CENTRAL WASHINGTON COLLEGE

OCTOBER 14, 1948

ELLENSBURG

## CENRAL'S BIG GUNS PREPARE FOR WCE GRIDIRON CLASH SAT.

After dropping a heart-breaking 7-0 conference tilt to the P.L.C. Gladiators last Saturday night Central's gridders are pointing their big guns at Western Washington this week-end in order to get back in the conference race. Western also came out on the short end of the score with Eastern Washington Savages by the tune of 31-7.

The Central eleven are pointing desperately for their first conference win and will travel to Bellingham this week-end expecting to bring home the bacon. However Western has previously scored lopsided victories over Lindville and the University of British Columbia. Thus Bellingham's team, as usual, is not recognized as any soft touch. Starting for the Vikings against Eastern was Roy Richerson, a 150-lb. scatback who is expected to be in Central's hair all night.

In reference to last week's game Coach "Shorty" Luft reveals that in general the boys played good ball, however, they will have to "dig in" on pass defense this week where they fell down badly against P.L.C. For statistics Eastern outgained Western 281 yards to 113, however, the Vikings ran up 13 first downs to the Savages 11. Seven of Western's first downs came by passes which again insists that Central must bear down on pass defense this week if they expect to drop Bellingham by the wayside.

## Elimination This Year For Skits

Plans for Homecoming Stunt Night are swiftly rounding into shape according to co-chairmen Winnie Williams and Wes Peach.

This year an elimination contest will be held approximately a week ahead of Stunt Night. At that time all stunts will be judged by a panel of three judges. The Stunt Night committee will inform those organizations whose stunts have been judged best. A certain number of skits, the number determined by the quality of the skits will be named for the Stunt Night program to be shown before alumni, students and townspeople Friday night November 12.

All skits will be judged on a 75 point basis, 25 points going to each of three judging qualities; interest to audience, originality, and preparation.

All stunts must conform to a six minute time limit.

A different panel of judges will be used on Stunt Night and winners will be announced that night.

All organizations are urged to begin preparations of their skits and they will be informed as to when to be ready for the elimination.

## College President To Attend Eastern Meets

Dr. R. E. McConnell will leave late this month to attend the first of two national educational board meetings.

On Oct. 30 and No. 1-2, he will attend the annual business meeting of the Executive Committee of the American Association of Colleges for Teacher Education at the Congress Hotel in Chicago.

Plans for the winter meetings and the business of the Committee of Studies and Standards will be discussed.

On Nov. 20, 21, 22, Dr. McConnell will attend the annual Executive Committee meeting of the Department of Higher Education when it convenes in New York City.

Dr. McConnell is a member of the Executive Committee for both organizations.

## Music Scholarships Granted Students

Thirty-four students are attending Central Washington College on music scholarships this year, according to Mr. Wayne Hertz. On these scholarships the students are entitled to one free lesson a week, either vocal or instrumental, lasting for one, two or three quarters, as is stipulated by each scholarship.

All of the students are from Washington except Verna Jones, who is from Moscow, Idaho.

Those who received music scholarships this year are: three-quarter scholarships: Waldie Anderson, Aberdeen, bassoon; Shirley Blodgett, Richland, voice; Rosemary Broad, Walla Walla, voice; Joan Bowen, Olympia, voice; Dale W. Calkins, Chehalis, voice; Joan Cavallette, Seattle, viola (renewal); Ted Cooley, Longview, clarinet; Helen Cooley, Longview, piano; Harriet Cushing, Yakima, voice; Carole Davidson, Ellensburg, voice; Patricia Demorist, Olympia, viola; Phyllis Eastham, Ellensburg, piano; Marilyn Frederick, Seattle, voice; Jim Haberman, Ellensburg, clarinet; Maxine Houston, Olympia, clarinet; Verna Jones, Moscow, Idaho, cornet.

### Others Listed

Others include: Angelo Manze, Seattle, voice; Mrs. Barbara Marr, Ellensburg, violin; Geraldine MacKenzie, clarinet (renewal); Dick McKnight, Ellensburg, clarinet; Robert Perry, Chehalis, piano.

Others on the list are: James Smith, Hoquiam, baritone horn (renewal); Ralph Sorenson, Ellensburg, cornet; Eugene Swanson, Seattle, voice; Norma Symmonds, Selah, piano; Milton Towne, Hoquiam, French horn; Lawrence Walker, Dayton, E flat saxophone; Fredrick Wikner, Soap Lake, voice; Betty Jean Wilson, Kennewick, voice and Robert E. Winters, Centralia, clarinet.

Two students received two quarter scholarships. They were: Elizabeth Aldrich, Kelso, in voice and Mary Anne Kincaide, Kirkland, violin.

Those students receiving scholarships for a single quarter were: John A. Baker, Ephrata, voice; James Dekker, White Swan, B flat bass; Jeannette Ranniger, Ellensburg, voice; Beverly Shirran, Ellensburg, voice; and Beth Tozer, Ellensburg, voice.

## "My Sister Eileen" Cast Chosen, Play To Be November 19-20

Announcement from the CWCE drama department this week, reveals that the preliminary measures for the fall quarter play, "My Sister Eileen," including selection of the cast, are nearing completion. Tryouts, conducted on October 6, 7, and 8, produced approximately 50 prospective thespians.

"My Sister Eileen," a comedy in three acts, by Joseph A. Fields, and Jerome Chodorov, to be presented on the evenings of November 19 and 20, at 8:15 p. m., includes in its cast, twenty-two male parts, and six female roles. The partially completed cast includes: Mr. Appopolous, Bob Slingland; Ruth Sherwood, Peggy Chestnut; Eileen Sherwood, Pat Urdahl; Jensen, Gene Parsons; 1st Man, Ralph Ruff; 2nd Man, Dale Palmer; The Wreck, Norman Vannelli; 1st Kid, Tommy Knudsen; Mr. Fletcher, Dwight Green; Frank Lipponcott, Stan Kibbey; Cossack, Lew Kumet; Violet Shelton, Marilyn Dreher; Mrs. Wade, Joan Brown; Robert Baker; Richard Swanson.

Members of the cast yet to be chosen are: 2nd Kid, Helen Wade, Chic Clark, Lonigan, Mr. Sherwood, Woman Tenant, and Consul. There is also a need for applicants for

## FROSH HAVE TROUBLE; INITIATION AT ALFORD

"Hey, you in the knee pants, get the room cleaned up and while you are here, shine my shoes."

These words have been quite familiar to the freshmen of Alford Hall. All this week, which started at 6:30 Monday morning, the frosh have had a taste of college initiations.

The upperclassmen say the whole affair is to better acquaint the freshmen to college life and friendliness, but there seems to be some doubt in the minds of the newcomers.

The second annual initiation will conclude tomorrow night with a scavenger hunt, followed by a party with refreshments furnished by the upperclassmen.

## Sandberg, King Named To Posts

Trudy Sandberg and Norland King, two prominent juniors, will succeed Vern Seigner and Betty Shelton on the Honor Council as a result of an election held at the first official meeting of SGA Monday night, October 4. Both new members will serve until spring quarter.

Miss Sandberg, a graduate of Hoquiam High, has been active in Central activities throughout her two years at Central being a member of the Iyoptians, a sophomore girl honorary, for one year and a member of the Pep Club for two years. This year she is also a freshman student councilor.

During her four years at Hoquiam High she served as treasurer of the Pepsters for one term and was also a member of the Honor Society. After graduating from high school in 1945, she became a member of the Alpha Omega chapter of Beta Sigma Phi.

A graduate of Broadway High of Seattle, where he was a two year football and baseball letterman, Norland King joins the ranks of the Honor Council with an impressive record behind him.

