with a won and lost standing of 21 and 3, respectively.

The Black and Red lost five players from last year's squad. They are: Mickey Rogers, co-owner of the Ellensburg Flying Service; Jack Hubbard, now coaching at Clarkston, Wash.; Hank Sliva, who has lost two years of his otherwise eligibility by playing professional baseball for the Helena Club of the Cotton League in Arkansas; Harvey and Byron Rue who have not returned to school.

Returning lettermen include: regulars: Jim Adamson, senior guard from Chehalis; Fred Peterson, sophomore guard from Yakima, who set a single game individual scoring record of 34 points, and held honors on the all conference first team. He was also highest scorer on the Cat squad, and third highest for the league.

Dean Nicholson, a sophomore guard from Ellensburg, held the fourth position of high scoring in the league, and held a berth on the all conference team; Jack Graham, a sophomore high scoring man from Yakima; Red Heritage, junior center from Auburn; Don Stetson, sophomore from Kittitas.

Chuck Long, sophomore center from Hoquiam—one of the most improved men on the squad, and an excellent rebound man; Jay Nygaard, junior from Ellensburg—a very hard worker; Mill Dallman, a junior and former Kennewick High ace, who will have high bids for a varsity berth; Larry Downen, sophomore from Everett, who showed fine possibilities last year as one of the fastest men; Pete Puljan, sophomore from Aberdeen.

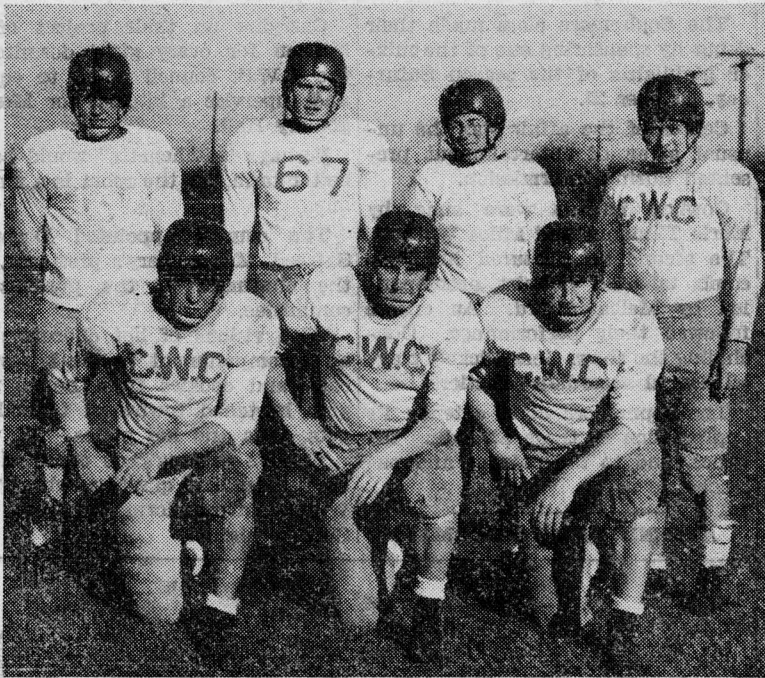

In addition to the lettermen, some good new prospects are expected to report and the squad will be farther augmented with the close of the football season.

Among the new men Bob Carlson, from Snohomish, saw action on the W.S.C. varsity five during the '46 season; Pat Glendenning, big Wenatchee lad who held the pivot position on the Eastern Washington cage squad during the '46 season will be eligible for the Cat squad for the coming year; Hal Jones, big 6 foot 4 inch center from Darrington; Warren Wilson, big fellow from Marysville who can score; Al Wedekind, another big boy from Elma, who looks like a fine prospect.

A varsity squad of 16 or 17 men, and a junior varsity of about 20 men will be selected on November 22. The Central Washington College 1947-48 basketball schedule has been rounded out with the exception of the Portland University and University of Hawaii on Dec. 5th and Feb. 23rd respectively, which are tentative to change.

