Publication Choices-1954

Lila Malet, left, heads the list of SGA editors for the 1954-55 term. Miss Malet was chosen for the post of editor of the CAMPUS CRIER. Roger Asselstine was chosen to aid Miss Malet as associate editor. Ron Tasso, this year's advertising manager succeeds Howard Hanson as Business manager. Seated, from left to right, are Russ Jones, advertising manager; Mary Pennington, HYAKEM editor; Rollie Dewing, assistant sports editor, and Bill Leth, sports editor. (Photo by Pat Crawford)

SGA Council Approves New Publication Posts

Lila Malet and Mary Pennington were confirmed by the SGA Council Monday night as 1954-55 editors of the CAMPUS CRIER and Hyakem respectively.

Their names were submitted by the Publications committee to the council. Six other persons were approved for lesser publication posts at the same meeting.

Miss Malet, a freshman, from Bothell, served as associate editor of the CRIER during the past spring quarter. She will also edit the CRIER summer quarter.

Miss Pennington, a Hoquiam sophomore, has served on the Hyakem staff for two years—this year as assistant editor.

Other publication positions filled were Roger Asselstine, associate editor, and Gary Adams, assistant editor. Bill Leth, sports editor for the past spring quarter will continue this position next year. Rollie Dewing has been named assistant sports editor. Russ Jones will become advertising manager. Ron Tasso, present advertising manager, is automatically promoted to the post of CRIER business manager.

Second Largest Graduating Class in Last Five Years

The graduating class of June 4, 1954 is the second largest to receive degrees in the last five year, according to Perry Mitchell, registrar. In 1951, 197 degrees were handed out and this year 192 will be awarded. The number of students participating in graduation exercises, however, will be slightly higher because of students who received degrees at the end of fall and winter quarters returning to participate in the ceremony, he added.

They Did It!

8-Pounder Born To Niebergalls

Since the beginning of fall quarter, SGA president Albert Durry (Bud) Niebergall has been walking around the CUB saying "Who's got a cigarette?" Camels were always preferred, but 'most anything would do. But Monday, May 17, the story had changed—Bud was giving our free cigarettes to everyone he saw.

Why?

Well, sir, about 1:35 a.m. on Saturday, May 15 Mr. and Mrs. Albert Niebergall welcomed the arrival of an 8 pound 3 ounce baby girl. Following the SGA budget-reduction plan, Bud deduced that for 25 cents you could give out 20 cigarettes, but only five cigars could be purchased for the same price. Very good!

According to reports (SGA secretary Andy Toppila), Rebecca Marie Niebergall is "the cutest." She has dark hair. The glowing father says Rebecca is "growing every day."

The Niebergalls were married in June of 1953. Mrs. Niebergall, the former Joan Anderson, was graduated from McConnell Tech in 1951. The first lady of our student body taught in Puyallup and Washington grade school in Ellensburg.

Receiving degrees this June will be: Mildred Ackerlund, Donna Alexander, Glenn Anderson, Richard Armstrong, Carl Audo, John Ayers, Wayne Backlund, Stephen Balint, James Barrett, Gene Bertino, Emanuel Blank, Camilla Boyd, Jack Burrows, Ruth Carrell.

Virgil Carson, Charles Cates, Elizabeth Conner, Patricia Cosper, Keith Davis, Tim Dockery, Charles Dorich, Mildred Eastwood, Carol Eckert, John Eddy, Elna Emerson, Virginia Erickson.

Donald Fankhauser, Bradley Fischer, Fred Fischer, Bette Flanagan, Florence Flynn, James (Continued on Page Three)

Munson Sweeps Sports Events On Sweezy Day

Munson hall was presented the Nicholson trophy Sweezy Day evening at the awards assembly after they swept the track meet, the ping pong tournament and took first in the singles in the tennis competition.