King, a Navy veteran, lettered in football at Central and was co-chairman of Sweezy Day last year. This year he was chosen Munro Hall prexy and, like Miss Sandberg, is also a freshman student councilor.

During his Navy career King spent a year at the University of Minnesota as a V-12 trainee. King also spent a year at the University of Washington where he turned out for football.

## Homecoming Committee Gives Report; Fire Still To Be Held, Maybe

With all tentative arrangements reaching completion, plans for Homecoming are rapidly forming.

According to latest reports the traditional bonfire will be held, but under conditions somewhat different than those of previous years. Unless plans are changed, the fire is scheduled

## MONTGOMERY HALL CHOOSES OFFICERS

Still in its infancy as a boys' dormitory, Montgomery Hall started the year by selecting Richard Jenkins, junior, to lead it for the fall quarter.

Voted to assist Jenkins in the post of vice president was Harry Dixon, freshman. Other cabinet members who were balloted into office last Thursday are two freshmen, John Eyres, secretary-treasurer; Harold Miller, social chairman.

To clarify numerous situations which may arise, the hall drafted and passed upon a new constitution, which automatically nullified the one that governed the girls who resided in the hall last year.

Plans are already well on their way to completion for the Homecoming and Jenkins expressed the hope that Montgomery Hall could step out front and make a good showing even though it is in its first year as a boys' dormitory.

## Shandera Selected As Frosh Prexy

In its first official meeting last Thursday the Freshman class elected Richard Shandera from Hoquiam to the office of president.

Jack Ball from Chehalis was voted to the post of vice president, while two more Hoquiam students were elected to the remaining two vacancies: Margaret Oebser, secretary-treasurer and Leigh Nold, social commissioner.

To provide more opportunities for freshmen to enter into college life and to acquaint the class with more of its members, the freshmen, this year, are electing their officers for only one quarter at a time.

Previous experience shows that that the underclassmen will be well led by their representatives. President Shandera sprouts letters in both basketball and baseball, while Jack Ball wears a football letter and possesses the experience gained as an annual editor. Secretary Margaret knows her job from one end to the other through her work as secretary of her class in high school. Leigh Nold held the post of Hi-Y treasurer and vice president, while also serving as vice president of his class.

## Deans of Women To Convene Here Nov. 6

The Washington State Deans of Women will meet on this campus for their annual conference on Saturday, November 6. The association is composed of deans of women and girls in the colleges, high schools, and junior high schools of the state of Washington.

This conference will bring approximately 125 deans to the campus. Their program will include a banquet and a tour of the campus. Mrs. Annette Hitchcock, dean of women, is convention chairman, and serving with her are Miss Jeannette Ware of the local high school and Miss Wilma Trumbell of the junior high school.

## Student Counsellors To Hold Meeting Tonight

A meeting of all freshman student counsellors will convene tonight at 7 o'clock in the College Elementary School auditorium.

At this time students will have a chance to discuss and relate problems in relation to student counselling.

for Friday night, November 12, after Stunt Night. A competitive contest will be held between the sophomore class and the freshman class to determine which class will light the fire. The president of the winning class will be pushed down the street in the parade on Saturday in a wheelbarrow pushed by the president of the losing class.

Arrangements have been made and full co-operation with Radio Station KXLE has been assured in publicizing homecoming activities. All news such as interviews, programs and special events will be broadcast.

### Business May Close

Tentative plans for voluntary closing of business establishments during the Homecoming game are being made as well as the closing of the Craig Hill area. This latter move will be to cut free admittance to the Rodeo field.

Although the general committee for Homecoming is meeting twice weekly, committee heads will be glad to speak to other groups.

"We will gladly welcome any invitation to speak at any club or living group meeting," said Phyllis Dunlap and Jim Brooks, Homecoming chairmen.

Candidates for Homecoming queen will be selected by the I.K.'s and news of these choices will be published in a future issue of the Campus Crier.

All Homecoming projects are governed by certain regulations and must be handled accordingly to be eligible for prizes according to Homecoming chairmen.

Homecoming signs must be up and ready for judging by 4 p. m., Friday, November 12. They will be judged in the afternoon and at night. All signs are to be taken down by Sunday. Paper signs should not be used since they do not stand up, and any signs strung above 8th street must be above high truck level.

### Members Listed

Groups planning signs should contact one of the committee members to arrange for locations. Members of this committee are George Moergeli, Betty Byars, Vern Harkness, Faye Sethe and Lenore Shause.

Plans for the parade will be formulated at a meeting to be held in the Campus Club tomorrow according to committee heads Dorothy Uusitalo and Doc Meek.

To remove much of the monotony of stunt night an elimination contest to select the best skits will be held on Monday, November 8 in the C.E.S. auditorium. A special presentation of these skits will be given on Wednesday night, November 10, to give students an opportunity to see them. Because of the limited seating capacity of the auditorium it is hoped that many of the students will attend the early week show and afford alumni and townspeople a chance to see it Friday night, stated Winnie William and Wes Peach, chairmen for stunt night.

## MUSIC MAKERS PLAY FOR LARGE CROWD

The 3rd dance of the year was held Friday, Oct. 8 in the new gym. The Music Makers played to a large crowd from 8 to 11 o'clock. Dean and Mrs. Fisk, Mr. and Mrs. Bert Christensen were patrons and patroness for the affair.

Last Wednesday night the first mid-week mixer of the year was held in the women's gym. If this mixer can be used as an example of what is to come it promises to add much to social year at Sweezy.

## Football Questions Answered by SGA

In answer to the item in last week's paper in regard to Jayvee's football, there are several factors involved which need explanation.

First, Jayvee football is not recognized under regulations of the Evergreen League. Schools which do have Jayvee football ordinarily do so on a much larger enrollment basis.

Any money expended by students for Jayvee football would result in a deficit, since gate receipts could not pay for the expense involved.

Again the question is to whether it is worth while arises on the basis of the comparison with last year's Jayvee team. They played only two games. The distance of travel and the lack of gate receipts made Jayvee football impractical for Sweezy. Even varsity football does not pay for itself.

To add another athletic deficit to the student budget at this time would be unwise. However, the decision still rests with the student body. If they feel they would care to support a Jayvee football team with little hope of any financial return on the outlay it is their right to do so.

If enough students indicate their preference for Jayvee sports through the medium of their SGA representatives additional money will be allotted for that purpose by SGA.

Above shown is the budget of the SGA. Even now over 57 per cent of the expenditures are for athletics. This is one additional reason why Jayvee football is considered impractical at this time.

Tennis and golf budgets have not yet been submitted and will run this percentage even higher.

## Five CWCE Students Receive Appointments

Five CWCE students were selected by the SGA council to represent the students on two faculty-student committees at a meeting held last week.

Those selected were: Frank Wessel and Fred Jaber, who were appointed to the student-faculty athletic commission. The two will work with a faculty group in handling all details of the athletic department. Corinne Powell, Gordon Newton and George Moergeli were appointed to the Campus Club committee. They will meet with certain faculty members to plan the policies to be in effect in the Campus Club.

## Capsule Notes

By MISS McCOY

That means, in other words, news of your Infirmary.

First, let us say we're glad to be here. There are four of us at various times during the 24 hours of the day. General, during the hours 7-3, there is Miss McCoy, then Mrs. Kem from 3-11 and Mrs. Scholl from 11-7. Mrs. Doak relieves us on our days off.

Second, do you know where the Infirmary is located? It's in one wing of Sue Lombard Hall—the wing that is on Walnut street. If you go around to the back where the tennis courts are there's a door and a sign saying "Infirmary." Just open the door and walk right in. The office is down the hall a little way. If it's after 11 p.m. just ring the door bell.

