Gen Ed outcomes

Committee reviewed the Essential skills writing outcomes as presented by the English department. Under Essential Skills could add a sentence: Skills developed in these courses will continue to be developed through the breadth area courses.

There was a concern that the outcomes for Essential Skills Quantitative Reasoning may be too restrictive even for MATH 101. Need to talk with Aaron about this concern.

Scott expressed a concern about interdisciplinary courses at the centers. It would need to be a 300 level course for them to take it. Also access to these courses for the centers could be an issue as well.

Next week the committee needs to review 1A, 1D, 1E, 2A, 2B, and 4.

Petitions/appeals (if any) - None

Meeting was adjourned at 3:04 p.m.
