Student Opinion

Central Washington University
**STANDARD CLASS PIN RETAINED BY SENIORS**

**ALSO SELECT DIPLOMA FOLDERS AND DISCUSS THE ANNOUNCEMENTS.**

At a meeting on Friday, March 5, the senior class selected black inside folders with criminalizing for their diplomas. The folders will be ordered through the book store.

The class also decided to keep the playing baseball that had been used by graduating classes for several years past. The cost of 50 pins must be ordered in order to get the pins at the price quoted, $1.10. The pins will be pinned by Ted Byars, so it is hoped that the seniors will please order their names with him as soon as possible. A deposit of 50 cents is required when the order is placed.

The question of announcements was brought up and a committee consisting of James Butcher, W. A. Mathews, Pender Thorfinnson, and J. P. McNeil was appointed to select the three best announcements of the many that were suggested. The class may choose from these three.

Another opportunity will be given all seniors who haven't done so, to pay their class dues before the end of the present week at least.

**Wildcats Nosed Out in Hoop Tournament**

The Wildcats were nipped out by one point, 24-25, by the fast Ellensburg Y. M. C. A. quintet in the closing game of the basketball tourney Thursday evening in which the basketball championship of Kittitas county was decided. The "I" on the following night defeated the Roslyn Rams 22, to 24, and won the county title for this year.

Roslyn Thursday had troubled the Thom Teams, 21, to 11.

The Normal-Y. M. C. A. quintet was one of the most exciting contests ever seen in Ellensburg. The Wildcats covered a five-point lead that the "I" held all the time, and threatened to lose the winning basket several times, in the last second, but couldn't quite make it.

The teams on the whole were fairly played and played on both sides with no roughness. Once off the field, the Normal-Y. M. C. A. Quintet saw to it that exciting contests were not an everyday occurrence.

The lecture Dr. W. A. Taylor delivered, the last time, was so good it was elected the last, but it couldn't quite make it.

The teams on the whole were fairly 

**New Graduation Plan Is Adopted**

**INSTRUCTIONS ARE ISSUED AND STUDENTS ASKED TO STUDY THE SCHEDULES.**

Students in school now may register for the third quarter during the last two weeks of this quarter. Upper division second year and special students may register during the week of March 8 to 15. All first year students in the week of March 15 to 19. New students will register March 22, and classes will begin Tuesday, March 23.

The office will be open for the following hours for registration during the last two weeks of this quarter:

**WEDS IN TACOMA**

Mr. and Mrs. L. D. Sparks left today for Tacoma where they went to attend the wedding of Mr. and Mrs. Florence Claibone, who were married in Path. 11, Smith, and Mr. Sparks will return Sunday, but will remain with his parents for a few days.

Mr. and Mrs. L. D. Sparks left today for Tacoma where they went to attend the wedding of Mr. and Mrs. Florence Claibone, who were married in Path. 11, Smith, and Mr. Sparks will return Sunday, but will remain with his parents for a few days.

**FIND WAY TO MEET LEADERSHIP AMONG AS MANY STUDENTS AS POSSIBLE**

In order to prevent overwhelming certain students with student activities, an attempt will be made to give equal opportunity to all students. A point system has been worked out by a committee of which Miss Mary A. Grup is chairman, and has been submitted to President Black for approval.

Two boys whose names are regularly recorded by the faculty, or students of the student body, of the student body of second year standing or above, and three members of the faculty. The counci will decide eligibility of students to be considered. At least six students when they have the maximum number of points for each quarter's service. Reports of call on elections should be in the hands of the council two weeks before the first two weeks of each quarter.

The point distribution as recorded is:

Senior Class

President: Clayton W. Jackson
Vice-Prs.: Marion Levey
Treasurer: Mrs. Mary Bozart
Social: Elmer Hunt (the brute)
Boys' Athletic Commissioner: Ivan Nelson
Social Com.: Bessie Carlson
Bergen-Al-Arms, Miss McNeely

Junior Class

President: Clayton W. Jackson
Vice-Prs.: Marion Levey
Secretary: Miss Johnson
Treasurer: Thelma Evans
Social Com.: Miss Grupe
Bergen-Al-Arms, Miss McNeely

The Reverend Frank Dyer, pastor of the fashionable Whipple Congregational Church of Los Angeles, shocked some and pleased others, by having Carlyle Stevenson and his jazz orchestra play in the church. The picture shows the jazzists and insect is Rev. Dyer.