Please don't be afraid to come and see us for the slightest thing. We're to help you in as many ways as we can. Dr. Clark is here every morning from 8 to 9 and very often in the evening too, after his own office hours. We're sure you'll like him—we do.

We're trying a new system this year which we think you'll like. It's a card called a "discharge slip," and is filled out by the nurse if you've been in the Infirmary for a legitimate reason and missed a class. Maybe we should call it an explanation of absence so that if you tell your professor you were sick you have proof. Be sure you don't lose or give the professor this card if you've missed more than one class.

Oh, yes, those nasty visiting hours are popping up again. We're asking you to observe them only for our patients who need rest and quiet to get well. You can't rest properly if someone is running in and out all the time. We know you're good at cooperating or you wouldn't be here at CWCE. Just to remind you, in case you haven't heard, visiting hours are from 3 to 5 p.m. and 7 to 8:30 p.m. That's more than you get in many hospitals.

One last word, do you know that tuberculosis, although it is still a leading cause of death, is slowly going down the scale in importance? Or that if everyone had yearly X-rays and at the first sign of TB took proper treatment and if all tuberculosis cattle were destroyed that tuberculosis would disappear from the face of the earth?

Please remember this when the X-ray unit is here Oct. 26-27. You'll be doing yourself a favor and you'll be glad to know if you're a really healthy citizen. Be seeing you!

## INITIATIONS UNDER SPECIAL PROVISIONS

Alford Hall is the only mens' dorm authorized by its constitution to hold freshman initiation. Upper classmen of Alford only are to run the freshman initiation. Any other mens' freshman initiation has not been sanctioned and will not be authorized unless the members of the various halls vote an initiation ceremony into their constitution.

## NEW HOUSEMOTHERS PRESIDE AT THREE WOMEN'S DORMS

Only two of last year's housemothers for women's dormitories returned this fall, Mrs. Velma Prater of Kamola Hall and Mrs. Bernice Cutler of the New Dormitory. Three new housemothers reported for duty at the opening of school.

Mrs. Mary B. Humphrey of Sue Lombard Hall comes to Central with varied and interesting experiences. She was born in Iowa, where her father was a newspaper publisher. She attended college in Chicago. Shortly after her marriage she came to Spokane, and she has lived in the Northwest ever since. She has engaged in library work, social service, and secretarial work. For the past ten years she has held positions as housemother in dormitories and sorority homes on the Oregon State and Washington State campuses. Mrs. Humphrey has two married daughters who graduated from Whitman College, and three grandchildren, one of whom is a junior at the University of Washington.

Presiding over Elwood House, the upper class hall, is Mrs. Earl Deighton. She, too, comes to CWCE with practical experience, being the mother of four daughters, two of whom are teachers, one a pharmacist, and one a nurse. She has held housemother positions in sororities and dormitories on the W.S.C. campus. For the past three years Mrs. Deighton supervised Finch Hall, the home for student nurses in St. Lukes Hospital in Spokane.

Serving jointly with Mrs. Prater of Kamola Hall, is Mrs. A. Todd Mathews of Seattle. Before coming to Seattle, Mrs. Mathews was engaged in teaching in Pennsylvania and Ohio. She is a graduate of Slippery Rock Teachers College, and attended Westchester Teachers College and Grove City College, all in Pennsylvania. Her teaching experience included work in the Turnbull County Normal School, where she taught child psychology and supervised student teaching in the elementary grades.

For the past twenty years, Mrs. Mathews has made her home in Seattle where she has been very active in club, church, and civic work. She was recently president of the Seattle Federation of Women's Clubs, and was one of the organizers and president of the Americanization Bureau, an organization interested in the foreign born.

She has acted as King County chairman for the March of Dimes, and for the American Cancer Society. Just before coming here, she resigned as secretary of the state-wide Legislative Council. Mrs. Mathews has been much in demand as a book reviewer and public speaker.

## Faculty Members Attend Conference In Portland

Four of the CWCE faculty members, Miss Margaret Scruggs, Mr. Wayne Hertz, Mr. Leonard Moe and Mr. Herbert Bird recently attended the planning meeting for the Northwest division of the Music Educators National Conference, which was held at the Multnomah hotel in Portland, Oct. 12.

Plans were formulated for the bi-annual Northwest conference which will be held in Portland March 30-31 and April 1-2 of next year.

## New Officers Chosen At Iyoptian Meeting

Election of two new officers, Laurel King as secretary and Joan Cavalletto as scribe, was the main business conducted at a business and social meeting of the Iyoptians held Monday evening, October 11, in the little recreation room of Kamola Hall at 6:30 p. m.

These two vacancies when the two girls elected to the offices last spring did not return to school this fall. Carol Bruce, who was elected as secretary now attends Whitman College.

A letter from the Spurs was read, and copies of their constitution were received. This national organization is in the process of accepting the Central Washington College Iyoptians into membership. New uniforms consisting of white skirts, blouses and V-neck sweaters, including pins and emblems will soon be an addition to the campus on Mondays.

Committees for Homecoming reported, and the invitations have all been addressed and are ready for mailing.

Following the business meeting, a "Character" game was played, and refreshments of cider, doughnuts and candies were enjoyed. The committee in charge of this festivity consisted of Lenore Schaus, Joan Cavalletto, and Mary Hitchcock.

A man was standing on a street corner singing Am-a-pola. O dog walked up and said, "O. K. mister, you asked for it!"

## Anonymous Grad Aids Needy Studes

This is a story which should turn away any existing notions in any student's head about the big, cold, impersonal school life. The names are anonymous, but the facts are nevertheless real.

One of the new students found herself suddenly without a cent of the money which was to pay her beginning expenses. Thinking she had mislaid or lost it, she used every possible means to locate it, even resorting to radio broadcast, but all in vain.

Needless to say, it was quite a depressed girl who was called to the housemother's room the next morning where she was presented with an envelope containing enough money to tide her over. An unknown woman, a former college student herself, had heard the broadcast and realizing the girl's plight, had put forth freely. The woman also stipulated that if the girl found her money she was to pass on the envelope and its contents to some other needy cause.

So one more college graduate is still in the making but it shouldn't be a signal for every student to start losing his wallet.

## Carmody Hall Selects Jaber House Prexy

With the fall quarter just beginning, Carmody Hall has elected their leaders to carry them through the thick and thin. Heading the list is Fred Jaber, newly elected president of the group.

Holding the post of assistant to the president is Don Doran. Johnny Mumm will serve Carmody as official secretary-treasurer.

The hall's intramural athletic hopes rest with Hank Baumgartner, athletic director, and his ability to gather some winning teams together from the members of the dormitory.

Ken Teller falls heir to the post of social chairman and will be directly responsible for all social affairs that are held throughout the quarter in the hall.

### Cupid Still at Work On Central Campus

Some persons were overlooked in the vital statistics of last week, and showing that Cupid really works fast, additions have been made to several third fingers of the left hand around the campus.

Other newly married couples who attended Central last year are Robert and Shirley Daum McNeeley, Ray and June Werner Carr, Chuck and Pat Tully Gehlen, Fred and Mildred Snow Lotspiech.

At least three girls have received diamonds since school began this month. Joy Breshears, Donna McCune, and Phyllis Marsh all have big plans. Phyllis Marsh and Glenn Baker will culminate their engagement October 22 when they will be married in Ellensburg.

Looked over last issue also was Gail Farrell, whose engagement to Bill Ranniger was announced in June.

Among the many freshman girls who are engaged are Marilyn Copenhaver and Madeline Sepa.

### Joy Breshears Tells Of Engagement At Kamola Hall Party

The engagement of Joy Breshears to Allan Geuin was announced Oct. 2 in the Kamola Hall recreation room.