You're going home without kissing me?
Good heavens! You DO give up easily.

Wildcat Halfbacks

Playing for the Wildcats in the halfback positions are: bottom row: Bob Bonjorni, Ed Bartlett, Jim Carmody. Top row: Wayne Jensen, Hal Neimeyer, Harold Boettcher and Bill Langerbacher.

CW LEADS IN PAST TILTS WITH SAINTS

Looking back through the years we note that Central holds a slight edge in previous encounters with this week's opponent, the St. Martins Rangers.

The Wildcats first played the Saints in 1924 and squeezed by them by the narrow margin of 14 to 13. Last year Bill Langenbacher's conversion gave them a 7 to 6 victory.

An oddity that you may notice is that in all the other battles between these two schools either one or both of the teams have been unable to score. In '41 they played a scoreless tie.

Central holds the edge by winning six games while dropping five to the Rangers.

Year—	St. Martins	Central

Local Motorist Prices Up Arrow

It was reported that an Ellensburg motorist is the proud possessor of an A-1 arrow which he found in his spare tire of his auto.

They say he doesn't know where it came from.

The fair Robinhoodettes have done it again!! It looks as if the archery class would move their targets (fugitives from the hay loft) nearer to the gym so that a near miss or otherwise wild arrow would strike harmlessly against the brick wall.

It has been suggested that the archery class move their range up in Menastash canyon or some other safe place.

EWC SAVAGES LEAD WINKO CONFERENCE

The Eastern Washington Savages took possession of first place in the Washington Intercollegiate football race last week by virtue of their 16 to 13 win over the Central Wildcats.

The only other change saw the previously winless St. Martins Rangers throwing the Whitworth Pirates into the cellar by defeating them 25 to 20.

In non-conference games PLC played a scoreless tie with Lewis and Clark of Portland and the Western Vikings pounded out a 30 to 0 win over the North Idaho State eleven from Lewiston.

This week third place Western

will play the cellar dwelling Whitworthians in Spokane and fourth place Central will journey to Olympia for a tilt with the fifth place Rangers.

WILDCATS LOSE THRILLER, 16 TO 13

The Central Washington Wildcats went down to defeat in the closing minutes of a hard fought game against the Eastern Washington Savages in Cheney last Saturday afternoon by the score of 16 to 13.

Eastern's heavy line and fast moving backs dominated the field throughout except for two of the most spectacular plays of the game that were executed by the Wildcats. Cheney gained 267 yards net by rushing and failed to connect with six pass attempts although two of them were intercepted. Meanwhile, Central was pounding out a mere 68 yards rushing and two completed passes out of four attempts gave them nine yards via the aerial route.

Eastern wasted little time in scoring their first touchdown. It came early in the first period after Don Cobb's punt, which Bartlett lost in the sun, rolled dead on the Central two yard line. Bartlett made a 40 yard punt but it was returned to Central's 22 by Cobb. The Savages picked up a first down and Art Boettcher went over from the eight. The conversion was no good.

Wildcats Star

The Savages threatened again after the Black and Red fumbled on their own 35 yard line. Thrapp made a 24 yard run before he was tackled from behind by Victor. They picked up a first down on Central's one but the day was saved when Frank Svoboda intercepted Raappana's pass.

One of the greatest plays of the game came late in the first half when Ed Bartlett intercepted Thropp's pass. Bartlett shook off two tacklers and just as he was being swarmed by Savages from all directions he lateraled to Svoboda who picked up some 20 yards before necessity demanded that he lateral to Bob McCullough. McCullough raced the remaining 25 yards and into the end zone. Langenbacker's kick for extra point was good and the halftime score read: Central 7, Eastern 6.

Central glowed again in the early minutes of the second half as Bartlett received a punt on his own 20 yard line and raced behind good blocking all the way to give the Wildcats a 13 to 6 margin. Langenbacker's kick was wide by a few inches.

