Meeting was called to order at 3:05 p.m.

Committee reviewed changes to the current General Education program. It was decided that we need to stay with the current writing requirements. Changes to courses that have changed pre-fixes, course numbers or titles will be changed for 2016-17. Janet will put together a document indicating the changes for the Registrar's office.

The committee talked about if they will accept new courses for next year. It was decided that if departments want to submit them, they will be considered.

Meeting was adjourned at 4:20 p.m.