The news was revealed by a huge heart over a table decorated by smaller hearts placed in cupcakes for each of Miss Breshear's friends. Napkins bearing the names "Allen an Joy" adorned the table also. Refreshments of cupcakes and coffee were served.

Those present were: Priscilla Satterthwaite, Eleta Adolf, Maie Nelson, Helene Mataya, Frances Bonjorni, Evelyn Cain, Mary Nelson, Margaret Flanagan, Mary Horton, Rosalie Riffenberg, Mary Lou Shaver, Betty Boyd, Frieda Erling, Mabel Hanson, Betty Byars, Lucille Sharp, Winnie Williams, Lila Jean Thompson, Teresa Martin, Phyllis Dunlap, Mrs. Mathews and Mrs. Prater.

Miss Breshears is the daughter of Mr. and Mrs. Ralph Breshears of Omak, Washington, and has attended CWCE for three years. Geuin is the son of Mr. and Mrs. Robert Jackson, also of Omak. No date has been set for the wedding.

### RAINBOW CONTINUES FORMATION OF GROUP

Many new students were present at the first meeting of Sigma Tau Alpha, Rainbow Girls honorary this year Tuesday evening, October 5, in Kamola's little recreation room at 6:30 p.m.

Petitions were passed out. These must be sent to the Mother Advisers and returned at the next meeting, which will be held at the same time and the same place on Tuesday, October 19.

It was voted to amend the by-laws, changing the initiation fee from \$7.50 to \$6. The dues will remain at 50 cents per quarter. These will both be due at the October 19 meeting also.

Letters have been sent to the officers of Epsilon Chapter at Washington State College, inviting them to hold initiation for this new chapter, and Mrs. Evelyne Murdock Campbell, National Executive, has been invited to grant the organization their charter at the same time. The tentative dates for this initiation and receiving of the charter are October 23 or 30.

Any members of the Order of Rainbow For Girls who are interested in this organization but did not attend the meetings are urged to come to the next meeting, October 19. Girls who have attended other meetings are reminded to bring their initiation fee and dues and petition to the meeting in order that they may be initiated with the group as a chapter member.

### SGA COMMITTEES ARE NAMED FOR FUNCTIONS

Appointment of permanent committees to handle technical and social duties for SGA functions have been announced by Wilbur Chinn, SGA vice-president.

These appointments include: Dale Troxel, head of microphone for both social and athletic events; Ernie Wendholm, Gail LeTrace, Lloyd Miller and Delbert Pratt, to handle lights, floor wax and band stands for SGA dances.

Others selected were: Earl Wiuff, in charge of Wednesday night mixers, and Jean Alkana, patrons and patronesses for all SGA dances.

Off-Campus Women's Club will meet Thursday, Oct. 14 at 7 o'clock in social rooms of college Elementary School. Short social meeting after business meeting.

### Dot Safreed Heads Pep Club This Year

Girls' Pep club swung into an active year with a meeting of officers last Monday night.

Leading the club this year will be: Dot Safreed, president; Lenore Schaus, vice-president; Rosie Milhofer, treasurer and Ilene Klett, pep-storian.

Plans were made for a membership drive, and ideas discussed for a half time stunt in the next home game. Also scheduled on the year's activity list will be the selling of rally hats which the club ordered this summer, and a skit for Homecoming.

As stated in the SGA Welcome Book, "the purpose of Girls' Pep club on the campus is to foster existing school spirit and create new and varied forms of mass joy." Membership is open to only freshman and sophomore girls but enrollment is limited to fifty.

### Donna McCune Reveals Engagement to Bill Cable At Party

The engagement of Miss Donna McCune, sophomore from Clover Park, to William Cable, a junior from Sunnyside, was announced at a party given by Roxiann Bundy and Wanda Riddle, in room 358, Sue Lombard Hall last Friday.

The news was printed in pink frosting on a large white cake brought in by Dolores Chapman. White napkins with the names "Donna-Bill" in gold were in place. Miss McCune displayed her ring while passing a box of chocolates.

A wedding march record added a novel note to the revealing announcement.

Refreshments included popcorn, apples, cake and cokes.

Guests present included: Corinne Powell, Nadine Powell, Janice Jacoby, Lucille Ozanich, Myrtle Hatcher, Elaine Neeley Jarrett, Shirley Riddle, Ann Belch, and Muriel Hatfield.

No date for the wedding has been set.

Part-time jobs—Men students interested in part-time, off-campus employment are asked to check the bulletin boards in front of the Dean of Men's office. A considerable number of students have found work opportunities in this way thus far this year.

October 5 was a big day for birthdays. Davey Braman was a year old and Denny Shore was 3 years old.

Jim Clemans also celebrated his birthday at a supper given on Oct. 4 by his wife. Present were Mr. and Mrs. Don Dowie, Mr. and Mrs. Jim Murphy, Ed Adams, the guest of honor and Mrs. Clemans.

Mr. Cliff Warnke and Mr. Bob Wilson, branch and unit managers of Stanley Home Products for the Pacific Northwest were entertained for lunch at the Stan Valwilers. Co-host and hostess were Mr. and Mrs. Bud Dennis.

### New Arrivals

We have a few new babies who arrived this summer. The youngest is Antonia Torre, daughter of Mr. and Mrs. Anthony Torre. Mark Duffy falls next in line. Mark is the son of the Wayne Jensens. Christina Suzan is the daughter of Mr. and Mrs. Don Mitchell, and Tienne Louise is the daughter of Mr. and Mrs. Bud Dennis.

Some of our residents took trips this summer. Mr. and Mrs. Jim Curtis went to Arkansas and Florida visiting relatives. The Bill Pethtels went to Canada, Vancouver, Harris Hot Springs, Anacortes, Odessa, and Spokane. O'Dea's visited in Montana and Dalrymples were in Kansas.

Don Carlson was entered in the Salmon Derby with a salmon weighing around fifteen pounds. Margaret Broughton also is a successful fisherwoman. She caught an eight pounder Labor Day weekend.

The Jack Shores celebrated their fifth anniversary on Oct. 5.

Recent news of LeRoy and Carolyn Weber has them located in Redwood City, California. Weber is going to Stanford mornings and teaches in the Redwood City Public schools in the afternoons.

### Visitors Arrive

Visiting the Jim Sellars is Jim's mother, Mrs. K. J. Sellars from Fort Smith, Ark. She plans to stay for a few more weeks. The O'Deas had company with Mrs. L. Metzell of Sumatra, Montana, and her daughter, Mrs. Michael Wayne of Spokane as visitors. Mr. and Mrs. Litzenburg and three sons of

Toppenish visited the Gene Sweeneys here. George Palmer of W.S.C. visited the Dick True's over the weekend. The Jack Door's had as their guest Miss Jackie Alexander from Cheney. Mrs. H. W. Jones and her two daughters are visiting Mrs. Jones' sister and family, the Bob Garrows.

Last, but not least, are our new families: Mr. and Mrs. Calvin Bradbury and daughter, Mr. and Mrs. A. P. Zeutenhorst, Mr. and Mrs. Bob Johnson and son, Mr. and Mrs. Ray Lehrman and daughter, Mr. and Mrs. Jim Satterlee and son, Mr. and Mrs. Ralph Smith and son, Mr. and Mrs. Richard J. Jenkins and daughter, Mr. and Mrs. Floyd Clark and daughter, Mr. and Mrs. Bill Parker and daughter, and the A. J. Dieter's jr., who live in our only trailer.

For those who were pleasantly surprised by the small checks from the Veterans Administration on Oct. 1 and have inquired as to whether they were entitled to them, the Veterans Advisor has been informed by the VA in Seattle that veterans attending summer school were entitled to fifteen days' leave pay at the end of the session.

