Concert Band To Tour Central Washington Instrumentalists Listed

The CWC band leaves February 19 for a three-day concert tour of the Kittitas and Okanogan regions.

The band will open its tour at Moses Lake, travel to Ephrata and from there to Coulee Dam where it will remain for the night. On the morning of the twentieth the band will appear at Omak high school, then on to Okanogan high school. That evening, they will appear in Wenatchee. On the last day of the tour the band will play at Cashmere and later at

EMILY KIMBROUGH

Emily Kimbrough, author of "It Gives Me Great Pleasure" will appear in the College auditorium today at 10 a.m.

Among her other works, Miss Kimbrough has written "How Dear to My Heart" and was co-author with Cornelia Otis Skinner in writing "Our Hearts Were Young and Gay". Miss Kimbrough has held such positions as fashion editor of *Ladies' Home Journal*, technical adviser for filming the picture "Our Hearts Were Young and Gay," and a motion picture writer in Hollywood, as well as being a successful author.

"Gales of laughter promise to ripple through the auditorium when this famous author classifies herself as a 'scapegoat' or one to whom things are always happening," said Mrs. Skinner.

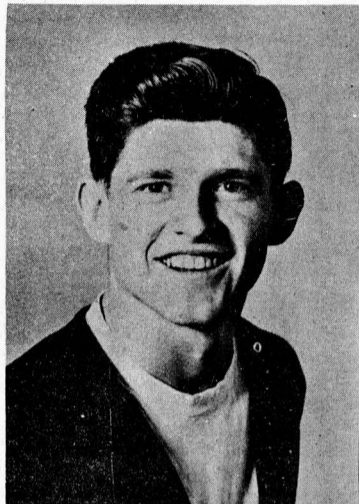

Hampel Reports WSSF Donations

Hans Hampel reported that a total of \$210.46 was contributed for the WSSF drive. Sue Lombard led the dorms with a collection of \$26.10.

The faculty gave \$45 and the off-campus students gave \$25.36. At the WSSF benefit show Friday night over \$48 was put into the large tin cans by the audience. The total taken in this year exceeds that of last year's--\$108.

"Fifty-two books have already been donated. We will continue to collect the informative materials for the rest of the quarter," said Hampel.

Students To Be Back

Advisors Accompany 25 Student Teachers

Welcome back, student teachers' will be the theme of the week-end February 15 through 18. During this period the 25 student teachers from Wenatchee and Yakima will come back to the campus for several days of relaxation.

The primary purpose of the back-to-the-campus trip will be to give the students a chance to visit friends and to enjoy the social life of the campus.

The only planned activities are an informal meeting in the College Elementary school social rooms on Thursday and pre-registration on Friday. Both of these events are for student teachers only.

The student teachers will be accompanied by their advisors Anne Lembesis from Wenatchee, Morris Pettit and Margaret Ankaney from Yakima.

Student teachers from Yakima are Melba Alford, Virginia Becker, Louis Bochenski, Merle Davis, Douglas Funk, Shirley Groth, Paul Holbrook, Barbara Huston, John Jarrett, Rita Jobe, Harley Jones, Maybelle Keating, Dale Krueger, Marjorie Levin, Gloria Longville, Katherine Ludwig, Carl Malnati, Georgeine McCoy, Richard Norman, Bob Reeseman, Harold Roberts, William J. Smith, Bill Stefan, James Stidham, and Alvin Thornton.

Student teachers from Wenatchee are Jim Blanchard, Lou Evan, Linnea Johnson, Laurence Kitchell, Walter Linne, Delbert Martin, Barbara Montague, Clara Ray, Marilyn Richardson, Frances E. Smith, James S. Smith, Wally Woodworth, and John Zamberlin.

Long ago when Venus and Appollo were first getting acquainted, a little guy who traveled under the name of Cupid came along and with the aid of only a bow and 2 or 3 well-placed arrows, managed to bring the pair together quite successfully.

