Meeting was called to order at 1:02 p.m.

Nicole moved to approve the May 29, 2015 minutes. James seconded and minutes were approved as presented.

Scholarship & Service framework – This went to Senate at the June 3, 2015 meeting and was sent back to committee. Senate indicated there needed to be more faculty feedback before coming to Senate. Maybe send out to faculty and have an open forum. Talk with Lene about doing forum on November 18th at 3:10 until 4:00 at open EC meeting.

John will be on sabbatical during winter quarter. Deepak and Jim agreed to co-chair the committee during winter quarter. Jim moved to have Deepak and Jim co-chair the committee winter term. Nicole seconded and motion was approved.

Evaluation of Senate and EC

James moved to write to the Executive Committee about the drop in attitudes and how effective senators are with departments. This should somehow be addressed. Motion was seconded and approved.

The committee talked about doing the Executive Committee assessment on paper during a Senate meeting and then send out electronic invitation to those who did not attend that meeting. John will send this recommendation to Lene. Deepak moved to ask Executive Committee to publish the numerical results of these two assessments to all faculty and provide comments at the discretion of Executive Committee. Motion was seconded and approved.

SEOIs – There is an ongoing concern about response rates. The Student Academic Senate is working on this same subject. The committee suggested inviting the students working on SEOIs to discuss this at a future meeting. Need to remind Senators about the Evaluation of Teaching and the proper use of SEOIs.

Meeting was adjourned at 2:17 p.m.