The fifteenth day of this leave fell on Sept. 1, which accounts for the small checks received.

# CAMEL MILDNESS IN DRAMATIC 30-DAY TEST!

**1** In this test famous throat specialists examined the throats of hundreds of men and women from coast to coast who smoked Camels exclusively for 30 days—a total of 2470 thorough examinations.

**2** These throat specialists examined all these smokers every week and found not one single case of throat irritation due to smoking Camels!

**3** PROVE IT YOURSELF in your "T-Zone"—T for Taste, T for Throat. Make the 30-day Camel mildness test with our money-back guarantee. (See below.)

THIS TEST REVEALED

NOT ONE SINGLE CASE OF THROAT IRRITATION DUE TO SMOKING CAMELS!

### Money-Back Guarantee!

MAKE THE 30-DAY CAMEL TEST YOURSELF

If, at any time during these 30 days, you are not convinced that Camels are the mildest cigarette you have ever smoked, return the package with the unused Camels and we will refund your full purchase price, plus postage. This offer is good for 90 days from this date.

Doctors smoke for pleasure, too! And when three leading independent research organizations asked 113,597 doctors what cigarette they smoked, the brand named most was Camel!

## INITIATION OF FROSH BY UPPERCLASSMEN HELD AT SUE LOMBARD

BY SHIRLEY RIDDLE

"What held you up?"

"You'd better hurry."

"Don't talk, chew gum, look at boys, trip upperclassmen, or disturb anyone."

With these comments, initiation for the Frosh got off to a 'bang.' A half an hour was given each girl to learn the Alma Mater, Fight song, and a poem. If any of you weren't fortunate enough to eat at Sue on Thursday, Oct. 7, it will now be repeated.

"I'm a little Freshman;

As dumb as I can be—

But now that I'm a Sue girl,

'Tis the honor roll for me."

Besides contributing butter or pouring milk, the underclassmen were last to eat.

To replenish their appetites, something easy couldn't have been chosen. Oh, no! Leave it up to Barbara Clark and Dolores Chapman to decide the lawn needed cutting. And were they furnished with an electric lawnmower. Ha! Scissors were their tools with all clipping put into an old sock.

War paint, (lipstick to the boys) adorned the faces of the fairer sex in a large variety of twists and turns. Besides having to eat in the hall with it on, matters weren't improved when someone special stood and watched while you recited the poem. Humm, Marilyn.

### Rooms Cleaned

Rooms to be cleaned were next on the list of unpleasant jobs for Frosh. Each was led by one hand to a room of an upperclassman and there left—to do the cleaning).

Study hours weren't ignored in the heavy schedule of initiation. At 7:00 all Frosh could be located in the West Room of Sue on the "hard" wood floors. No talking was allowed.

The upperclassmen, thinking the floor must have been uncomfortable and stiffening, decided to give the freshmen a 30 minute limbering up period. This included push-ups, running, touching toes, and walking on all fours at once.

Then bedtime finally came at 9:30. The Frosh were given five minutes to get into bed and to asleep. No fixing hair or showers. Sleep had almost swallowed up the initiates when "bang" every buzzer in the house was rung and the Frosh were sent to the second floor. Here they held a mouthful of water in their mouths while climbing down the stairs backward on their hands and knees. At the foot of the stairs an array of chairs, stools, and tables, as an obstacle course were waiting for them to proceed over, through, and under. When the fire was finally reached and the water deposited thereon, a girl stood by with an ample supply of paper to see the fire didn't die out. Two trips down the stairs was the average.

### Refreshments Served

Ice cream and cookies, served by upperclassmen was the first sign that they had a heart. We were just beginning to appreciate them again when we were informed we were to be up, dressed, and down to the east room with a suit case prepared to go anyplace, at 4:30 a. m. We, being guillible, and green, arose, dressed and went down to await our fate. After waiting 35 minutes for something to happen, we were told, "Thank's for coming. Go back to sleep, and we'll see you in the morning.

This concluded the initiation (I hope) except for green ribbon to be located on their heads, until Homecoming.

P.S.—Apologies are extended to people living in Sue from Friday Harbor as that town was excluded from the list in last week's paper.

## ELWOOD GIRLS HAVE BUSY SOCIAL WEEK

Girls of Elwood House were entertained on two occasions during the week. The first was on Mary Lou Shaver's birthday, Tuesday, October 5. A birthday cake and coffee were served as refreshments.

The second occasion was an informal gathering at 908 East Second. Miss Louise Christianson was the hostess. The girls were served cake and coffee after spending the afternoon playing cards.

## Bean Feed to Start Activities for OCM

With a full season of entertainment planned, the Off-Campus Men's Club will start off with a Bean Feed on Monday, October the 18th, at six o'clock in the social room of the Y.M.C.A. This dinner is being given for all men living off the campus. The purpose of the feed is so that the men who are living off the campus will have a chance to get acquainted with other fellows and to better acquaint themselves with the activities of the school.

Guided by President Glenn Baker, the club creates good fellowship among its members and gives them more of a chance to participate in school affairs. Already they are busily working on a float to enter in the parade for Homecoming Week-end, and are preparing a stunt for the same week-end.

Among other events planned for the fall quarter the club will have a banquet sometime between now and Thanksgiving, and a dance, with date to be set later.

Other officers in the club are, Earl Wiuff, vice president; Larry Hamlin, social commissioner; Doc Meek, Secretary; Dick Holm, treasurer; and Jack Norling, SGA representative.

All men living off the campus are eligible to join the club and participate in the fun and entertainment.

For the winter quarter plans of the O.C.M.C. call for a smoker. This was held last year and turned out to be quite a hit with everyone. Besides the smoker Larry Hamlin has announced that they will also sponsor a formal dance sometime during the year.

Last spring the women's and the men's off campus clubs joined forces and held a carnival for the whole student body. Not only did this give the two clubs an opportunity to work together, but it proved to be such a big success that already they are hard at work formulating plans and ideas for an even bigger and better carnival next spring.

President Glenn Baker says, "With so many things planned for this year, the students living off the campus should really get to know everyone and become a living part of the friendly spirit that prevails at CWCE."

## MODERN DANCE CLUB HOLDS FIRST MEETING

The Modern Dance Club held its first meeting of the year last Thursday evening at the home of Miss Shirley Nelson, the club advisor.

The business meeting consisted of election of officers and the planning of club activities for the coming year. Helene Mataya was elected president; Ann Sellwood, vice-president; and Eva Evers, secretary-treasurer.

New members invited to join the club were Melba Alford, Joan Anderson, Virginia Houser, Ruth Dougherty, Eva Evers, Benita Lyle, Irene MacDougall, Doris McNary, Lucille Ozanich, Virginia Schindler, Faye Sethe, Bonnie Wickholm, and Nancy Woodhouse.

## Miss Sweezy Selects Autumn Wardrobe

By PEGGY WHITEHEAD

Just as the leaves trade their bright green colors for the rich autumn glow, Miss Sweezy of CWCE's compus will shove her gay cottons back in the corner and pull out her deeper toned fall woolens.

For casual campus wear she will stay true to skirts and sweaters. This year glen plaids are in style with browns and blues predominating in the designs. The straighter, the better, insists Miss Sweezy, she prefers a small kick slit on each side.

Sloppy sweaters have taken a side line this year while the neat short sleeved slip-on takes over. Bergundy, royal blue and cocoa brown are the new shades in popular demand. Box cardigans are still "in," worn over a Peter Pan collar or simple angel neck blouse.

