HYAKEM K KEX YEAR TO BE NOTEWORTHY
A PICTURE ON EVERY PAGE, SAYS IYAN MCCOLLOM, EDITOR-IN-CHIEF.

Notice

You, the taking of pictures for the college paper and the time it takes but a beginning is only a beginning. In order to secure its far a fort, and perhaps with the cooperation of the students, we are asking the Hyakem subscription receipts now.

Next week, February 15, the Normal News will be on the market, a week early, with the special feature that the students may read the advance notices of the books that are to be assigned in the next semester. Several articles are planned, and in addition to these, an attempt will be made to add some features for the enjoyment of the students in between the氤emy notices.

WOOLY SACRIFICING APPETITE. TO DESIRE FOR SLIMNESS. EAT AT THE DENT TABLE.

Perhaps no one knows that there are two overgrown tables in the main dining room of Kamuela hall. These tables, that you may find during the day, are being used for extra loads of potatoes, gravy, bread, butter and cream to the delight of their patrons. The other end of these tables are heavier than the weights at which the standards in the state legislature are using in their operation of the student body to count the state food supply.

The book will be printed on high grade stock, 22 x 28 inches by 19 lbs. The cover will have a novel design in color on the front.

The book will be out May 1, giving plenty of time to gather illustrations. Several pages are left for those who want to make a subscription campaign will be started soon. Howard W. Brown should be the better the book will be. The book will be much more than the publishing price for the whole idea of the book is to show Hyakem is to portray the story of your school.

MISS SKINNER RETIRES AS STATE PRESIDENT

Becomes Member of State Council of Home Economics Club.

Miss Skinner returned from Seattle last Wednesday where she had been engaged in duties as the member of the State Home Economics Club as representative of Oregon, for four years. This is the member of the state council and an exception to the state. Our council will include Miss Skinner of the State News Letter committee of the Home Economics Club.

Manuel's Hands

President Beck, assistant in the science department, is interested in the work of the two sections of the Physical Science Club, in which he is a member of the science faculty, but he also is director of the six different orchestras that he has at his disposal.

These are the orchestra that deals only with classical and semi-classical music; the "popular" orchestra that features the latest trend in the pop band, a mandolin orchestra and the Elinson school orchestra. The first orchestra includes Marie Lorenski, Elizabeth Cooper, Evie Flanagan, Marcella Marroff, Helen Lawrence, Faye Busby, Minnie Beck, Lucille Skase, Lesa Hanks, Ornella, Louise Starks and Aimee Stuewe, Evie Flanagan, Merle Basile, Gretchen, Redman; baso; Lorina Wetherill, Kitty Beek, Clara Garrett, Sue Pilkinton, pop altar, organist. The popular orchestra is Lanie Angel, Renata, Lorina Wetherill, Alice Garrett, Clara Garrett, Sue Pilkinton, Robert, organist, and Hubert Wheeler, cornet, in addition to the regular members.

The Normal school's Home Economics Club has been busy preparing the next number of their monthly publication. The council meeting was held Tuesday, February 15, and the new president, Mrs. Black, was called to the stage, she then introduced the new members and the work of the club, which is a number of the American Home Economics association.

WILDCATS HAND SECOND TRIMMING TO FAST YAKIMA AGREGATION.

For the second time this year the Yakima's cosmic bowers down to defeat at the hands of the local Podpoodles, Ellensburg winning on the Yakima's own playing field.

The first half of the game was even terms, the Knights batting a one-point lead at the end of the first half, mostly due to the long shots of Tyrone Smith and Murray Van Hauhere, who both ended the period with four points. Ellensburg leading with some help from Elmer Hopp and Joe Sayles.

In the second half Coach Quigley's newly organized machine began to work smoothly and the Wildcats round the bases on the lower valley with an avalanche of base hits. Joe Brown and led the Wildcat offense, while Henry played a very good floor game. The guards, Harran and Bridgeham, gave a very good account of themselves. Coach Quigley urged 18 men during the game to find their own way to make the best combination. The final score was 29-23.

The lineup was as follows:

YAKIMA

Harran 
Tyrone Smith
Porter
Bore
Bubs
Hopp
Ferry
Clyve Smith
Substitutions: Yakima—Deisen on T. T. Bridgeham—Harran

ELLensburg—Brown—14 for Nelson, Harrigan—3, Harrington—2, For¬

W. A. A. Sponsors Winter activity

Recently: "Tiny" Johnson Is

Champion on Boards.

The sport-loving students of W. A. A. are working on a good account of themselves. If you have not yet covered hills Saturday and Sunday, January 30 and 31, by winning on Craig Hill.

A number of W. A. A. members sponsored the various parties which met every hour on the hour. New groupings for Sunday morning and some of the participants became quite affable. "Tiny" Johnson, famous in Cle Elum for his skating abilities, was the prize winner of the day, but he was far exceeded in diving and rolling by some of the other members. Miss McNeil and Isabel Crow felt the hardest and "Gary" gave all an invitation to join her natural dancing class. Pursuits were scheduled to meet Sunday evening also but during this the snow melted so to make things impossible and consequently many were disappointed, but there are many still hoping that there may be more snow before the winter is over.

There was a Short Kamola hall evening last Tuesday evening. The idea which was to have been given by the house was put off until Monday night because of the illness of one of the girls. Miss Carpenter, house president, declared many important announcements. A lively and interesting skit was presented for Monday evening.

Miss Frances Duncan of Zillah was the guest of Betty Daffy last week.

Students Reading More, Is Revealed

A report by John R. Richards, il¬

bruin at the Normal school, shows an increase in the circulation of books in the school library. In the last two years, fol¬

lowing a large increase in the interest in the library, the number of books in circulation is regarded as a response to the offers made for the development of the library. From October 1923, to January 1925, a total of 3950 books were circulated, in the same period 1925 to 1927, 7,550 books.

Well, anyway we'll be honest about it, a woman is nothing but a spare-time flirt if she is not found early.

Honesty is the best policy but not in a poker game.

Some people are so honest they're afraid to lie in bed.

Business men are judged by their assets and lawyers by their liabilities.

Honestly this was intended to be an article on business, but the drug store has covered it all up.

Beauty is only skin deep but some people haven't any skin at all.