This idea, so to speak, was brought into being several years ago when the Sophomore class started their annual "Cupid's Informal" tolo. To add a little more spice to the affair every girls dorm on campus nominated a candidate for King Cupid, the lucky fellow who won reigned over the dance with the losers acting as his attendants. Something like Homecoming Queen minus the earrings and high heels.

This Friday night is the date when all you "wimmen" will be taking one of these handsome brutes of the campus to "Cupid's Informal". The time: 9 to 12 p.m. The place: "Nicholson's Armory"---commonly known as the Men's gym. The music by: The Music Makers, a very smooth group indeed---also when it comes to music. Late leave until: 1:30 a.m.

The decorations promise to be beautiful, the refreshments promise to be refreshments, the patrons and patronesses promise to wear dark glasses, and King Cupid's identity promises to be a surprise to everyone.

Who will it be?? Bill McCormick, Bill Case, Joe Cannon, Ned Face or Hal Anderson?? McCormick is Sue's candidate; Cannon, Elwood's; Face, Kamola's; Anderson, Off-campus women's and Case, Kennedy's.

A big crowd is expected so get your ticket early!

Petitions For Posts Submitted To Council

Twelve petitions for Honor Council elections were presented to the election committee of the Council last Tuesday night, according to Harry Drittenbas, committee chairman.

Petitions were submitted for William Case, Tom Knudsen, Jim Dekker, Joseph Watson, Francis Isberg, Pat Moore, Maxine Hart, Loraine Mansperger, Joan Wagner, Bud Sears, Lewellyn Kumetat and Al Busby.

This list may be shortened after the qualifications of these nominees are checked.

Three of these students will be elected next Tuesday, when Honor Council elections will be held. Polling places will be in Walnut Street cafeteria, Munson, Kamola, Sue Lombard (Elwood will vote here also) and in front of the post office for off-campus students only.

Dorm Presidents To Meet Tuesday

There will be a meeting of all presidents of dormitories and other organizations on Tuesday, February 20 at 9:15 p.m. in Kamola.

This meeting is to plan the complete social calendar for spring quarter. "If you are putting on a dance, party, or what not," said Don Duncan, SGA vice-president, "come prepared to pick out a date. If you can't come yourself, send a substitute."

Kappi Pi Members Do Fine Job

Classical Numbers Sung

The Beax Arts Dance, held February 9, had very extraordinary decorations. As Maxine Hart commented, "I thought Kappi Pi did a wonderful job of decorating. The mobiles and the huge jester hanging from the ceiling were really unique." The Jester Maxine referred to was 18 feet tall, and had pom poms on both feet and was holding them in his hands. He was made of painted cardboard, wood, wires and cellophane. Various colored streamers were strung from the figure in the middle. Semi-abstract figures painted on murals decorated the walls. Mobiles hung from the

ceiling and made interesting shadows on the walls. A dark blue back drop for the band stand was accentuated with glittering stars. This was an entirely new setting for a new band, Marv Clark's. Don Fenton was in charge of decorations.

Masks and jesters were responsible for the entertainment. In contrast to Gibb's part in the program, Marilyn Dreher pushed Carolyn Scott in a wheel barrel while both girls hollered the familiar names "John" and "Marsna". Refreshments were also taken care of by this club. Lime punch and cookies were served. 10 per cent of the profit for the dance went to WSSF.

Crash! Bang!! "Hiya horseface." Guess who??? It's Marilyn "Moose" Dreher, our coed of the week and president of Kamola Hall. Marilyn has been active on the campus since her frosh days when she was a yell leader and is well remembered from the plays, acts and skits in which she has participated.

Right now she is "knocking her brains out practice teaching" all day long in the first grade under Miss Kohler at the College Elementary School. When asked how she likes it she said, "I love the little kids, especially the boys!" Marilyn is to teach kindergarten after she graduates. Her three minors, drama, recreation and sociology, come in mighty handy in the summer when she works at a Girl Scout Camp on Hoods Canal, where she teaches swimming, camp crafts and creative drama.

