2001 Great Northwest Athletic Conference Fall Media Guide
GREAT NORTHWEST ATHLETIC CONFERENCE

The Great Northwest Athletic Conference begins its first season of athletic competition this fall. The conference features 10 NCAA Division II schools, which were all formally affiliated with the PacWest Conference.

The 10 schools are located in five different states, including five in the state of Washington (Central Washington, Saint Martin's, Seattle University, Seattle Pacific and Western Washington). The GNAC, which officially was founded on July 1, also includes the University of Alaska Anchorage, the University of Alaska Fairbanks, Northwest Nazarene University (Idaho), Western Oregon University and Humboldt State University (Calif.).

Five GNAC members - Central Washington, Humboldt State, Saint Martin's, Western Oregon and Western Washington - joined the PacWest prior to the 1998-99 season.

Central Washington, Saint Martin's and Western Washington were previously members of the Pacific Northwest Athletic Conference, while Western Oregon was a member of the Cascade Conference. HSU was a member of the Northern California Athletic Conference.

Seattle University and Northwest Nazarene, from the Northwest and Cascade conferences, joined the PacWest prior to the 1999-2000 season. Both schools still hold duel affiliation with the NAIA and won't be eligible to compete in NCAA post-season events until the 2002-03 school year.

COMMISSIONER

Richard R. Hannan (First Year)

Richard R. Hannan, who has been involved in intercollegiate athletics for almost four decades, was appointed the first commissioner of the Great Northwest Athletic Conference (GNAC) last May. He assumed his new duties July 1.

Hannan, a native of Spokane, Wash., served as interim athletic director at Lewis-Clark State College last year. Hannan, who also was the athletic director and head basketball coach at LCSC between 1974 and 1989, has also been an athletic director at two NCAA Division I schools.

"Richard’s understanding of our conference’s ideals is clear," said Humboldt State University athletic director Mike Swan, chair of the conference management council. "He brings strong leadership to the GNAC in this very critical stage of formation and growth."

Hannan, who earned a BA degree in social science in 1963 at Eastern Washington University, coached basketball at Columbia Basin College for seven years (1967-74) before beginning his first term at LCSC.

While at LCSC, he served as the host athletic director for the NAIA national baseball tournament for six years. He developed an honorary coaches program for the tournament. He also helped organize the Lewis-Clark State Warrior Booster Club, which became a substantial funding source for the college.

The LCSC program made substantial growth during his tenure, correcting inequities in the women’s sports programs and adding the sports of men’s and women’s tennis. The Warrior baseball team also won four NAIA national titles during his term.

Hannan was appointed the athletic director at Weber State University in Ogden, Utah, in 1989. Three years later he was appointed to the same position at Southwest Texas State University in San Marcos, Texas, before returning to the Northwest last fall.

During his tenure at Weber State, he implemented a student advisory board and created an academic support system for student-athletes. He also balanced the athletic department budget in spite of an $183,000 revenue shortfall and developed coaches television shows. He also created a radio broadcasting program, bringing the game broadcasts, promotions and marking "in-house."

At Southwest Texas State, Hannan was responsible for creating and developing the schools’ first athletics endowment fund, doubling revenue production for the athletic department. He initiated a television program for football, a format that was adopted by the Southland Conference. He also developed and implemented a program to eliminate Title IX department deficiencies.

Hannan, who earned a master’s degree in guidance counseling from Eastern Washington in 1967, is a member of the NAIA Hall-of-Fame and the NWAACC Hall-of-Fame.

Prior to coaching at the collegiate level, he taught and coached at North Central High School in Spokane between 1963 and 1967. Hannan and his wife, Nancy, have been married for 40 years. They have three adult children, Gregory, Molly (Akey) and Douglas, and four grandchildren.