The trophy is presented annually to the dorm or organization that compiles the most points during the year in MIA competition. Munson also won the basketball and volleyball championship as well as taking second and third in the softball (Continued on Page 6)

Central to Publish 'Commercial' Pamphlet

Each year Central puts out a pamphlet on some department. This fall it is to cover secretarial science, commercial education, and economics. This pamphlet will augment the general catalogue by outlining courses required in these fields and job opportunities.

Pictures have been taken of this year's classes in order to let prospective students see what they can expect to be doing and the facilities at their disposal.

Scholarship Winners Named

Fifty-five Central students were announced 1954-55 scholarship winners at an award assembly held yesterday at 11 a.m. in the auditorium. Baseball and track letters were also awarded, and twenty students received certificates for Who's Who in American Colleges and Universities.

Adrienne Toppila received the American Association of University association award for outstanding senior women. Dorothy Barich and Lila Malet were awarded the AWS recognition award for freshmen on the basis of leadership, scholarship, character and personality.

Louise Bradshaw was given the CWCE memorial scholarship worth \$75, which is awarded on scholarship, personality, promise and need. Winning CWCE alumni association scholarships, which are given on a basis of individual merit and professional promise, were Lawrence Rogers, Ernest Hahan, Ruth Marolf, Colleen Jane Moore, Karen Savage, Alice Scearce and Mary Zurfluh.

Lawrence Belz was awarded the \$50 David Hertz memorial scholarship, which is given to a freshman showing promise in music. William Sampson received the Dennis Farrell memorial scholarship of \$50, which is awarded to a freshman in pre-med.

John Startzel was given the \$250 Eddy's Bakery Scholarship, which is awarded for scholarship, personality and need. Ruth Sommerville received the Ellensburg Baptist Men's Club scholarship worth \$100 for a Baptist student in teacher education.

Nathalie Heinz received the \$25 Effie I. Raitt memorial scholarship, given to a home economics major or minor showing an interest in the subject. Lee Andrews was awarded the Jennie I. Rown (Continued on Page 6)

OFF-Campus Organizations Stage May Prom Tonight

Louise Lievero, Shirley Olson, Cami Boyd, Del Hartman, and Lillian Luther were the five senior women selected as May Prom queen candidates, according to co-chairmen Mary Pennington and Don Baker. One of these women will be crowned queen at intermission tonight.

Wolfsehr Elected Grade PTA Prexy

Clifford Wolfsehr, CWCE circulation librarian and recently elected president of the College Elementary School PTA, was installed at the parent-teachers meeting Tuesday evening.

Other new officers installed were Dr. Lyman Partridge, vice president; Mrs. Lawrence Cleman, secretary; and Herbert Bird, treasurer.

A huge star suspended from the center of the Men's gym and various other stars will carry out the "Symphony of the Stars" theme, Miss Pennington said. Truman Van Winkle and his violin will provide intermission entertainment, she added.

Mrs. Annette Hitchcock, dean of women, Mrs. Anne Morgan and Mr. and Mrs. Clifford Wolfsehr are patron and patronesses for the affair. Mrs. Morgan and Wolfsehr are advisors for Off-campus women and men respectively.

Ramblings of Robert

BY BOB LARRIGAN

Well, it's about over except for final and grades. Summarizing the entire year at Central is not a job for the newspaper; it IS a job for the HYAKEM—and Laeta Youngblood and her HYAKEM staff did an excellent job. Prediction for the following years is another job that we'll avoid; the registrar will take care of that. The CRIER can take this last issue as an opportunity to give a few pats-on-the-back (something we don't particularly make a habit of.)

Pat number one goes to SGA president Bud Niebergall. Bud proved to be an excellent prexy in several ways: He accepted his position as a learning situation as well as one of leadership and studied leadership and analyzed the people with whom he worked until he had won the respect of everyone who knew him. He was an excellent representative of the SGA and the school.

Pat number two will have to go to director Wayne S. Hertz and the Central Singers. They put many hours and many dollars into their work this year. They rose to be one of the nation's finest singing groups and brought the college much recognition for their work. They "wowed" 'em in Chi Town.