Marilyn's home town is Bremerston but she was born in Brookings, South Dakota way back on May 16, 1930. She weighed in at 7 1/2 pounds (you'd never guess it now!) and was named Marilyn Fran. A look at her present statistics will show that she is 5' 8" tall, has brown hair and hazel colored eyes. Her hobby is reading murder mysteries and her motto is "Keep 'em laughing!" She likes to ice skate any time there is ice (and I don't mean George.) Dancing, music and parties are among her other favorite pastimes. Her ambition is "to get to be twenty one" and her favorite food is raw potatoes!

According to Marilyn her nickname "Moose" was started by Leigh Nold because, "I sounded and looked like one!"

Our coed came to Central because she heard it was a friendly place. "After 2 1/2 years here," she said, "I feel that I've gotten a lot out of my college education, but most valuable are the many friendships I've made." You can always be sure that where there's fun there's Marilyn, and where there's Marilyn there's fun!

Officers Elected

The Kaags have elected two new officers in their club; Gene Ward as social commissioner and John Rothe as club reporter.

At the carnival held February an estimated \$30 was taken in from students and townspeople for the March of Dimes.

Barb's Best Birthday Gift Comes From Warren

At the Sue house meeting February 5, Barbara Hawkins of Renton announced her engagement to Bob Warren of Port Angeles. The couple became engaged on her birthday, January 23, 1951. They will be married in June after school closes.

Miss Hawkins graduated from Renton High School and is a Sophomore at Central. She is taking a Secretarial course. Warren graduated from Roosevelt High in Port Angeles and is a Senior at Central, majoring in Geography. Warren lives at Munson.

June Higgins, one of the three song queens, was married January 27 to Max Brewer in Couer d' Alene, Ida. Both are from Kennewick and had gone together about four years previous to their marriage. They met in high school and graduated in '48. June is a freshman from Sue and is taking secretarial science. She will return and probably finish the year. Her husband is going into the Army February 19. June worked in the post office second and fourth periods.

An interesting and fascinating life across the ocean in Arabia is now awaiting Mr. and Mrs. Richard Hopper. Mrs. Hopper is the former Bonnie Lapsley who recently withdrew from Central. While here Bonnie was assistant housemother at Kennedy Hall. The couple were married in Tacoma on Saturday, February 3. Both are residents of Tacoma. The groom is working in Arabia and the newlyweds will live in that country for three years.

Don Johnstone High Scoring Hal Cracks YMCA Scoring Record

What have they been feeding the men at Central? Wednesday Don Johnstone sets a new individual scoring mark for single games in the Ellensburg city league and the next evening Hal Jones goes out and sets a new Evergreen conference individual mark for single games.

Johnstone pushed up 58 points to crack the old record which had stood at 35 for years, ever since the old Y's Men's team posted it way back when. His points helped his team, the YMCA, to also establish a new single game team score at 107-50. Union Oil was the loser. What is even more outstanding, say team members, is that Don made 28 field goals and only had 2 free throws the whole game in his point total. Johnstone was cut from the Central varsity earlier this year. He was an all-conference guard in the state junior college league, playing for Centralia, for two years.

Four seniors will be playing their last home basketball game tonight. They are: Hal Jones, Harvey Wood, Pugh and Don Olson. Jones, Wood and Pugh are concluding four years of varsity action while Olson has two years.

Litven Paces Scorers In Intramural League

Leading the high scorers in the intramural basketball league as of last Tuesday was Munson's team 2 player, Litven, with 84 points to his credit. This is an average of 12 points per game for seven games, which gives him a five-point lead over second place Norm Buck, Off-Campus 3, with 75.

Listed below are the 19 players who have topped the 50 mark so far this season according to "Sauce" Feroglia, head of intramurals.

Litven	Munson 2	84
Buck	Off-campus 3	75
Blank	Off-campus 1	70
Warren	Boondockers	67

Hal Jones, highscoring Wildcat center, will go out to top Gene Lundegaard of PLC in the scoring column tonight as CWCE and PLC encounter in what may turn out to be a scoring duel between the two men. Jones dumped in 41 counters last week against Western to draw into second place in the conference scoring race, three points behind Lundegaard, and set a new conference individual scoring record.

