ANNUAL PICNIC TO SWAUK TOMORROW

SPORTS, GOLD-PANNING, TRIP TO RED TOP PLANNED; CARS TO LEAVE AT 8:00 A. M.

Tomorrow the annual picnic given by the Chamber of Commerce of East- lignon, will begin when cars leave the girls' dormitories at eight a. m. with the "Swauk" as the destination.

Clothes, the ever-important question, should be of the type which will permit of freedom of action as well as freedom from the fear of becoming soaked, as mountain-climbing, sports, gold-panning, baseball games, will be featured. Dancing at the hotel also will be included in the day's programs.

Those who have signed up to go to Red Top are divided into groups, and the list of members making up each group is posted on the bulletin board. Those who make the trip are required to obey the following rules:

"Stay with your group at all times and follow the directions of the leaders.

Wear boots or oxfords with low heels and wool stockings.

Make it a point of information about arrangements not later than 9:00 o'clock Thursday morning."

About 350 or 400 students have designated their desire of attending. All students are urged to return in the same car that they go up in. The times and meeting place should be arranged as soon as possible with the driver and the students before leaving the car.

PI OMEGA TO HOLD ASSEMBLY

PI OMEGA held its regular business session on Tuesday, May 17. The question of a picnic was brought up and discussed, and it was decided that the Chamber of Commerce picnic at Swauk would be held.

The club will be open during the summer for anyone who wishes.

A special committee composed of the program committee and the executive committee was appointed to select five programs for the meetings during the summer. These programs will be as unique and as interesting as possible.

For the purposes of attracting interest and demonstrating the nature of the PI Omega to prospective members, the club will hold an assembly in the early part of the summer quarter.

H. C. FISH TO BE IN OLYMPIA SOON

Herbert Fish will be in Olympia June 3 to 7. The revised course of study for history in the elementary school was completed at this conference. The committee hopes to place the new course of study next year.

Miss Esther Dietrich, formerly of this city, who has just returned from a tour of Europe, will be a guest of Miss Hazel Thourney this week end.

Lorin D. Sparks will go to Dryden, Ore., this week to participate in the Commencement Exercises there May 21st.
TOMORROW—THE TEST.

We have had occasion recently to try to define a good sport for the purpose of making awards. We each have a personal definition or ideal of a good sport. The student doesn’t live who hasn’t a very definite idea of what HE calls a good sport—and in normal cases his ideal good sport has some qualities which he lacks.

Tomorrow our sportsmanship will be tested in dozens of ways.

If you don’t get as much to eat as some one else:
If you go to Red Top and fail to be assigned exactly the DEAR A.
If you WANT a LADIES’ Heels 25c Rubber Heels 40c
If you buy silk and DEIAhR are thankful for the commencement is
If you make the most difficult things
ing to tell me if you have a football
If your nerves are upset
If you have the A.
I'll never hear of the book.

TRAGEDY

I saw this little soul-stirring drama at the auditorium one evening where the common purpose is for everyone to look at everyone else, I had the good fortune to be behind a bunched couple, the male contingent of which seemed most uneasy. At an exciting part of the program I noticed that competing in all needs in the high jump and high hurdles. Edes was a star athlete of the Ellensburg high school for two years.

On Every Occasion--

Business or Social

You may be sure the man whose clothes go regularly to the dry cleaner, is the man whose appearance needs no apologies.

And his clothes are not necessarily expensive, for the style and class that's modeled into even the moderately-priced suit, stands out in bold relief when the dry cleaner's art has been applied.

This is the service we offer Ellensburg men, and we are glad to say that we have the pleasure of serving most of the fellows who are particular about appearance.

Drayin Played to Appreciative Audience

Regardless of the temperature, the Natural Dancing class presented "Midsummer Night's Dream" successfully on Thursday night, May 19.

Whirling, running, pulsing a mad colored lights and roof winds, a number of girls portrayed the dance drama, "Midsummer Night's Dream," with dance divarications and facet daunces. The most striking of the divertissements was the artical Host dance to Leprechaun Bloce.

Betty Crosby won applause when she depicted the laughing misch WVIL,-whimlal Puck, the fairy jester.

The King and Queen of the fairies with their attendants of fairies and elves, added airy, fairy-like effects through their success.

Bottom, and his tribe of players, furnished humorous scenes which were appreciated by the audience. Much credit is due to Miss Miller and Miss Wilkinson and members of the orchestra in furnishing music for the drama.

TELL ME ANOTHER.

Protect Eis-- clients from the deceitful en- by-ways of rumor against the over-ambitious student who, according to faculty testimonials insist on handing in extra assignments and quantities of term thesis.

"We don't object to doing a reasonable amount of work," declared the spokesman for the faculty, "but these same days it's an imposition to force this EXTRA work upon us. We are appealing to the fair-minded student to relieve the situation."

Viola Black went to her home in Cowich for the week-end.
Frances Burns went to Zillah for the week-end.
Mildred Marks spent the week-end in Yakima.
Ellen Kraus visited her sister, Miss Kraus who is teaching in the high school at Kittitas.
Constance Hitchcock spent the weekend in Yakima.

Education of the present day is so much more pleasant, and so much better for the average student than it was in the past. Think how it is today, with so many travelers with such an amount of work, and so many days, shorter tour only to take, consisting of twenty-five days. These tours for students are becoming more popular each year. The attractions are many—the few weeks, travelling without the constant trouble of details, knowing what to do, where to go and arranging the cost of sightseeing which is always more or less of a lure—all this is arranged and all the student has to do after the money is paid is to enjoy himself to the full. Then an additional factor of importance is the companionship which is always found on such tours. People are especially interested educational problems, with like interests in the world of letters, art, music, people who even on their own somber moments with them, and plans for their own work, to take in the big携带 many of the finest concourses anywhere for what others pay.