Pat number three goes to Al Stevens for maintaining his convictions and fighting to get the necessary jobs done even when he knew he was usually in the minority. Al's only fault was that he believed that college is more than a place to go to classes and study. Nice job on Homecoming and the I.K. national convention, Al.

Pat-on-the-back number four goes to the Central baseballers who won the Eastern Division title of the Evergreen conference baseball league. Winning a divisional championship in itself may not be anything too special, but taking the crown from the Whitworth Pirates after their dominance of all conference sports this year is very noteworthy. Special pats go to graduating lettermen Russ Watkins, an outstanding hitter and fielder, and Sonny Dorich, a real clutch hitter and one of the finest outfielders in the state.

Pat number five must go to the staffs of the CRIER and HYAKEM for a long year of hard work. The editors were paid and had to do their jobs, but the staffs did the work as an activity. Special pats must go to the photographers, Pat Crawford, Chuck Evans, Frank Moon and Herb Schmidt, for putting aside their own activities to film school events for posterity.

A nice pat-on-the-back to the 1955 CRIER staff for putting out a fine issue last week. It is traditional with the CRIER for the new staff to put out the next to the last issue; if last Friday's issue was any indication, next year's CRIER should be better than ever.

SGA Councils Attend ECSA

Thirteen old and new SGA Council members from Central attended the annual Spring meeting of the Evergreen Conference Student Association at Whitworth college last Friday and Saturday.

The conference decided to hold a possible mid-winter meeting at Central. The spring conference will be held at Western Washington College of Education at Bellingham next year.

Besides the regular ECSA business meetings, the conference included a banquet and several seminars on common phases of student government. Delegates from Eastern, Pacific Lutheran and U of British Columbia, as well as Central and Whitworth attended this meet.

Gene Maitlen, retiring CWC vice-president, was named to draw up a letter to the Oregon federation concerning the proposed union with the ECSA. The conference later accepted this letter.

The conference also named Landon Estep, incoming CWCE vice-president as manager of the eastern half of the proposed Evergreen Conference exchange assemblies program. Lila Malet, new CRIER editor, was named chairman of a committee to investigate setting up an Evergreen Conference Press Clinic.

S.G.A. MINUTES

The meeting was called to order by SGA vice-president Gene Maitlen. The minutes were read and approved.

Mrs. Annette Hitchcock, dean of women, talked to the Council about the criteria for selections for Who's Who in American Colleges and Universities. She suggested that more faculty members be included on the board of selection and also that SGA pick the people who qualify in the spring. Final selection can then be made the following fall. The Anderson-Barto proposal was turned back to Pete Anderson, Verville representative, for revision.

Dr. E. E. Samuelson, director of student personnel and placement, spoke to the council about recommendations concerning frosh initiation. He also added that Orientation week will last four days next fall.

It was moved and seconded that the SGA Council endorse the acceptance of the Northern Life insurance policy for the year 1954-55. Motion passed. Discussion was held on how to get the policy into operation and how to get it before the students.

It was moved and passed that the SGA Council approve the recommendations for Freshmen initiation week.

Motion carried that the Selection board for Who's Who will be composed of four faculty members and six students and that two of the faculty members should be picked for one-year terms and the other two members for three-year terms and from then on for three-year terms.

Motion carried that the SGA accept the model constitution presented by the constitution committee.

Motion carried that the Council accept the WRA constitution. Motion carried that the Council accept the Honor Council Code.

The following people were approved for publications posts: Mary Pennington, Hyakem editor; Lila Malet, CRIER editor; Roger Asselstine, associate editor; Rollie Dewing, assistant sports editor; Ron Tasso, business editor and Russ Jones, advertising manager.

Motion passed to have Helen Layson, Sue Lombard's representative, write a letter to Dick Gray, ECSA conference chairman, thanking him for the hospitality shown us during the conference.

A portion of Who's Who criteria was reworded to read that it would be taken into consideration if the people have been found guilty before Honor Council.