Jones And Co. Throttles Viks

So much happened at the WWC-CWC game a week ago that one hardly knows where to start in telling of all the wondrous things that came off. Listed they might run something like this:

First and foremost, natcherly, is the fact that Jones smashed the Evergreen conference individual single-game scoring mark set by High Harry McLaughlan of PLC in the 1948-49 season. Harry's was 34; Hals' is 41, better by seven points.

At the same time Jones also bettered the Central individual single-game mark of 34 set by Fred Peterson as a freshman, when CWC was still a member of the now defunct WINCO league (1947).

Thrown in as an incidental note is the fact that all three of the foregoing records were at the expense of the Western Washington Vikings from Bellingham.

The third item of note is that Jones tied the CWC all-time season record for free throws made. This was set in 1943 by Russ Wiseman, now the Ellensburg high school coach at 110. History is still to be written here since Jones has games to go yet.

More history waiting to be written is a new Evergreen season total for an individual palyer. Last year Gene Burke of Eastern set the total at 228 points, but now Jones needs only an average of eight per game to top it.

Yet more records waiting to be smashed! Dean Nicholson holds temporarily the title of the individual-high season scorer for CWC all-time at 401. Arrived already at 378, with three games to go, Jones should erase this mark too.

There is, however, one CWC record that will remain unsmashed by Jones. That is the four-year individual total. He is way off the pace set by Nicholson, who ended up with 1373. This, in turn, was quite a bit out of the race with McLaughlin's all-coast four-year high of 1785.

Jones got his points from 13 field goals (out of 34 attempts, which gave him a shooting percentage from the floor of .382) and 15 free tosses (out of 19, which gave him a free throw percentage of .789). Those free throw attempts look even better when you notice that the last nine were made without a miss, eight of them when the pressure was on in the last few minutes of the game. Billy "Lighthouse" Lee, or "Old Reliable", was second high for the team with eight counters.

A 19.5 points per game clip is the average of Jones after bracketing the WWC tally.

Incidentally, we might throw in the fact Central won the game 64-51.

Eastern won its ninth and tenth straight this year and its twenty-third and twenty-fourth consecutive conference wins over the past week-end when it beat CPS and St. Martins. Looks like that cinches the Evergreen crown for the Savages. The only team which could even scare them is Whitworth, and the Whits would have to win their last six games, two of these with Eastern. Up to Sat., February 9, this is how the race results were photo-finished: EWC--9-0; Whitworth--7-2; CPS 6-3; PLC--5-4; CWC--4-6; St. Martins--3-6; WWC--2-7; and UBC--1-9. This means that by winning both games from PLC this week CWC could climb a notch in the standings to fourth and a possible invitation to the NAIB berths in K.C. That, combined with Hal Jones's record shattering feat the other evening, just might be enough of a basis for the judges to give the Cats the nod in this season where everyone has had their cold spells.

As far as the standings of the Cats among the small colleges of the Northwest goes, they are doing about as expected.

PLC Steps Into Cats' Lair Tonight

Fresh from a victory over Western and a week-long rest, Central's Wildcats entertain the PLC Gladiators tonight in the last home game of the current season for the Cats.

Taking the spotlight for the game will be the scoring duel between Central's Hal Jones and Gene Lundegaard of PLC. At this time, Lundegaard is leading the league with 198 and Jones is runner-up with 195. A break of two or three points one way or the other might mean the Evergreen scoring leadership for either of the contenders. Both Jones and Lundegaard are also shooting for the Evergreen season scoring record set by Eastern Washington's Gene Burke last year when he garnered 228.

As far as the outcome of the game itself is concerned, it should be rated pretty much of a toss-up. PLC is a notch ahead of the Wildcats in conference standings, but they will be playing in the Cats' lair, which should make a difference. Even if the Centralites take the contest, they will not switch spots with the

Lutes. PLC is in fourth with a 6-4 record while Central is a step behind with a 4-6 tally.