Brown! Brown! Any shade from russet brown to cabin brown or the deep chocolate shade in Miss Sweezy's choice for her fall coat. She finds the swing back coat, cuffed high and wide will suit her wardrobe. Greens, wines, and tweeds are on her list of favorites, too.

For special occasions Miss Sweezy will choose a trim suit with a slim skirt and modified box jacket or the other extreme with the flare skirt and close fitted jacket. She will wear a gay colored scarf around the suit lapel with a favorite piece her throat pinned to one side of of jewelry, probably gold or silver set with rhinestones.

Saturdays will find Miss Sweezy comfortably attired in rolled up jeans and a loud plaid shirt. Miss Sweezy declares this day as one of comfort and ease before she dresses for Sunday.

She gives one word of advice to other girls—neat, be neat. It isn't what you wear, it's how you wear it.

## Maidens Mystified, Fooled by Football

"Rah! Rah! Wildcats." I can understand that part. I thrill to the sight of those colorful uniforms tracking out on the field. But what happens afterwards proves to me that men are just not very intelligent. Why they can't even add and subtract and it looks as if football players can only count to four. You know, those blocks of wood with numbers on, that they follow the ball around with? Sweezy has the ball—four yellow men jump on the red player and try to dig a hole in the turf for him to hide the ball in—the block says 1—they do it again 2—again 3—again 4—but the next time the block says 1 again and everyone knows that 5 should follow 4, or do you follow me?

And those penalties—maybe I'm dumb, but I can't understand why those funny looking men in prison uniforms can blame our boys for the forces of nature. Why after they had carried the ball all the way down the field and blocked and tackled the yellow men just perfectly those umpires, they call them that, made them take it back and start all over again because the backfield was in motion. I looked and looked and so did all my girl friends, but we couldn't see even a blade of grass blowing.

Then I really did get mixed up. The megaphone shouts, 4th down and 1 yard to go . . . and the boys in red fight so hard and knock out all those yellow men and then the umpire yells—10 yards to go! Everyone knows if you keep punishing people like that, they'll lose their ambition.

I think that there should be a rule against the umpires having a cold—especially when they keep dropping their hankies. Why, the other night the Wildcats would have had a touchdown, but one of those umpires dropped his hanky and everyone had to stop playing and come clear back up the field and wait 'till he picked it up and put it in his pocket before they could resume playing.

Anyway why do they need umpires? The boys are adults aren't they, and adults can fight their own battles. Issy and I agreed it would have been over much sooner and have been much more interesting to watch if they, the umpires, hadn't interfered so much. But men are funny that way! Now if the women were running it—

### FILLER

As much as I hate to admit the fact, the only reason they are even considering this piece of literary wit is because they figure everyone reads everything in the first edition of our fair newspaper.

The first thing I imagine I should do is to apologize for using the word "wit" so loosely. This column should be referred to as "it," I suppose.

I start: Greetings and solutions to all you fresh men and women, and a hearty low pffft to you upper classmen.

First, a word to the wise. If you should develop a sudden case of chills and feel sick in the stomach after reading this it is not due to the fact that it is no good, it is merely because I happen to have a cold and you probably caught it.

## CW Wildcats Drop Close 7-0 Decision In Tough Conference Opener With PLC

By ART BELCHER

Outscored but not outfought, Central Washington's scrappy Wildcats almost reached a new height in football greatness Saturday night before they finally succumbed to a potent and highly favored PLC squad, 7-0.

Few times in a football game does a team perform like Central did and still find itself unable to dent scoring territory for keeps. Twice the speedy Wildcat backs broke away for long touchdown gallops only to have both plays nullified, one by a penalty and the other on an official's ruling that the runner had stepped out of bounds. The third misfortune suffered by the Cats was the most spectacular of all.

### Beardsley Romps

Eric Beardsley, a terrifically hard hitting halfback, received the opening kickoff for Central on his own 5. He drove straight upfield until he hit the 20 then cut to his right and raced down the sideline behind beautiful interference. After he crossed the 50 Beardsley was all alone and Central supporters were mentally totaling 6 points for their team until the speedy back tripped in a small hole in the turf and fell on the PLC 10 yard line with no one within 15 yards of him.

Central plowed to the one foot line in four downs and Jurkovich kicked the Lutes out of danger temporarily. Beardsley returned the kick 9 yards to the Lute 31. The aroused Wildcats stormed to the 22 yard line in two plays but with third down and 1 to go for a first down the Gladiators recovered a Central fumble to end the second threat. The remainder of the first period was mainly a punting dual between Beardsley and Jurkovich except for one drive by PLC to the Central 35 which was halted by a Jack Guyot fumble and Central recovery.

### Lutes Held

The Lutherans except for one brief thrust into Central territory didn't show any of their vaunted air or ground attack in the first quarter. Central's hard charging line and very fast T formation backs topped by Beardsley's opening run seemed to befuddle the huge Lute team and they just couldn't get going.

Central picked up a first down on their own 49 in the opening minute of the second period but a 15 yard clipping penalty set them back to their 34. Don Doran, Central half, left the game a few plays later from an injury and was unable to see any more action for the evening.

PLC opened up midway in the second quarter after recovering a fumble on the 50 and passed and drove to the Wildcat 32 where they lost the ball on downs. Beardsley punted to Strandness who returned the ball 10 yards to his own 40 where PLC started the longest sustained drive the game had thus far produced. Jack Guyot, who is everything they said he was, cracked Central's line 4 times in a row moving to the Cat 45. Gene Strandness, very much in the picture all night, entered the limelight at this point and whipped a long pass to big John Jurkovich behind Central defensive men. The Lute quarterback was brought down from behind on the 8 yard line.

The next Strandness pass went to Duane Blaine McKanna who made a costly miscue by letting the ball trickle away. Brock cracked center for 4 of the necessary 8 for a TD. PLC lost the ball on downs when Brock to McKanna and Strandness to McKanna passes were incomplete. McKanna caught one of the pitches but it had been deflected by another Lute and was ruled incomplete.

### Central Holds

Beardsley booted the ball from his end zone out to the Central 34. PLC couldn't move the ball and Jurkovich kicked into the end zone giving the ball to the Cats first and ten on their own 20. The play saw sawed and after an exchange of kicks, PLC lost the ball on their 45 to the Cats after Guyot failed to pick up two yards on a center smash on a fourth and two play.

With two minutes remaining in the half the Wildcats took to the air and a Danny Iyall pass to Bob McCullough on the Lute looked like a score for a moment as Mac lateral out to a man in the clear but the Lutes deflected the ball out of bounds and took the ball over on their 32. Ed Bartlett, who gave PLC no end of trouble all evening, intercepted a Lute pass a

moment later but with time enough for only one play Central couldn't move the ball.

Central opened the second half in the same slam bang fashion that they opened the game with. After kicking off to the Lutes and forcing them to kick on fourth down, the fireworks really began. Jack Dorr, Central speed merchant, took the Lute punt on his own 22 and brought the crowd to their feet as he cut to his right and threaded down the sideline unbelievably through the entire Gladiator team to score standing up with 4 or 5 big Wildcats racing along behind him for protection as not a Lute was left in front of him.

### Play Nullified

The Wildcat rooters frenzied cheers changed to groans as the officials brought the ball back to the Cat 42, ruling that Dorr had stepped out of bounds there.

What had been a brilliant 78 yard touchdown gallop was converted into just a good 20 yard punt return and dampened the Central hopes of being able to penetrate the stripped end zone.