Snoop Scoop

BY RAY STEBNER

The quarter is almost over and so are the movies. Our last and only movie which will be shown Friday night should ring out the school year in a blaze of glory. Marlon Brando and Vivien Leigh will head the cast in "A Streetcar Named Desire." If you haven't had a chance to see this movie in the past, now is your chance to do so. I'm sure that those who have seen it will agree with me that it is one "terrific" movie. Movies are getting better than ever at Central—but kind of late in the quarter.

BOTTOM?

I was informed by a couple of local Vantage cliff dwellers that strange things have been found at the bottom of the swimming hole. For instance: one boy's swimming trunks, the tops to girl's bathing suits and other assorted articles. Has anyone been coming home from Vantage in a barrel lately? Hm-m-m-m? Or possibly the owners of said articles are still hiding among the rocks looking for their respective articles.

POEM?

Mary had a text book
Its pages ripped and torn.
She kept it in her dorm,
The book shelf to adorn.
But finals are upon us
And Mary's in a stew.
She bought the book for Zoo
But the title is "Math 22."
"Oh well," said Mary grimly.
"Too late to worry now
A flunk in this class and 3 B's
Will pass me anyhow."

BACK?

I hope to see many of you back at the old stomping grounds next year. I will be back attempting to hack out some news or humor of interest for you. Here is a passing comment for those of you writing term papers.

(1) Always recopy your roommates report in your own handwriting.

(2) Be sure to write a new title page corresponding to the class you are handing it in for.

(3) Above all, read the paper in case the instructor asks you about it.

See you next year!

"A Streetcar Named Desire."
Albert (Bud) Niebergall was asked to look into the matters concerning involuntary or voluntary purchasing of the Hyakem.

Maitlen reported on the ECSA conference at Whitworth last week-end.

Niebergall thanked the council or the fine job they did this year. Meeting adjourned.

It seems that with any new administration there arises new problems and new barriers to be hurdled. I think you students have chosen people who will meet these problems intelligently as we have tried to do in the past. I think they can do this because I believe they know WHY we have an SGA and WHAT the responsibilities are.

It is very easy to forget at times that we are organized chiefly to provide an opportunity for the students to learn to work with one another and to realize what it is to give and also take so that everyone is given the kindest consideration. In doing this we learn to forget about our own pride and feelings that may tend to guide us.

All students are given a chance to participate and in turn to learn a true democratic process which must be based on the feelings of people. Every individual must be considered as well as the mass. It is with this knowledge that we will leave college life prepared to take our place in society as, not just citizens, but dynamic citizens and teachers.

There are many things we know now that we wish we could have realized earlier in the year, but I guess that is the learning process. We have sincerely tried to give the new council the benefit of our experience which should help to eliminate confusion.

I feel honored for having been able to serve you as SGA president this year. You have given me a chance to acquire what I think is a wealth of knowledge and I sincerely hope that I have repaid you at least in part for this opportunity.

I hope all of you in the future will continue to take advantage of your SGA. Let it help you to achieve new heights in regard to your relationship to people around you. We do need one another, and we must learn to do this harmoniously.

In closing let me thank each and every one of you for the part you played in making this year one that we of the executive board will always remember.

"The committee has worked hard to make this dance a success," Miss Pennington said. Since this is the last formal dance of the year, we hope to make it one of the best—and a last chance to relax before finals," she added.

ISRAEL: SYMPATHY

Students at Haifa Technical Institute last month went out on strike in the face of threats of a substantial tuition raise. Fellow students at the Hebrew University in Jerusalem went on a two-day sympathy strike. The dispute was settled so that only students who can afford it must pay the tuition increase.

Bert Christianson Calls Band Conference 'Success'

"Simphonia" and "Introduction and Fanfare" were the two pieces named 'best for use by college bands' at the northern division conference, according to A. Bert Christianson, local conference chairman.

The northern division meeting of the College Band Directors National Association was held Friday and Saturday on the CWCE campus.

"Simphonia," written by John Verrell, teacher of composition at the University of Washington, and "Introduction and Fanfare," written by Gerald Keckley also of the U music department, were chosen from 15 original compositions submitted by Northwestern composers.