The students of the Ellensburg Normal school should cooperate with President Black and the health directors and eliminate as far as possible any chance of a Scarlet Fever epidemic.

The inevitable question arises, "How can the situation be met?" Be thoughtful and use your common sense. Avoid public or social gatherings and abstain from a few menial enjoyments for a while.

Although this may seem difficult for us to comply with, it is best for the general welfare of ourselves and others.

Taneum Trip Was "Wonderful," Say Girls On Return

W. A. A. CABIN APPEALS TO LA-SIIDS; APPETITES FUNCTION NICELY.

This is the story of the third of the W. A. A. trips to the cabin in the Taneum canyon as told by one of the girls who made this trip. The party left Kanula on Saturday morning, March 6, and returned late Sunday afternoon.

"What a marvellous time. I never had so much fun in all my life and our chaperone, Miss Roberts Allen, sure was a wonder. When we first arrived at the cabin we jumped for joy to see its beauty. The boys, Melvin Herro and Elmer Hunt took us out in the school bus and after starting a fire in the cabin they led us on a wild goose chase ready. Jump! A few snores were heard but finally, one by one the girls arose to greet the moon—not the sun."

The Reverend Frank Dyer, pastor of the fashionable Whipple Congregational Church of Los Angeles, shocked some and pleased others, by having Carlyle Stevenson and his jazz orchestra play in the church. The picture shows the jazzists and insect is Rev. Dyer.

TALK ON LEAGUE IS MADE BY COL. FALLS

Canadian War Vet Tells of Efforts of Organization to End the War

Colonel George Pallis, World war veteran, who is also R. C. Gau- tor, spoke to the student body Tuesday morning at 9 o'clock.

The subject of his talk was the league of nations. He told of how the league has actually tried and the cost of the war.

Colonel Pallis was asked to go to Canada as one of Canada's three delegates to the league of nations. He is very well posted on its workings and very much interested. He refused the position because he was busy with the construction of a memorial church which he felt it necessary to complete.

Colonel Pallis has lectured on a Chautauqua tour all over the country and he has had a wide range of experience and is a very interesting speaker.

A winter in Boston is much more serious than ever at Kodiak, Alaska.

Much manual labor has been eliminated in Alabama by the use of the electric shovel. The husband day morning at 9 o'clock.

The woodpeckers have been tapping away—probably looking for bookworms. They are present with a bill every morn-

The spotted woodpecker is an awfu l bore. The Arabian horse is seldom seen in Washington.

A warehouse in Brooklyn has 50 feet of floor space. The library-probably looks from $5 to $12.50.

We are now showing a full line of hose in all new shades. First Aid Kits

NEW COURSES FOR QUARTER ANNOUNCED

Following are courses to be offered the third quarter not on a second quarter schedule, according to Miss Sophia Fowler, director:

Art—Applied Art. This course will be divided into four units, each to receive one credit. A student may take one or all three units, which are (a) Home Furnishing; (b) School Fashioning; (c) Costume Design; (d) Landscapes Appreciation.

History—Art in Industry.

History—General Physiology.

Chemistry 5—Elementary Inorganic.

Clothing 142—Military.

Education 161—Elementary Education.

English 7—Dramatic Interpretation.

English 8—Elementary Course in Phonetics.

English 100—Mythology.

English 162—Contemporary Drama.

History 166—English Constitutional History.

Kindergarten 5—Kindergarten Curriculum.

Music 18—Modern Music.

Physical Training 4—Plays and Games.

Physical Training 4b—Theory of Corrective Exercises and Massage.

Several of the new courses have been developed to meet the increased interest in the physical sciences. Descriptions of the units are as follows:

Science 106—Physics.

Science 107—Chemistry.

Science 110—Biology.

Science 111—Biology Laboratory.

Science 116—Chemistry Laboratory.

Science 118—Biology Laboratory.

Science 120—Biology Laboratory.

Science 121—Biology Laboratory.

Science 122—Biology Laboratory.

Science 123—Biology Laboratory.

Science 124—Biology Laboratory.

Science 125—Biology Laboratory.

Science 126—Biology Laboratory.

Science 127—Biology Laboratory.

Science 128—Biology Laboratory.