Undaunted, the hard hitting Central backs led by Carmody and Iyall ran and passed to a first down on the Lute 25 yard line. Iyall's pass to McCullough which was good for 19 yards was the high point of this drive. Iyall hit center for five and Carmody picked up two at tackle setting the stage for Bartlett's break-away score. With the ball resting on the Lute 18, Ed Bartlett took an Iyall handoff, went off left tackle on a delayed buck, cut sharply to the right and scored standing up. The play was nullified, however, when both sides were offside. A moment later the Lutes intercepted a pass to stop the last real Wildcat threat.

With five minutes remaining in the third period, the play that led to the games lone tally occurred. Gene Strandness, the main PLC standout and a sure bidder for all-conference honors, intercepted Danny Iyall's pass on his own 40. He flicked an incomplete pass to McKanna and followed up with a long one to Morris good for 38 yards and a first down on the Wildcat 22 yard line.

### Lutes Score

McKanna picked up another Strandness pitch good for a first and ten on the Central 11 yard line and the following play saw the Lutes score on a Strandness to Guyot pass. McKanna kicked the extra point. Strandness had completed three passes in a row for 60 yards and a score.

The fourth quarter saw Central open up with some long desperation passes and some quick opening gains, but the rejuvenated Gladiators stiffened on defense and devoted their offense to time eating ground plays, content to protect their seven point margin. The Wildcats drove to the Lute 35, highlighted by a catch by Bartlett of a long pass from Iyall. Beardsley caught one of Iyall's heaves and carried the ball to the Lutheran's 45 in the closing minute. Two plays later PLC

Danny Iyall

intercepted a pass as the game ended.

The entire sixty minutes was a rough slam bang affair with the emphasis on hard bone crushing blocks and tackles. Central's line although outweighed, consistently outcharged the rugged Lutes and opened up enough holes to enable the Cat backs to outgain the Lute carriers 132 yards to 106. The Lute line excelled at holding up the defenders and giving their passers ample time to pick a receiver. The Gladiators led in this department 126 yards to 71 yards. The Lute flingers completed 8 out of 16 attempts, while the Wildcats made four of 16 tries.

Totals for rushing and passing were: PLC, 232 yards; Central 203 yards. Each team picked up seven first downs.

### Wildcats Fast

The game story can be concluded by saying that the Wildcats are an exceptionally fast group of gridders with a good hard charging line, that will take care of itself against any in the conference, as they proved against the bigger more experienced Lute veterans who operate in front of an array of hard-hitting, sharp passing backs.

A break or two could have spelled victory for the Cats, but it cannot be denied that the defending champs from Tacoma played good enough ball to win. It was simply a case of too many accurate passes.

An attempt to single out any one player or four or five players would only lead to argument, but some must be mentioned and all should. Gene Strandness and Jack Guyot were inspired players in the Lute backfield, as were Jack Proud, Carbone, Dinsmore, Morris and Gourd on the line.

The Wildcats had standouts in Bartlett, Beardsley, and Dorr in the backfield, McCullough, Jim Satterlee and Paul Henley on the flanks, and Hake, Bonjorni, Osgood and Hawkins in the middle of the line.

## DICK'S DOPE

By DICK NORMAN

In last Saturday night's game against P.L.C. "the good Lord was just looking over the wrong shoulder." It was a hard fought game to the bitter end. The loss was more of a moral defeat than a significant loss.

Everyone was disappointed because we lost the game but this doesn't mean we're out of the running. Anyone could still win.

Next week Central's Wildcats will travel to Bellingham where they will battle the Vikings. In their game with Eastern last week they showed a tricky shifting of the line and backfield. But they will need that extra power when they try to stop the driving Central backfield.

Special mention should go to Bob McCullough, end, who played a beautiful defensive ball game. Ed Bartlett who has played second team halfback thus far this season played an inspiring game both defensively and offensively. He just couldn't be stopped. It's too bad Jack Dorr's run was called back. He made a spectacular run.

Many wondered why Eric Beardsley fell when he made his thrilling run back of the kick off. At that end of the field there is an old broad jump pit and it is about three inches or more lower than the rest of the field. This slight "detour" caused the stop of Eric's flight for paydirt.

L. G. "Clipper" Carmody, the "little all American" from Central, is now teaching health education at the U. W. The former Central Washington College star cut a wide swath on both the casaba court and grid in the East last season, where he played pro ball.

The U. W. showed last that they are still a potential team in Coast Conference. They will have to show that same power next to beat Washington State.

The Campus Crier sports department has been given the honor of helping to choose the All-America Football Team for Collier's magazine. The team is chosen by two panels: Collier's All-America stars and the sports editors of leading colleges and university newspapers. Each panel will send in their choices each week. At the end of the season the Crier will carry the results.

### Gridiron Greats

By Jerry Houser

#### BOB "THE ROCK" OSGOOD

Ossie, a graduating senior, and three year letterman from Elma, Washington, has held down first string guard like the Rock of Gibraltar since 1942. Playing with Central's League Championship teams in 1942 and 1946 Ossie received honorable mention Little All-Coast in 1942 and second string All-Conference 1946. Last year for his undying spirit and ability to play hard, clean football Bob was chosen first string All-Conference guard as well as captain of Central's eleven.

Ossie is twenty-four years old, stands five foot seven and weighs a hundred and ninety pounds. He is quiet spoken, friendly, and has great ambitions of becoming a coach. During the war he served in the marine corps in China and then returned to Central to play football.

#### RALPH ("BEETLE-BOMB") SHERWOOD

Coming to us from the remote wilds of Selah, Washington, is none other than that handsome, happy-go-lucky, Ralph "Beetle Bomb" Sherwood.

Ralph, who is a junior this year, has lettered two years in baseball and one year in track. He is twenty-two years old, five foot ten inches tall, and is one hundred seventy pounds of solid man (gosh). Right now, Ralph is on the injured list with a badly infected toe. He keeps dreaming about kicking the old pigskin and the bedpost keeps getting in his way. Seriously, Ralph is a fine ball player and should see plenty of action at quarterback for the Wildcats this season.

#### DON "ELEPHANT EARS" DORAN

Hailing from Queen Ann High School of Seattle where he was a gridiron terror (and Willamette knows why), Don Doran has made it known he is among the boys who are fighting for a starting berth and a championship team. "Dumbo," as he is called by his friends, is a one year letterman sophomore. He stands five feet ten inches tall, weighs a hundred and seventy pounds, has black hair and contends that the "new look" has got to go.

He was chosen to play for Seattle in the All-Star game of 1947 and has since shifted to Central where he saw lots of action at left halfback.

#### BOB "BOJO" BONJORNI

"Bojo," who is still a newlywed, has finally found his position on the football team at right tackle. Bob states he has played guard, end, tackle, fullback and halfback, and after two years he has finally landed a position he likes and can play.

Bob is twenty-two years old, a junior, weighs a hundred and ninety pounds, and stands five feet ten inches tall. He is a letterman from Ellensburg, and although he hasn't been chosen for any honors as yet, he carries a lot of that old rock and sock that wins ball games. "Bojo" claims the greatest thrill he has ever had outside of football, was the time he dressed up in a bearskin and scared the daylights out of fifteen college girls who were peacefully camping at Salmon La Sac—remember.

#### ERIC "MUSCLES" BEARDSLEY

Coming up from Yakima Junior College, where he starred in football, basketball, and track, Eric has proved to be one of the most potent ball carriers the Wildcats have this season. He has speed to burn and plenty of that old drive when the going gets tough.

He is twenty-two years old, five foot nine inches tall, weighs 165 pounds, has short wavy hair and is considered good looking. He attended Yakima High School, where he was a three sport letterman, then joined a coast guard unit, which patrolled Alaskan shores. Eric is a great boy off and on the gridiron.