In December the selections picked at the northern division conference will be submitted to the national conference. They will then be judged with pieces selected at other conferences in the United States. Three compositions will be chosen as 'best for the nation' at the national conference and published for college bands, Christianson said.

"We feel that the meeting was successful and quite a bit was accomplished," he added. Fourteen directors from various Northwest colleges attended the conference. Problems of administration, philosophy, brass and woodwind sections and music publications were discussed.

Fifteen visiting college band members sat in with Central's band while they read the original pieces. Christianson said the band directors commented favorably on the ability of the band to read new music. They also thought the concert which the band gave for them Friday night was excellent, he added.

Central Singers To Climax Year

The Central Singers will make their last appearance this term Sunday, June 6, before the Rotary International Convention at the Civic Auditorium in Seattle. Approximately 10,000 delegates from all over the world will be in attendance. The choir is sharing the program with the Seattle Symphony Orchestra.

The final two numbers will be done by the Central Singers and the Seattle Symphony Orchestra. These numbers are "Festival Song of Praise" by Mendelssohn, and "The Era of Peace" by Ralph Williams.

For their part of the program the Central Singers will present "O God, thy Faithful God" by Brahms; "In the Shelter of Thy Wings" by Balamos; "The Creation" by Tom Scott, with narration by Jack Turner; and "Psalm 150" by Lawrence Morton.

Driessen, Logue Pitch Cats To Eastern Division Title

BY TED MILLHUFF

Central won the Eastern division of the Evergreen Conference championship by whipping Eastern last Thursday, 12-4 and 7-1. The Cats take on Pacific Lutheran college for the conference title this afternoon, here at Ellensburg. The title will be decided in a best-of-three game series with a double header this afternoon and a single game tomorrow afternoon if it is needed.

Central goes into the playoffs with an 11-8 season's record while PLC has a 10-10 season's record. Probable pitcher for the Cats in the first game is freshman Gary Driessen. The second game pitcher will be either Bob Logue, Tex Mains or Ed Hardenbrook, depending on the outcome of the first game.

Driessen and Logue each pitched three-hitters against Eastern last week. Driessen pitched the first seven inning game and Logue pitched the nightcap. The Savages hit six balls out of the infield during both games. The Cats banged out 21 blows including two doubles and three home runs.

Nine runs were scored by the locals in the first five innings of the first contest. Ron Dihel and Jerry Jones hit back-to-back homers in the seventh. Both balls traveled over 350 feet.

Eastern gathered their four runs on two walks, an infield single and a triple in the seventh.

The Cats drew first blood in the second contest with a solo run in the second and two runs on a tremendous home-run by Russ Watkins to his off-field.

A single plus a sacrifice fly in the fourth stopped Logue from getting a shut-out. Central added one run in the sixth and three more in the seventh as insurance runs.

Eastern used five pitchers, one being a shortstop and another a third baseman, in trying to stop the Wildcat hitters.

Dick Carlson and Dihel led the Central hitters with 5 for 8 and 4 for 7 respectively.

Spring Sports Letters Awarded At Assembly

Yesterday morning at the awards assembly athletic letters were passed out to the spring sports participants. A total of 33 major letters, three manager's letters and five minor letters were awarded.

Major letters are not awarded to the tennis players as tennis is not recognized as a major sport by the Evergreen Conference. Coach Leo Nicholson awarded minor tennis letters to Bud Breard, Marsh Keating, Bob Allen, Aris Frederick and Bill Pearson.

Baseball coach Warren Tappin dolled out 16 letters to his diamonders and a letter to his manager Ernest German. Those who received letters were: Mains and Watkins (4th); Carlson, Jones, Hardenbrook and Dorich and German (2nd); Nicoli, Harriman, Driessen, Springer, Dihel, Brayton, Berdulis, Tilton, Logue and Heacox (1st).