It looked as if Central might do it again a few minutes later when Jack Dorr made a 20 yards punt return but this time it bogged down and Eastern took over.

Eastern Takes Lead

The last time the Wildcats were able to penetrate into Eastern grounds was late in the third quarter when they made two consecutive first downs and were stopped on the Cheney 38-yard line.

SCIENCE PROGRAM GIVEN BY PROFS.

The science department presented an assembly to the student body Tuesday, Oct. 21 at the College auditorium, concerning developments in the field of science.

Dr. Lind was the opening speaker talking on atomic energy and the general development of science. Miss Dean spoke on medicine, new drugs and cures for diseases. Mr. Quigley spoke on biological science and its developments.

This assembly was educational, and gave much valuable information in an interesting manner.

STUDENTS ASKED TO BE TIDY

Once again students are being reminded about being more careful with their pop bottles and dishes. If disregard for this request continues there may be new rules made restricting anyone from eating in the lounge part of the hall.

ATTEND THE IK FORMAL.

The Savages started to roll as Bud Thrapp got over his left tackle for a 30 yard gain in the first play of the fourth period. This gave Eastern a first down on Central's 11. On the third play Art Boettcher went over from the 8 on a quarterback sneak. Raappana converted and the score was tied 13 to 13.

Cheney was set up again when Cobb returned a punt 30 yards and took over on Central's 25. They picked up a first down on the 10. On fourth down and goal to go Rip Raappana booted a field goal and Eastern led 16 to 13.

After the kickoff Don Doran rushed and passed 20 yards in four plays. Central then lost the ball on a fumble. They regained it in time for two plays, an incomplete pass by Langenbacker and a 15 yard end run by Doran.

Jim Carmody was the leading yard gainer for Central, going 31 yards in five attempts for a 6.2 average. Although he only played about three minutes Doran was second with 28 yards in four attempts for a 7 yard average. Trapp and Bottcher were the sparks of Cheney gaining 130 and 111 yards.

Starting Lineups

Central	Pos.	Eastern
Keyes	RE	Nagel
Hake	RT	Poffenroth
Osgood	RG	Lowther
Kontos	C	Pein
Bort	LG	Rosback
Thompson	LT	Hunt
Edwards	LE	Beamer
Victor	Q	Raappana
Bartlett	LH	Cobb
Carmody	RH	Perrault
Svoboda	F	Boettcher

Substitutions: Central—Edwards, Shuey, Hawkins, Vanelli, Smith, King, Hoydar, Hill, McCullough, Bonjorni, Wright, McLean, and Jensen.

SOPHS HOLD FIRE MIXER IN OLD GYM

The Sophomore class made their debut by sponsoring one of the mixer highlights of the season Saturday, October 25.

Center of the affair was the unusual array of entertainment presented during intermission.

Cowboy ballads were sung by Merle Timmons and Milos Wolcott. The second act featured Art Holcomb, talented violinist, accompanied by Melba Alford. An encore followed their performance. Concluding the show, Gene Pickett played several accordian selections.

The sophomore class extends its appreciation to those attending the dance, and to the patrons and patronesses.

New Kitchenette At Montgomery

Carrying on their project of a kitchen for every girls' dormitory, the A.W.S. council voted to equip and supervise a kitchen for Montgomery Hall.

Perhaps "kitchenette" would be a better term, for the room is a small one.

The council appointed Dorothy Safreed, Montgomery's president, as the chairman of the purchasing committee.

With visions of hot chocolate as an accompaniment to the boxes of cake and cookies from home, the girls hastened townward to collect pots, pans and hot plates.

"What's cooking?" is expected to be the leading question when the Walnut street dorm boys call on Sunday nights.

FENCE KEEPS STUDENTS OFF

A notice of caution has been issued by Mrs. Swangler, manager of the Campus Club. It concerns the fence put up recently around the outside of the Club. This was put up to protect the grass and all students are asked to please take notice.