#### RAY "FIREBALL" SMITH

"Smitty" is a smart aggressive fireball transfer from W.S.C., where he played Junior Varsity ball in 1946, and from all indications he should be one of the runnerup main-stays in the Central line this year. Ray, a Seattle boy, is a junior, stands five feet 10 inches tall, weighs one hundred seventy-two pounds, good looking, and married!!!

#### JIM "FLUB-DUB" SATTERLEE

Jim is a junior from Falls City (wherever that is), Washington. He plays football, basketball, and baseball, and is a crack athlete at all. He is a one year letterman and stands six feet two inches. He is married and has one child.

### Central Holds Edge In Western Series

Although Central lost to the Western Washington team last year, they still maintain a 13 to 9 edge over the Vikings.

The Wildcats started their rivalry with the Bellingham team in 1922 by defeating them with a score of 19 to 0 in the first meeting of these two teams on the gridiron.

Since then here are the records:

Year	Western	Ellensburg
1922	0	19
1924	24	0
1925	33	6
1926	9	13

### VOLLEYBALL TO BEGIN ON OCTOBER 25

Intramural volleyball is scheduled to start Monday, Oct. 25, with deadline for entry Monday, Oct. 21. The minimum number of players per squad is nine. Playing will be scheduled to start according to the number of teams who will participate.

A list of players and receipt for towel fee per player should be put in Mr. Kem's mailbox in the business office by the athletic commissioner of each organization. The towel fee of \$.50 per person can be paid in the business office, this, however, is not compulsory, it stated so. Practice sessions are set for Oct. 18, 19, 21, and 22 at 8p.m.

If enough interest is shown a cross-country run will be held later. Tentative plans for badminton are under way.

Thursday, Oct. 21, an Intramural meeting of all representatives will be held in Mr. Kem's office at 7:30.

### CWC Band Performs At PLC Game

Led by Drum Major Jim Smith, the CWCE band performed during the half-time of the Central Washington-Pacific Lutheran football game last Saturday. Conducted by Mr. Bert Christianson, the band filled in the intermission with a varied program of music, as well as supplying music during time-outs.

Baton twirlers this year are: Faye Sethe, head twister and Jean Marie Clement and Ellen Sellatsee. Mr. Christianson reported the band has 26 new members which brings the band total up to 48 at the present time.

### BARBEE NESBITT WINS SWIMMING LAURELS

You didn't know you had a celebrity in your midst, did you? Ever happen to glance at the beautiful trophies reclining on Barbee Nesbitt's desk in Kamola Hall?

Yes, Barbee is the celebrity. While she was an instructor of swimming this summer in Goldendale, she became famous.

It all happened like this, we understand. They had the County meet for swimmers this summer, and Barbee not only was awarded the Senior Women's championship in swimming, but also the Grand Championship. Two cups that any brawny football hero would be proud to own belong to the girls' sports editor of the Campus Crier. The trophies were awarded by The Dressel Brothers' Memorial for fine swimming quality.

### Intra-Mural Sports Program Underway

Last year' intra-mural program provided opportunity for men to compete in any sport of their choice on a part-time basis. Many desiring athletic competition but unable to turn out for varsity sports found the intra-mural program inviting and convenient. In nearly all instances the boys entered the competition wholeheartedly and with but one desire, to win. This feeling of competition brought out the best in each team and showed promise as future possible varsity material for this year's intra-scholastic squads.

A couple of examples . . . Jack Dorr turned in a :9.08 hundred, then went on to take first in the broad jump with a 20'11" effort. All season Jack had been playing baseball. Welcome to the track squad Jack. In the same contest Harry Grant turned in a fifty-four point quarter mile.

This year we are looking forward to a bigger better, year of all around athletics for all college men who wish to compete. Intra-mural basketball is already in the late stages of development and should be ready to go in a week or so. All men interested contact Mr. Kem or someone already familiar with the set-up.

### Other Evergreen Clubs In Action On Grid Front; Eastern, CPS Score Wins

With their first appearance in the Evergreen league the College of Puget Sound laced Whitworth 14-0, at Tacoma Friday night.

Coach Poffenroth's Savages continued their winning streak by rolling over Western Washington 31-7 Saturday night at Bellingham.

Saturday night Central lost a hard fought game to Pacific Lutheran 7-0.

Puget Sound's aerial attack defeated Whitworth. A 38-yard toss from Harry Mansfield to Lem Kalapus gave the Loggers their first touchdown in the second quarter. The second TD came on Mel Lights' interception of a Whitworth pass and his 55-yard dash to paydirt.

Eastern's reverse was one of the main reasons for their win over Western. The Vikings shifted their defense to the heavy side of the Savage's line, but on the reverse the Savages made ground continuously.

### CENTRAL'S GRID COACHING STAFF

Having started the season with only two men handling the squad, Central Washington College now has a four-man football coaching staff. Head Coach Shorty Luft (second from right) and Shelley Kem (second from left) first assistant, are helped by Ralph Grant (left), former crack Wildcat guard who recently enrolled to complete work on his degree, and Arne Faust (right), head baseball coach.

### NSA TO INVESTIGATE PROTEST OF STUDENTS

MADISON, Wis.—(I.P.)—An investigation of the expulsion of 60 students who refused to register in protest of violations of academic freedom at Olivet College, Michigan, has been initiated by the United States National Student Association (NSA).

Following a plea from the Olivet students, the NSA national office has authorized the Michigan regional headquarters at the University of Michigan to conduct a study of the situation.

Of the 300 students at Olivet College, sixty have been expelled as a result of their refusal to register for the coming semester in protest of the request by the Olivet administration that Barton Akeley, a sociology professor, and his librarian wife submit their resignations from the faculty.

The school gave no reason for the action, but outside sources have called the Akeley's "ultraliberals."

Pending study by an "impartial academic board," the Michigan chapter of the American Civil Liberties union urged the reinstatement of the Akeley's. The report also questioned Olivet President Aubrey L. Ashby's understanding of academic freedom, and recommended that the expelled students be permitted to return to school without recrimination.

### WHITMAN COLLEGE HAS NEW GRADE SYSTEM

WALLA WALLA, Wash.—(I.P.)—Students will no longer go home with grades while at Whitman College listed as average C's or saved-by-the-bell D's. If a student doesn't win A's or B's (for superior work) or F's for failure he will get something new—P's—as a result of "unanimous approval" just given a new grading system, it was explained by Dr. Charles J. Armstrong, dean of administration.

Those P's do not mean "poor" or even simply "passing," nor are they equal to the former C's and D's. "They cannot be compared," Dr. Armstrong said. "What the college has done is to adopt a completely new approach to the whole system of grading, and any effort to equate the new system and the old runs into trouble.

"The new grade P is not just a new name. It is good toward graduation at face value, whereas the old D was not good enough in quality and had to be offset by at least B's."

He added that the college will retain all its standards, and noted at the same time that the benefits are expected to accrue: Help keep students off probation; perhaps even prevent their being dropped from college; and it will mean they will not have to work hardest during the senior year to bring a cumulative average up to the old 2.0 graduation level because they had merely skidded through earlier and collected D's of 1.0 value. Grade point averages, like the Dodo bird, have vanished.

And here's why the college expects its standards to stay up: The new grade P means work, regarded as "sufficiently high quality to count toward graduation." The letter P will mean the student has done more than "just got by" (often the definition of the D grade), for it will be given when the teacher regards the student's work of sufficient merit to count toward a college diploma, but is not of A or B quality.

In the future some of the D's a student has been collecting will be worth a P and some, alas, will be traded for the foolish F. Furthermore, because his P-grades are good for a diploma he won't go on proba-

tion unless he has failed for any semester more than one-fourth of his work.

Committee chairman for the homecoming float will meet Friday, Oct. 15, at 4 o'clock in the Campus Club.