Wildcat mentor Leo Nicholson is figuring on going along with his regular five against the Gladiators. Besides Jones, there will be Arch McCallum, Zebb Wedekind, Bill Lee and Harvey Wood. Lute head man Marv Harshman will also stick to his old reliables, Lundegaard, Hefty, Berentson, Wells and Huffman for this contest.

There will be a return match between the Lutes and Wildcats in Parkland Saturday night.

Editor's note: Due to limited space for sports this week, we regret to say that numerous articles that had to be turned in, various feature articles including the "Cat of The Week", and intramural league standings, etc., had to be omitted. Apologies to all concerned.

Kappa Pi Blasts Selfish Students

Dear Editor:

Last week some thirteen posters which were placed on the campus to advertise the Beaux Arts dance mysteriously disappeared as soon as they were put up. It was difficult for our club to realize that Central had so many art lovers or critics. We thought at first that there was an organized move to ruin our publicity. Reports came in later, however, that the posters were being displayed prominently in various students' rooms on the campus.

The posters were unique and probably a great temptation to the thoughtless individuals who stole them. They would certainly be welcome to the signs after they had served their purpose. These selfish individuals were certainly unfair to this club and to the artists who put much time and effort into the posters.

The quality of posters and signs might improve on the campus if it were not for these few lightfingered students. This club for one will use chalk on newsprint to advertise any future events.

Faculty Variety Show Discussed; Kem To Chairman Program

Framework Laid For Wintertime Diversion; Each Department To Have Representatives

The SGA, with Don Duncan doing the initial organizing, is working on a project that I'm sure all you students would be interested in.

Several years ago the faculty was approached by the SGA to see if they would be willing to sponsor a faculty talent or variety show for the benefit of our student body. The students had been putting on shows quite frequently and deserved a treat; to reverse the procedure and have the faculty provide the entertainment. After several joint meetings, the faculty decided they were too busy and didn't have enough time for such things. A good idea, but not very practical, they said. So that was that.

Last Thursday a similar type of meeting was held in Dr. Partridge's office with four faculty members and four students in attendance. Much enthusiasm was expressed along with a bit of skepticism, but never-the-less, a framework was set up for establishing a departmentalized Faculty-Talent Show. By this we mean each department would be responsible for putting on some sort of an act. This could mean

an 8-10 act, hour and a half show. Now comes the question to my mind. Are they going to succeed this time or again beg off because of pressing time and work? I'm not trying to say that they aren't very busy or that they have any sort of an obligation to us as far as entertainment is concerned, but I do think they would really enjoy doing such a show. And I'm sure the students would enjoy it twice as much.

Winter quarter, with its short drab days and long cold nights, is a tough one anyway. We need some good diversions, and this would fill the bill.

So we leave it in the hands of the faculty again. Good Luck to you!
 A. Adams
 SGA President

(Ed. note: Since Al's letter was written, faculty members have decided to put on a show. Shelton Kem was elected chairman of the program.)

Washington grows one out of every four apples sold in the U.S. Washington has the only large coal deposits in the Pacific states.

Article Interpreted

The Student-Faculty Welfare committee met with the Honor Council last Thursday to interpret the section of the SGA constitution dealing with nominations.

By unanimous vote of the Student Faculty Welfare committee the last sentence in section I, article VIII shall be interpreted thusly:

"Nominations by petition shall be without limit for each office, but if at the time of Inter-club council meeting there are less than three nominations for any one office, only nominations necessary to complete a total of three may come from the floor."

WAC Calls Coeds

Coeds at Northwestern University report they have been getting letters from the war department urging them to join the Women's Army Corps. Inducements were a \$275-a-month pay check, a second Lieutenant's commission and a "permanent career."

"Reaction to the letter was mostly negative," according to the Daily Northwestern. One girl remark, "My fiancé would disown me if I enlisted. He's in the Coast Guard and I'd have a higher rank than he if I went in."

Ian Campbell, a senior at Northwestern, says he too got a letter asking him to join the WAC's. It was addressed to Miss Campbell and offered him a pleasant stay in the army. Campbell had no comment.