Track coach Monte Reynolds gave letters to 17 trackmen and two managers. Waldo Hawke and Bob Thomas received their manager's letters. Trackmen receiving letters were: Jenne (4th); Jurgens and Adams (3rd); Pierce, Wilson and Morgan (2nd); Bourn, Bowen, Higgins, Notman, Stackpole, Edwards, Torguson, Guay, Henry, Richardson and Sieler (1st).

New High Jump Record Set During Sweezy Day Meet

BY ROLLIE DEWING

A well balanced Munson team walked away with the Sweezy Day track meet, but a young man in the person of Keith Davis from North Hall stole the spotlight from the men of Munson. Davis bettered the previous high jump record of 5 feet 9 inches by three inches when he cleared the bar with a leap of an even six feet. This jump is several inches better than any of the Central varsity has been able to do this season.

Another record that was shattered was the shot put. Louie Schultz of Carmody heaved the shot 41 feet 8 3/4 inches to better the old record of 38 feet 9 inches by almost three feet.

Don Buselle, jumping for Munson, leaped 20 feet 2 inches in the broad jump to tie the record set by Gary Springer of North Hall in 1952.

The only double winner of the meet was Sam Bassett. Running for Munson, Bassett took first in the 100 and the 220. Bassett's 24.3 seconds in the 220 was only .1 of a second short of the record.

Bob Spearman, North Hall's big point getter last year, won the football throw for the second year in a row with a toss of 190 feet. Spearman was closely pressed by Jack Dickinson of Munson.

Probably the most exciting race of the day was the 50 yard dash. The race was ran in heats to determine the finalists. The finalists were determined in two very close heats. In the final race Gary Johnson of Munson and Brad Fischer of Munro finished in a

dead heat to tie for first place. To give some idea of the competition in the 50 yard dash, last year's winner, Don Tebbs didn't qualify for the finals this year.

Munson took first in the meet with 56 1/2 points. Munson was followed by North Hall with 35 points. Points for the other teams were Carmody 11, Off Campus 11, Munro 9 1/2 and Alford 0.

THREE RESIGNATIONS

Three members of the Varsity, student newspaper at Toronto university, have resigned in protest against the choice for next year's editor. The new editor was picked by the student council in a secret meeting. The three ex-staffers said the selection went against the recommendation of the publications chairman and the staff members.

Cat Netmen Lose Out In NAIA Meet

Coach Leo Nicholson's netmen ended their 1954 tennis season when they competed in the conference meet last Friday and Saturday, and the state NAIA meet last Monday at Tacoma. The Cat netsters went into the conference meet with a 9-2 season's record.

In the conference meet Central collected one point as Bob Allen and Marsh Keating got to the quarter-finals in the doubles. They beat Moses and Hanson of Whitworth, 6-4, 6-4, in the first round, and Derwin and Rainmuth of Eastern, 6-3, 6-3, in the second round and then they lost to Medin and Pearson of CPS, 6-4, 6-4, which eliminated them.

Keating also played in the singles. He lost to Larry Barclay of UBC in the second round. Barclay went on to take the singles championship. Bud Breard, CWC's other singles entry, lost out to Charles Rinamuth of Eastern in the first round.

The 1954 baseball season for the Wildcats ends this weekend with Central playing Pacific Lutheran College for the Evergreen Conference championship. The Cats go into this afternoon's double header with an overall season's record of 11 wins and eight losses. Gary Driessen with a (3-0) record and Bob Logue with a (5-3) record have carried most of the load for the Cats this season.

Driessen is only a freshman while Logue is playing his last season of baseball for Central. Logue, also a basketball star this past season, has one more year of eligibility in basketball. Even though he has a season's record of 2 wins against 3 losses, Tex Mains has gone into quite a few games in a relief roll and has saved the game for Central with his steady pitching. Mains is also a senior and will graduate this quarter into the Air Force.

Coach Warren Tappin, who played pro-baseball before he went into the Army during the last war, the other day said, "Driessen will definitely be a major league prospect in a couple of years." "He has fine control, a good curve and change-up and a very deceptive fast ball which may take him a long ways in the majors when he is a few years older."

