This Book is brought to you for free and open access by the University Archives and Special Collections at ScholarWorks@CWU. It has been accepted for inclusion in CWU Student Newspaper by an authorized administrator of ScholarWorks@CWU.
The Commencement Day program will be attended by all members of the graduating class and those of the faculty and staff of the school. The program will consist of numbers by the track team, tennis team, and other student groups. The diplomas will be presented by the president of the school to the graduates. The program will conclude with the National Anthem and the benediction by the chaplain. The graduates will then head for the gymnasium for the annual banquet. The banquet will feature speeches by the principal, the graduation speaker, and other special guests. The evening will conclude with a dance in the gymnasium.
The Student Opinion

The long hoped for gymnasium is at last to be a reality. When the construction work is completed, W. N. S. will be able to sufficiently finance the construction of such a building, one of the best things for the school that has happened for some time took place. The Associated Student of W. N. S. will have a building in which they can work and take pride.

School will be out in a few days and many of us will be going out to teach in various places of the country. As we go let us carry with us a good word for our school. Let us all of us come in contact with young people who will be going on to higher institutions. Let them know that W. N. S. is a school well worth their consideration.

This is the last number of the Student Opinion which will be published during this school year. We want to take this opportunity to express our appreciation of all the help that has been given toward making the paper a success during the year. We want to thank especially those people who have helped by handing in articles for publication and those who have aided at various times in distributing papers and in other capacities.

Miss Jeanette Sloan, who for his share of the praise, as well. As faculty director, he has given us a great deal of needed help and advice.

"Odyssey" Provides Theme for Dance Drama; Presented Wednesday Evening

"The Odyssey" furnished the theme for the annual dance-drama which about 50 students enacted on the lawn opposite Komaia Hall in Shattuck Park before a large audience. Proceeds from the dance dramas will be donated to W. N. S. for scholarships.

The Ellenburg Chamber of Commerce and Ellensburg Normal School planned a special day held Thursday, May 24, that was a sensational success. The Chamber of Commerce furnished transportation for about 400 Normal students and the students themselves furnished horses and buggies. The chamber secured presents, including orchid flowers and a silver cup, to be awarded the school that assembled the largest number of students. Each student participated in the festivities in some manner.

A special excursion was arranged for the students, who left for Blewett pass, or Top of the Hill, where they assembled for the pageant of the graduating class, consisting of 60 members, and a number of business men and women attended the pageant. While the pageant proceeded, the activities of the graduating class were shown. A dinner of salmon, pickles, and every delicacy known to picnic was served at the close of the event. The pageant, which was written by Prof. C. G. Brown, gives the history of the pageant which has been in existence since 1916. The pageant will have enough interest and effort put into it to be carried on as a tradition of the school by future graduating classes.

The Ellenburg Chamber of Commerce, in connection with the Normal School, arranged for the students to and from the pageant, May 31. The regular exercises and entertainment of real merit and one that all the students were望将 of the graduating class attended the pageant. Miss Pearl Patterson, who has been confined for several weeks at the Ellensburg General hospital, is recuperating very nicely. Miss Patterson expects to return to her home at Klamath Falls, Ore., with in a few days.

Har Holmes, who underwent an operation for appendicitis at the Ellensburg General hospital, has been moved from the hospital and is recovering rapidly.

Inex: "That fellow said this last poem of his owns earned him the love of a girl," said Holmes.

Editor: "Then we can’t use it. We can’t use material that will interfere with our circulation."