Driessen is a product of Brewster, Washington. He had a fine record in high school baseball as he only lost two games in three seasons. He attended Wenatchee Junior College for the first two quarters this year.

The Central tennis squad had a good season this spring, as they only lost two matches. They were beaten by a good Wenatchee Jay-see squad here early this spring and they lost to the Whitworth Pirates at Spokane 4-3. They beat the same score, here the next week-Pirates in a return match by the end.

Students who lost their textbooks in last summer's earthquake now have the use of a special lending library. The emergency library was established by the World Union of Students, with most of the books coming from England.

In the 115 years from 1835 to 1950 about 25 million people from Great Britain emigrated to countries outside Europe.

NAIA No. 1 Meet Tonight

Whits Take Conference; 8 Cats Qualify for NAIA

Three records were broken and another tied as the Whitworth Pirates grabbed the Conference Track meet in Tacoma last Saturday topping the field with 63½ points. In the meet eight Wildcats qualified for the state NAIA meet to be hosted by the Whitman Missionaries tonight in Walla Walla.

In the finals of the conference meet, the Cats fared as follows: Mile-Torguson (5th; 100 - Pierce (1st) and Adams (5th); Shot-Jurgens (2nd); 880 - Higgins (5th); 220 - Pierce (4th); Broad jump - Bourn (4th); Two mile - Wilson (4th) and Stackpole (5th); Low hurdles - Edwards (4th); Pole vault - Jenne (2nd); and Discus - Jurgens (1st).

Eastern's Ron Chadwick, Whitworth's Ollie Wright and UBC's Doug Kyle were the record breakers and Whitworth's Bud Pockington tied the conference standard in the 220.

Eastern's Savages copped second place in the meet followed by Western, Central, PLC, UBC, and CPS in that order.

"Don Pierce, Mike Higgins, Don Torguson, Walt Wilson, Bill Jenne, Bill Jurgens, Bill Bourne and Jim

Reynolds.

In the qualifying rounds Friday afternoon for the Conference meet Kenny Edwards qualified for the hurdles, Pierce and Ray Adams qualified for the 100 and 220 and the 100 respectively. Mike Higgins made the finals also Friday in the 440.

Stackpole qualified for the NAIA meet," according to Coach Monte

Commencement Concert Slated for Tomorrow

The Central Singers and the College concert band will each give one half of the annual commencement concert to be presented tomorrow at 8:30 p.m. in the College auditorium.

The Central Singers will perform two groups of four numbers. Their program consists of Negro spirituals—many of which are familiar to all, according to director Wayne Hertz.

In order to give graduating seniors an opportunity to do some conducting before leaving school, six of them will each conduct one number, he added. The senior conductors are Bud Niebergall, Ralph Sager, Ted Turner, Wayne Sturdevant, Frank Prather, and Rex Holbrook.

The College concert band will play two groups of numbers, including many popular tunes. The final number on the program will be a combination of the choir and the band presenting "The Era of Peace" by Ralph Williams.

Here is the complete program for the evening:

Spirit of the Lord — Noble Cain
Ralph Sager, Director

Jesus Walked This Lonesome Valley — William Dawson
Ted Turner, Director

Ain't-a That Good News — William Dawson

John Hill won the men's singles championship in tennis for Munson. Dean Snider and Denny L. Anderson teamed together to take the men's doubles tennis crown for Off Campus.

The student - faculty softball game after lunch on Sweezy Day proved to be a route for the students as they showed no respect for their more learned elders and blasted them by a 22 to 4 count.

One of the highlights of the game was when Phil Whitney, the winning pitcher in the MIA champion-

ship game this year, faced baseball mentor Warren Tappin. Fireballer Whitney struck Tappin out with four pitches. It was reported THAT Tappin's only comment was, "Where'd the ball go?"

Tappin redeemed himself later in the game by hitting a home run off pitcher Harry Guay. The students equaled the "profs" in home runs with one early in the game with two aboard.
